Gods Path North:

In God's Path Robert G. Hoyland, 2015 A groundbreaking work that delivers a fresh account of the Arab conquests incorporating the latest research in Late Antique history God's Path Naola Kaylani Davis, 2019-03-31 My journey on the path to spiritual enlightenment began at a very young age at the age of one and a half I was violently thrust into the arena of good and bad violent and nonviolent In order to cope with the violence in my life I connected with my source Outwardly I was a happy go lucky child while inwardly I was trying to rationalize and trying to understand how a person like my father who walked the earth could grow into a monster because for the most part we all start out as good human beings There are some cases where a soul is born with an evil predisposition but for the most part people start out good and the environment they are born into plays a large role in shaping the person they ultimately become **My Miraculous Journey with God with Only \$60 and a Suitcase** Ingrid Apollon, 2018-11-20 Have you ever felt like not getting up in the morning Have you ever felt stuck and wondered how you would get out of a situation Do you ever wonder what your purpose is Do you wonder why bad things keep happening You re not succeeding because you re missing something So what are you missing In My Miraculous Journey with God with Only 60 and a Suitcase author Ingrid Apollon explains how God is the missing piece in our lives when we feel like we are stuck By sharing her own journey to live her dreams Ingrid hopes you will be encouraged to live yours too But in order to succeed in anything you need to put God first It s time to get to know God and see how he can bless you in unimaginable ways and the God who performed miracles with Moses Abraham Noah King David and other biblical characters is the same God who performs these miracles today There will be times in your life when you feel like giving up and losing your hope and faith but you need to have a sense of peace You can overcome any obstacle You can make it With God there is no fear just take the first step and believe Gardenia's Garden: Trusting in God's Path D. D. Simpson, 2020-12-03 When a handsome smooth talking college student asked my sixteen year old mother to be his wife she gave little consideration to the longterm consequences of accepting such a proposal So with little introspection given to whether or not she was ready and even less toward her suitor my mom blindly accepted It didn t take long after the ceremony for her eyes to open and realize she d married an abusive drunk aka my father It was after a night of self indulgence when my dad came home one Sunday morning and knocked in the front door After another ugly fight with Mom he left to buy a bottle of tequila and never came back Unlike my father my mother never gave up She worked day and night doing whatever necessary to keep a roof over her family s head and food on the table I doubt the bright eye gullible teen bride thought as she said the words I do that her life would turn out the way it had At a very young age I promised myself when it was my time to marry that I would be patient and learn from my mother s misfortune Sadly however it was a promise I wasn t able to keep Instead in the blink of an eye I found myself going down the same broken dirt road my mother once traveled It was years later when I found myself sitting on a moonlit beach in Corpus Christi Texas that I began questioning my very existence My life had taken many twists turns

and unfortunate events for me to be where I was that evening I hadn't gone there with any intent but seeing the tranquil waters of the Gulf a thought came to me What if I swam as fast as I could toward the horizon until I couldn't go any further All my troubles would sink to the bottom and my worries would be no more I wondered if this was the answer to life's problems or did God still have another path left for me to travel

Only God! Steve Taylor, 2018-10-01 I was once a pastor of a successful church that grew and grew At one point in time it was the fastest growing church in the city where I was Hundreds came to Christ or returned to him and I had many friends Then the bottom fell out of my life and I lost everything I lost my marriage my church and all my friends I walked around numb for months trying to make sense of it all But God knew my heart was his and he gave me a fresh start He sent me the most amazing woman to stand at my side Together we went on a journey that is nothing short of miraculous and amazing There were also many struggles and tears as well as many sleepless nights We endured much opposition and persecution At one point my wife died in my arms When I cried out to God he sent her back Through it all God was faithful He can even raise the dead Our story is one of relentless faith in God and his ability to do anything It will make you laugh and probably cry You will almost
