## **Gods Solution To Mans Dilemma:**

Man's Dilemma William Killen Wright, 2009-01-01 Most people go through life with questions unanswered With so many religions and opinions floating around it is no wonder than people are confused and do not know what to believe The vast majority adhere to their present belief as they were brought up with that particular faith but this can never guarantee that it is in fact the correct one After all they cannot all differ and still be correct The situation is crucial as if God does exist then He has the answers and if He does not our beliefs are in vain Yet with eventual death waiting on the side lines of the playing out of our lives then obviously the wise thing would be to get to know the truth if that is possible to do Blind hope and blind faith in a person or system is like burying our heads in the sand and waiting to see if we by pure luck end up in a happy life after death But what if we are wrong What if the answer was there all along but was missed it due to ego pride stubbornness procrastination earthly ambition laziness or any other thing that kept us from really examining the evidence for a loving caring and solution giving God If God is for real then as our Creator then is logical for Him to communicate with us His creation and supply us with the facts we need to know Does He exist Does he care about us Is there anything He requires from us to fulfill our purpose Will we continue in some form of life after death and if so are there opinions as to how we will fare in it William Killen Wright has confronted these issues in his new book Man s Dilemma God s Solution He methodically leads his readers through various stages of inquiry He begins by showing the logic and need of God that there is a source of absolute truth as revealed by God in His written the needed starting point of a spiritual birth provided through the sacrificial death of God s only Son the Lord Jesus Christ help to start living the new life how to get to know our new Father better and how to prepare to finely meet God It is hoped that this book will supply sought after answers that many seek and be a blessing to all who read it

One Christian's Perspective of Man's Dilemma God's Solution Steve Lampman, 2013-04-01 Many people today would list many different things as being man s dilemma such things as health problems unemployment poverty crime war and so on Each of course is a problem found in every society excluding none One could say man s dilemma is universal and they would be correct However each of the things listed above are actually the result of man s dilemma not the cause The cause is found in man s depravity In that depravity every un regenerated human being sets his own standard as to his or her conduct of life Man has rejected the absolute standard of his creator and as a result is alienated toward not only God but from one another Man has no solution for this and therein lays the dilemma God on the other hand has the solution it is found in His provision the Lord Jesus Christ In the pages of this work the author considers man s dilemma God s solution from eleven different perspectives Each chapter is a study in itself but fits nicely as one completed work

is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the

Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of men s lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of men s souls lost all for the sake of man s vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writer s Literary Publishing Services Critique Division God's Good News & False Gospel / True Gospel Moreno Dal Bello,2016-03-27 SALVATION What is it Many have heard the word but have never taken the time to find out what salvation is really all about What is it to be saved and what is it that one is saved from And for that matter how does one get saved and is salvation really necessary Do I need it These questions are often the first to be asked when the issue of salvation is raised but seldom if ever do they receive answers that are compatible with what the Word of God says Many people take the following approach to things religious I believe that religion is ok for some people but personally I don t have a need for it I don t see anything that wrong with my life The True Christian Faith is not a religion nor is it primarily a lifestyle anybody can change their lifestyle reform and become a new person whether they get involved in religion or not Christianity is all about a Message God s Message God s Gospel **Standing on the Rock** James Montgomery Boice,1998-10-01 The author draws on the teachings of faithful expositors past and present personal testimony and Scripture to support the infallibility of God s Word This timely work provides the answers you need to be an effective witness and also is an essential guide for seekers and new believers **The God Who Sits Enthroned** Phil Fernandes,2003-03 **Ancient World: Reader, 5th ed. , Romans: Jimmy Swaggart Bible Commentary** Jimmy Swaggart,1996 ROMANS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God **Nineveh Or Bust** Jamie Mitchell,2004

Mitchell examines the life of the prophet Jonah and what happened once he received God's call to minister to the heathen Assyrians in Nineveh As readers will see Jonah did not respond positively in fact he resisted God's calling just as many people continue to do **St. Mary's Chimes**, 1918 **The American Ecclesiastical Review** Herman Joseph Heuser, 1961

"Thou Shalt Surely Die" Moreno Dal Bello, 2015-10-22 The greater majority of people who profess to be Christian have been taught and what's worse have accepted three of the biggest lies ever perpetrated upon the human race These doctrines form the basis of what is commonly referred to as Arminianism They are not what God's Word teaches for they are contrary to His Word and stand defiantly opposed to the Word of God the Sovereignty of God the Grace of God and the Blood of Christ There are several variations to these three Arminian doctrines but basically the claims are as follows 1 Man is not spiritually dead to God 2 Man can choose God by his own free will and 3 Christ Jesus the Lord died for every individual ever born On these three doctrines which are the foundational teachings of Arminianism does the Arminian gospel stand or fall Our purpose here is to expose the gross error of these three particular dogmas and how they have formed to become the elemental teachings of the most popularly accepted yet corrupt gospels of our day **Matthew: Jimmy Swaggart Bible Commentary** Jimmy Swaggart, 1996 MATTHEW BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God
