Gods and Monsters Quinn Blackbird, 2019-10 What could possibly be worse than dying at the hands of an evil God Becoming his obsession I can tear your throat out right here he said his voice a hushed whisper of threats and spilled blood I could kill you a thousand different ways where you sit The nail cut deeper Blood beaded then spilled down my front over my breasts I choked on a whimper Now tell me everything 1 Prince Poison Few knew Valissa's secret but it already carried a death toll One If the Gods ever discovered what she was they would capture and flay her alive But in the land of Gods and Monsters no secret stays hidden for long Lissa drunk on the high of a midnight party that's rife with mysterious pirates gets too close to one of the pirates who turns out to have secrets of his own Jasper is no pirate He is a servant of the Gods And the moment she touches him she steals his power He kidnaps Lissa and he's taking her to one of the most brutal Gods in all the lands He's taking her to Prince Poison Prince Poison's mere touch kills and his cruelty is said to stretch beyond even the darkest pits of Lissa's soul But when she's standing in front of this fearsome God ready to face her gruesome fate the Prince might see more in her than she ever thought possible 2 Captive Valissa is an abomination among Gods and Monsters She's cursed with the unexplained ability to steal power from the children of the Gods It's a curse worthy of death but her fate is much worse than that Prince Poison the cruelest of them all keeps her captive in the stardust palace where she's forced to train her abilities into something that terrifies her while evading the malicious interest of those around her What's worse than holding the interest of a God whose touch kills and whose lips enchant Becoming his captive 3 Phantom Valissa's death toll is on the rise One before she was stolen away to the cruel Prince Poison Seven under the Prince's malicious watch The worst part Valissa just doesn't care anymore not about the lives of those she doesn't know when her own life is falling apart all around her Ava's not speaking to her Jasper pushes her in training to the point of exhaustion And though Valissa does everything he wants the Prince grows distant Valissa finds the closest thing to a friend in the mysteriously dark stranger who haunts her in the stardust palace Damianos a God or angel she most definitely knows better than to trust In the Land of Gods is it really better the devil you know And what about when the devil you don't know is just so damn intoxicating What's worse than being the prisoner of a God Abandoning all hopes of freedom This is a collection of books 1-3 Books 4-6 are also

especially when escape comes in the tempting package of Damianos her mysterious night time visitor Valissa is on her own but that doesn't mean she won't tear everything down on her way to freedom The Prince made a mistake in training her up to withstand his poison Now Valissa is stronger than ever as strong as a God 5 Gods If I denied you said Phantom would you still melt to my touch Like the Prince could I become your villain and still have your affections I looked at him my lashes lowered by weariness I don't know But don't be jealous I was always thinking up ways to kill him Stolen away by Phantom Valissa finds herself tangled in a war older than herself But with her powers climbing and cruelty rising she starts to doubt her choice Phantom offers her greatness but at a price a price that carves into her a longing for her wretched Prince Poison What can be worse than running from a malicious God Running into the arms of another 6 Monsters I'm afraid she confessed looking down at my hands loose on the rails If you do this to yourself take your father's power and essence I'm afraid of what you'll become A monster She couldn't bring herself to say it again Monster My smile was dark so dark that she hesitated then took a small step back Ava I said with a buried laugh I've already become it Valissa's power burns like a murderous fire within her consuming her Now a God she must choose whether she will be cruel or fair But what remains of her humanity is destroyed by a betrayal so cutting that Valissa kills a God close to her What is worse than killing a God Perhaps killing the wrong one This is Box Set 2 of 2 It includes the last three books in the Gods and Monsters 6 book series Books 4 5 6

The Oxford Handbook of Biblical Monsters Associate Professor of Biblical Studies and Academic Dean Brandon R Grafius,Brandon R. Grafius,Adjunct Instructor in New and World Religions John W Morehead,John W. Morehead,2025 The Oxford Handbook of Biblical Monsters brings together the work of world renowned scholars in Bible theology religion and cultural studies to explore the monsters that rampage through the biblical text Essays provide in depth analysis of the Ancient Near Eastern background of these creatures explore how they have continued to live on after the biblical text and discuss how they remain impactful through art and literature today The chapters not only study where monsters came from but continually focus on what they mean and how these meanings are generated These chapters work to bridge the perspectives of traditional scholarship and more postmodern ideas of monsters as cultural and rhetorical constructions There are chapters on the Ghosts of Mesopotamia Leviathan and the Giants but also on the Monstrous Jew in the Gospels and the Monstrosity of the Crucifixion They serve both as foundational pieces of research for scholars looking to familiarize

themselves with monsters and discourses of monstrosity but also as creative and provocative examinations of how these monsters generate meaning. While working to summarize the research that has been done on biblical monsters up to the present day, this Handbook points the way forward towards new and exciting studies in unnatural creatures and the rhetoric of horror. *Living with Monsters* Yasmine Musharbash, Ilana Gershon, 2023. For every generic type of monster—ghost, demon, vampire, dragon—there are countless locally specific manifestations with their own names, traits, and appearances. Such monsters populate all corners of the globe, haunting their humans wherever they live. *Living with Monsters* is a collection of fourteen short pieces of ethnographic fiction and a more academically inclined introduction and afterword, presenting a playful, spirited, and engaging look at how people live with their respective monsters around the world. They focus on the nitty-gritty details of how to placate spirits in India, how to domesticate Georgian goblins, how to live with aliens, how to avoid being taken by Anito in Taiwan, while simultaneously illuminating the politics of monster-human relations. In this collection, anthropologists working in fieldsites as diverse as the urban Ghana, the rural US, remote Aboriginal Australia, and the internet present imaginative accounts that demonstrate how thinking with monsters encourages people to contemplate difference, to understand inequality, and to see the world from new angles. Combine monsters with experimental ethnography, and the result is a volume that crackles with creative energy, flouts traditions of ethnographic writing, and pushes anthropology into new terrains. Yasmine Musharbash is Senior Lecturer and Head of Discipline Anthropology at the School of Archaeology and Anthropology at the Australian National University. She conducts participant observation-based research with Warlpiri people in Central Australia, with a particular focus on relations among Warlpiri people on the one hand and between them and non-Indigenous people, fauna, flora, the elements, and monsters on the other. She is the author of *Yuendumu: Everyday Aboriginal Studies* (Aboriginal Studies Press, 2008) and of a number of co-edited volumes, including two about monsters that she co-edited with G.H. Presterudstuen: *Monster Anthropology in Australasia and Beyond* (Palgrave MacMillan, 2014) and *Monster Anthropology: Ethnographic Explorations of Transforming Social Worlds through Monsters* (Routledge, 2020). Ilana Gershon is the Ruth N. Hall professor of anthropology at Indiana University and studies how people use new media to accomplish complicated social tasks, such as breaking up with lovers and hiring new employees. She has published books such as *The Breakup* (2010, Cornell University Press, 2012) and *Down and Out in the New Economy* (University of Chicago Press, 2017) and has edited two other volumes of ethnographic fiction on work and animals. She has been a fellow at Stanford's Center for Advanced Study in the Behavioral Sciences at Notre Dame's Institute for Advanced Study and is currently a visiting professor at the University of Helsinki. She is presently writing a book on how working in person during a pandemic sheds light on the ways workplaces function as private governments.
