Children in God's Eternal Purposes Zacharias Tanee Fomum, God has tied the salvation of the world to a child Jesus who was born in a stable. Children are a sacred trust given by God. Bringing up the future generation is the highest, the holiest, and the noblest calling one could ever have. This responsibility falls on parents as well as ministers to children. This book is a plea from Professor Zacharias Tanee Fomum, who had an intense burden for the salvation of children, given that he himself had given his life to the Lord Jesus at the age of 11. From Bible examples such as Isaac, Samuel, John the Baptist, and the Lord Jesus Himself, Professor Fomum proves that it is possible to come to Jesus, know and serve Him early in life, and that the consecration of a child to God paves the way for him to follow from which he will not depart. This book is a must-read for every godly parent and minister to children.

**Mariology: A Dogmatic Treatise on the Blessed Virgin Mary, Mother of God** Rev. Joseph Pohle Ph. D. D.,Aeterna Press, Like the Hypostatic Union of the two Natures in Christ the Divine Motherhood of the Blessed Virgin Mary may be regarded from a twofold point of view 1 ontologically i e in its objective dignity dignitas maternitatis divinae in se and 2 ethically in its causal connexion with the prerogatives proper to this exalted office plenitudo gratiae correspondens dignitati Christology shows how the Hypostatic Union immediately and substantially sanctified the manhood of our Lord in direct proportion to His infinite dignity as Godman In a similar though not precisely the same manner Mary s objective dignity as mother of God constitutes both the intrinsic principle and the extrinsic standard of her supernatural purity and holiness The one postulates the other as a cause its effect Aeterna Press *This Female Man of God* Gillian Cloke,2003-09-02 This book is a study of the contribution of women to the development of the newly legitimate Christian church in the twilight of the Western Roman Empire There are many women noted for the example of their life in this period regarded amongst the luminaries of the day but while their male mentors the patristic authors have retained their fame the women who surrounded and influenced them have all but disappeared from sight The women themselves are partly to blame for this for in order to be pious it made sense to disguise one s sex sometimes literally Dr Cloke gives examples of those whose sex was discovered only

after their death they sought to become androgynous a third sex before God This book looks at a multitude of examples in some detail and takes an overview of the role of Christian women at this time It should appeal not only to historians classicists and theologians but also to anyone who takes a general interest in the changing status of women over the centuries

**The Weakness of God** John D. Caputo, 2020-03-20 The author of *What Would Jesus Deconstruct* makes a bold attempt to reconfigure the terms of debate around the topic of divine omnipotence Choice Applying an ever more radical hermeneutics including Husserlian and Heideggerian phenomenology Derridian deconstruction and feminism John D Caputo breaks down the name of God in this irrepressible book Instead of looking at God as merely a name Caputo views it as an event or what the name conjures or promises in the future For Caputo the event exposes God as weak unstable and barely functional While this view of God flies in the face of most religions and philosophies it also puts up a serious challenge to fundamental tenets of theology and ontology Along the way Caputo's readings of the New Testament especially of Paul's view of the Kingdom of God help to support the weak force theory This penetrating work cuts to the core of issues and questions What is the nature of God What is the nature of being What is the relationship between God and being What is the meaning of forgiveness faith piety or transcendence that define the terrain of contemporary philosophy of religion Caputo comes out of the closet as a theologian in this work Catherine Keller Drew University Caputo has a gift for explaining Continental philosophy's jargon succinctly and accurately and despite technical and foreign terms this book will engage upper level undergraduates Includes scriptural and general indexes Highly recommended Choice

*The Immaculate Code: The Feminine Mystery in the Trinity* John d'Ō Pen, 2019-02-21 THE IMMACULATE CODE The Feminine Mystery in Trinity is based on the Christian faith belief in God in three persons God the Father God the son Jesus Christ and the Holy Spirit John d Pen seems to have taken the belief further and uses this medium to espouse that the Virgin Mary is one of the persons within the triune He scripturally expounds the espousal that the Holy Spirit is not a person but a neutral member whose form and evidence defines the other members in motion and allusions could be made to its energy forms as the wind storm fire a visitor angel and sometimes even human beings Therefore Mary as the new Eve in the lead of the eternal paradise lost battle against the dragon and her membership within the triune are both a code and a mystery enigma hence the title THE IMMACULATE CODE The Feminine Mystery in the Trinity

**The Virgin Birth of Christ** Richard Shenk, 2016-06-01 Too often the virgin birth of Christ serves merely as an evangelical shibboleth instead of a doctrine that affects our lives The theological meaning of the virgin birth is rich in and of itself The author argues that the doctrine has been too long ignored by the church Collecting from disparate sources into one brief accessible volume Richard Shenk encourages the church towards boldness to understand the rich theological treasure that the virgin birth of Christ is for us and to live out its significance in joy and practice
