Gods Positive Kingdom:

The Positive Kingdom Colin Urquhart, 2025-09-11 Many Christians think that God's Kingdom can only be entered beyond death. Even then there is an element of uncertainty as to whether they will be accepted by God. Colin Urquhart has a different and thrilling message. Jesus came to give you a Kingdom. The Kingdom He offers you has resources far beyond those of any earthly kingdom. It is God's intention for you to possess the Kingdom of heaven now. The growth of God's Kingdom is hindered by the negative influences of the world, but Jesus provides the way to freedom and new life. In *The Positive Kingdom*, Colin Urquhart shows how the Kingdom of God can be a present positive and practical reality in the lives of Christians today. Colin Urquhart was the Apostolic founder of Kingdom Faith Church and an ordained minister for over 50 years. He was at the forefront of the Charismatic Renewal Movement in the UK in the 1970s, 80s, and 90s and is widely recognised and valued throughout the world, having both experienced and led others in revival. *THE KINGDOM OF GOD MANUAL - LET THY KINGDOM COME - THE HEAVENLY KINGDOM OF ALL KINGDOMS* KING SOLOMON DAVID JESSE ETE, *A Theological Aesthetics of Liberation* Vicente Chong, 2019-02-07 Since its emergence in the sixties of the last century, liberation theology in Latin America has paid little attention to the areas of aesthetics and art. At the same time, theological aesthetics seldom has been directly and explicitly concerned about the reality of the poor and the struggle for justice. This mutual disinterest between liberation theology and theological aesthetics is regrettable because discerning a correlation between them would benefit both theological disciplines in their attempt to understand the saving action of God in the world. It is the intention of this book to fill that gap. *A Theological Aesthetics of Liberation* correlates liberation theology and theological aesthetics, exploring different themes such as the liberating power of art and how the Spirit of God is involved in the process of liberation in and through art. This study is a critical reflection upon the question of the beauty of Jesus Christ, especially in relationship with the event of the cross and upon its meaning for Christian life. This book analyzes such topics in conversation with important theologians: Gustavo Guti rrez, Jon Sobrino, Karl Rahner, Hans Urs von Balthasar, Edward Schillebeeckx, and other contemporary Christian theologians who have explored these themes. **God's Big Idea** Myles Munroe, 2011-07-28 There has never been a better time to be alive. God's plan since before time began is about to unfold worldwide. He is going to establish His rule through people like you. He will cover the earth with His glory by pouring Himself into His people. This book is another exciting addition to Dr. Myles Munroe's series on the Kingdom of God. God's Big Idea shows how God wants to make the earth a place of Kingdom harmony and peace, beginning with you. You will discover things about God's love and plan, such as how your destiny will be fulfilled right here on earth. You can enjoy continuous fellowship with the Lord. You are created to turn the earth into a place filled with His culture. Your decisions make a big difference in what happens on earth. Dr. Munroe explains how you can be directly involved in God's Big Idea by helping plant and multiply His garden communities where all God's children live fruitful and abundant lives. Discover God's Big Idea and you will find your own destiny. **The**

Brodie, 2004 Many are saying that the prevailing paradigm of New Testament origins is going nowhere In its place Brodie's stunning book invites us to suspend all knowledge we already have about the history of the New Testament's development and to be willing to entertain the following thesis Everything hinges on Proto Luke a history of Jesus using the Elijah Elisha narrative as its model which survives in 10 chapters of Luke and 15 of Acts Mark then uses Proto Luke transposing its Acts material back into the life of Jesus Matthew deuteronomizes Mark John improves on the discourses of Matthew Luke Acts spells out the story at length Add the Pauline corpus the descendant of Deuteronomy via the Matthean logia and the New Testament is virtually complete This is a totalizing theory an explanation of everything and its critics will be numerous But even they will be hugely intrigued and have to admit that Brodie's myriads of challenging observations about literary affinities demand an answer **Reclaiming God's Original Purpose for Your Life** Myles Munroe, 2012-06-19 Why are you here Have you ever wondered why you are living here and now in this particular place and time in history Not only is Myles Munroe a dear friend but someone who has greatly helped to shape my understanding of the Kingdom of God Matthew Crouch CEO Gener8Xion Entertainment Best selling author of more than 10 life changing books and devotionals Dr Myles Munroe's series on the Kingdom of God shows how your heavenly Father wants to make the earth a place of Kingdom harmony and peace beginning within you You will discover things about God's love and plan such as how Your destiny will be fulfilled right here on earth You are created to turn the earth into a place filled with His culture You can enjoy continuous fellowship with the Lord Your decisions make a big difference in what happens on earth Dr Munroe explains how Reclaiming God's Original Purpose for Your Life will bring you joy peace and abundant living This big idea of reclaiming God's original purpose is the only answer to the deep cry in the heart of every human and it can satisfy the perpetual vacuum in the spirit of humankind writes the author You will find your own destiny and an intimate relationship with God in the process **The Kingdom of God and the Glory of the Cross** Patrick Schreiner, 2018-03-15 The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field It is the smallest of all seeds but when it has grown it is larger than all the garden plants and becomes a tree so that the birds of the air come and make nests in its branches Matthew 13 31 32 When Jesus began his ministry he announced that the kingdom of God was at hand But many modern day Christians don't really understand what the kingdom of God is or how it relates to the message of the gospel Defining kingdom as the King's power over the King's people in the King's place Patrick Schreiner investigates the key events prophecies and passages of Scripture that highlight the important theme of kingdom across the storyline of the Bible helping readers see how the mission of Jesus and the coming of the kingdom fit together Part of the Short Studies in Biblical Theology series **"All Authority Has Been Given To Me"** Tim Lehman, 2019-11-20 For much of Christian history greater focus has been paid to

Jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends that we ve drastically missed the point by not looking closely at and learning from Jesus words and actions before his death As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth In this broad study of Matthew s Gospel Lehman challenges readers to view Jesus death in light of his life He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived As Lehman leads readers along a carefully laid path Christians and non Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more But along the way we are sure to learn grow and hopefully come to know more deeply God s unconditional love for all

England's Israel and the Foundations of Modern Political Thought Meirav Jones,2025-07-08 The foundations of modern political thought presumed secular were laid in conversation with theologically motivated politics and in negotiation with Jewish ideas Mid seventeenth century England was a hotbed in which crucial ideas of modern politics were conceived Thomas Hobbes presented his social contract John Selden wrote major treatises which were foundational for modern natural and international law and England participated in the wave of republicanism that swept over Europe This was also the period of the English Civil War which has been portrayed as a war of religion and a revolution of saints and was characterized by religious ends and motivations guiding politics and politicians In England s Israel and the Foundations of Modern Political Thought Meirav Jones proposes that the foundational political theory conceived in this period was significantly related to the theological politics of the time Through an examination of the language and imagery shared by theorists and saints Jones finds that in the twenty year period between 1640 and 1660 when Hobbes Selden and their contemporaries published over 40 percent of all texts published in England contained one or more of the terms Hebrew Israel Jerusalem Zion or Jew Further all known works of political theory from the period employed these terms While preachers in English parliament addressed and understood England as Israel foundational theorists of the modern state employed ancient Israel as a political model and explicitly preferred Hebrew over Greek wisdom Modern politics did not develop solely from within a conversation among elites neither was it conceived as a Godless enterprise even by its most renowned secular architects Instead as the book demonstrates it spoke the language of religiously motivated politics and was conceived in its terms Ultimately Jones argues that it was through a sweeping revival of Hebrew in early modern Europe that the foundations of modern politics were laid in conversation with theological politics and in negotiation with Jewish ideas and ideas of the Jews
