Gods Will:

God's Will J. I. Packer, Carolyn Nystrom, 2012-01-01 Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with God's Will. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's will in major life decisions as well as anyone interested in understanding how God guides us will welcome this practical and inspiring book.

In Search of God's Will Trevor Hudson, 2024-11-05 Have You Ever Asked What Is God's Will for My Life? A trusted voice of the Christian faith in spiritual formation and discipleship, deeply shaped by the wisdom of Dallas Willard and St Ignatius, Trevor Hudson has crafted a user's guide to discern God's personal will for our lives. After serving the local congregation as a Methodist pastor in South Africa for almost fifty years, Trevor now lectures, teaches, and offers spiritual retreats both locally and internationally. Over the years, this question about discerning God's will is one that he has heard again and again. *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life, ultimately helping you to become the unique person God wants you to be. You'll be equipped and encouraged in your faith on how to align your heart with the heart of God, attune yourself to your calling, listen to God in Scripture, pray, the Scriptures pay attention to the movements of the Spirit in your heart, uncover and exercise your God-given giftedness, notice God's presence and activity in daily life, engage in sacred conversations with trusted companions, make faithful decisions, take the initiative when God seems silent, and more. Each concept includes a discernment exercise so that you can experience what you are learning. If you have ever wondered about God's personal will for your life, how your desires and God's desires intersect, and how God is present and active around you, *In Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be.

Understanding God's Will Kyle Lake, 2004-09 Everyone struggles with questions like, "How can I know if I'm pursuing God's will or my own?" In this book, pastor Kyle Lake suggests that God's will for a person's life isn't as formulaic as it's often made out to be. This book alleviates ambiguities about God's desires for our lives. Through the use of scriptural metaphors such as discipleship, kingdom, and fatherhood, this message empowers people to make wise decisions with the guidance of a God who is not a genie, an insurance policy, nor a dominator.
