LIONHEART Carl G.M. Joseph Th.D.,2025-08-08 There is no sadder epitaph than I never became what I might have been In truth most people never discover their true purpose because it can only be found in the mind of the Creator Communing with the Creator is the key to manifest destiny yet so few lions take the time For years now the Lions Unchained Podcast has challenged believers to unleash their God given destiny Many lions are caught up in the demands of the day to day scouring the savanna chasing down warthogs or taking care of the cubs Consequently purposeful living becomes an afterthought and the grind becomes the norm The purpose of this book is to activate God s call on your life and equip you to do so by revealing five key concepts which are foundational for Christian success No matter where you are in life it is never too late as far as God s concerned It is time to unleash the warrior within

A Path to Joy David Bernard,2023-11-21 Most people want to be happy but is happiness obtainable People wish for it work for it and try to purchase it but are hardly ever able to find it However embracing what God offers leads to finding happiness This book A Path to Joy God s Way to Live with More Happiness and Fulfillment teaches how to have lasting joy Lasting joy is a joy that endures every circumstance and every difficulty The reason this happiness can withstand hardships is because it is sustained by God s faithfulness Even though life s experiences

are unpleasant at times they are meant for eternal good But God is not interested in making his people suffer Instead he wants humanity to learn reliance on his strength In fact he doesn't expect people to have the strength to overcome trials on their own He wants believers to trust that he will sustain them in the difficulty And since God is faithful he will always make a way It is best practice to maintain trust in him and not doubt his promises This is the path to true happiness **Navarre Bible**, 2000 This book a companion volume to Gospels and Acts is an omnibus edition comprising four titles in the Navarre Bible New Testament These are Romans and Galatians Corinthians Captivity Letters Ephesians Philippians Colossians and Philemon and Thessalonians and Pastoral Letters all the texts directly attributed to St Paul The Navarre Bible Reader's Edition contains the full biblical text in the Revised Standard Version with notes or commentaries **The Dignity of Human Nature; Or, A ... all eternity his merciful and gracious companionship **Most Evil Is Done by Good People Who Do Not Know That They Are Not Good** Ferd L. Wagner, 2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth Brownson's Review ,1845 **Brownson's Quarterly Review** Orestes Augustus Brownson, 1845
