Gods Wisdom Is Better Than Gold:

God's Wisdom is Better Than Gold Adrian Rogers, 2001 God wants you to enjoy the abundant life And the first step to that life is to search for wisdom as a man seeks for gold Far from the fool's gold of name it and claim it theology this study of Proverbs leads the way into King Solomon's mines wherein lies the true treasures of heaven **The Grace Filled Life** Dr. Stephen R. Button, 2023-04-03 When Jesus said My grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God's grace because grace is so overwhelmingly abundant and impressively available to the believer God's grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button's life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California

The Song of Songs and the Eros of God Edmée Kingsmill,2009-11-26 Modern biblical scholarship interprets the Song as a

collection of love lyrics For Edm e Kingsmill on the contrary the essence of the Song is mystical A principal concern of this study however is to uncover the relationship between the 117 verses of the Song and those biblical books to which they point Beneath the metaphors a network of allusions is being woven conveying a picture opposite to that we find in the prophets who confronted with the continual adultery of Israel poured forth their condemnations with unwearying passion In dramatic contrast the Song presents a paradisaal picture For lo the winter is past the rain is over and gone The flowers appear in the land and the time of singing is come Song 2 11 12 Thus in presenting the ideal the intention of the Song s author is shown to be encouragement The inclusion of this poem in the biblical canon is understood therefore to be central to the purpose of the biblical literature to bring all people to love the God of love The book is in two parts The first and longer part is concerned with themes including the relationship of the Song to the early Jewish mystical literature The second part is a short commentary intended for the reader interested in the text as much as in the related questions to which the text gives rise

Wouldn t it be great to start your day honestly knowing and feeling in your heart mind and soul that you are the apple of God s eye That the Creator of the universe is watching over you And not only that but He longs to be with you Too many people even well meaning Christians think they are too sinful for God to ever love them They struggle to believe God s Word because they have accepted Satan s lies about their unworthiness and allowed this spiritual darkness to color their world But the truth is God gave us His only begotten Son to blot out our sins for His own sake Not for our sake but because He loves us so very much that He designed a way for us to experience true fellowship with Him In 21 Days of Prayer to Discover Your Identity in God you will discover God s promises and His great love so that no matter what you have done you can receive healing and a fresh beginning You can be with Him in perfect peace now and throughout eternity no matter what comes your way
