Animals and their Relation to Gods, Humans and Things in the Ancient World Raija Mattila, Sanae Ito, Sebastian Fink, 2019-03-11 While Human Animal Studies is a rapidly growing field in modern history studies on this topic that focus on the Ancient World are few The present volume aims at closing this gap It investigates the relation between humans animals gods and things with a special focus on the structure of these categories An improved understanding of the ancient categories themselves is a precondition for any investigation into the relation between them The focus of the volume lies on the Ancient Near East but it also provides studies on Ancient Greece Asia Minor Mesoamerica the Far East and Arabia

Sacred Animals of India Nanditha Krishna, 2014-05-01 Animals are worshipped in India in many ways as deities the elephant god Ganesha and the monkey god Hanuman as avatars like Vishnu's fish tortoise and boar forms and as vahanas the swan bull lion and tiger were all vehicles of major deities and are thus sacred by association Some animals like the snake are worshipped out of fear Birds such as the crow are associated with the abode of the dead or the souls of ancestors while the cow's sanctity may derive from its economic value There are also hero animals such as the vanaras and animals which were totemic symbols of tribes that were assimilated into Vedic Hinduism *Sacred Animals of India* draws on the ancient religious traditions of India Hinduism Buddhism and Jainism to explore the customs and practices that engendered the veneration of animals in India This book also examines the traditions that gave animals in India protection and is a reminder of the role of animal species in the earth's biodiversity

The Spiritual Nature of Animals Karlene Stange, 2017-10-10 Beloved Companions Kindred Spirits Karlene Stange's spiritual journey began as she drove her pickup loaded with medical supplies to attend to animals throughout southwestern Colorado where the Animas River carves the landscape As an ambulatory veterinarian she has experienced the challenges sorrows and joys of working with creatures great and small and feels a powerful kinship with these beautiful beings a bond that goes beyond flesh and fur and feathers *The Spiritual Nature of Animals* chronicles her amazing exploration through the teachings of various religious and cultural traditions as well as her encounters with the magnificent Rocky Mountain terrain and the quirky characters both animal and human who inhabit it

Porphyry: On Abstinence from Killing Animals, 2014-04-10 Porphyry's *On Abstinence from Killing Animals* is one of

the most interesting books from Greek antiquity for both philosophers and historians In it Porphyry relates the arguments for eating or sacrificing animals and then goes on to argue that an understanding of humans and gods shows such sacrifice to be inappropriate that an understanding of animals shows it to be unjust and that a knowledge of non Greeks shows it to be unnecessary There are no Neoplatonist commentaries on Aristotle s Ethics from the period AD 250 600 Thus although this work is not a commentary on Aristotle it fills a gap in this series by going to the heart of ethical debates among Neoplatonists around AD 300 and revealing one ascetic Neoplatonist s view of the ideal way of life It also records rival positions taken on the treatment of animals by Greek philosophers over the previous six hundred years **Animals in Ancient Greek**

Religion Julia Kindt,2020-07-29 This book provides the first systematic study of the role of animals in different areas of the ancient Greek religious experience including in myth and ritual the literary and the material evidence the real and the imaginary An international team of renowned contributors shows that animals had a sustained presence not only in the traditionally well researched cultural practice of blood sacrifice but across the full spectrum of ancient Greek religious beliefs and practices Animals played a role in divination epiphany ritual healing the setting up of dedications the writing of binding spells and the instigation of other magical means Taken together the individual contributions to this book illustrate that ancient Greek religion constituted a triangular symbolic system encompassing not just gods and humans but also animals as a third player and point of reference Animals in Ancient Greek Religion will be of interest to students and scholars of Greek religion Greek myth and ancient religion more broadly as well as for anyone interested in human animal relations in the ancient world Life in God's World Life Is for Ever Jamie Lr,2011-02 *Egyptian Mythology, A to Z* Pat Remler,2010

The ^AEvil Creator M. David Litwa, 2021-05-18 The Evil Creator Origins of an Early Christian Idea moves beyond previous Judaist readings to argue that the evil creator is a distinctly Christian idea in biblical interpretations Through Gnostic and Marcionite readings Litwa connects ancient analyses of God s wicked actions with analysis in modern theology

God Does Not Eat Meat Arthur Poletti, 2006 This thought provoking and controversial story cuts between a violent and bloody present world in which millions of animals are slaughtered daily to a future America where

all meat has been removed from the food chain The unlikely hero goes against the status quo with unyielding determination to set an example of the power of kindness for the benefit of his family and friends Imagine living during the period in history when meat is removed from the food chain in the United States and all slaughterhouses are closed This story can seriously change your life From time to time an ancient philosophy needs an intelligent reinterpretation in the context of the new times Men of wisdom prophets and seers must guide the common man as to how he can apply the ancient laws effectively to his present pattern of life Swami Chinmayananda

A Snarl Theology John Francis Pearring, John Sorensen, 2023-01-20 A Snarl Theology calls God a merciful creator a big picture divinity bigger than anything imaginable Scripture confirms that in the restoration of the world and all its environs there will be a settlement between God and his creatures A covenant to set animals and us back as we were meant to be I will make a covenant for them on that day with the beasts of the field with the birds of the air and with the things that crawl on the ground Hosea 2 20 Redemption is the divine act of follow through regarding covenant washing away our faults defects and foibles and taking us into the arms of the divine Are animals rewarded with redemption like us with a full restoration To imagine that God will not reward these martyred creatures who play a significant role in human redemption weakens the concept and promise of paradise Animals are sentient beyond our understanding residents in a universe where God communicates with everyone This animal kingdom theology implies that animals too hear God's voice A Snarl Theology's hope for animals to be our redemptive allies shouldn't cancel doctrine upset dogma or countermand Christianity It should increase our love of God

Michael Naas,2024-08-20 Threshold Phenomena reexamines Jacques Derrida s thinking of hospitality from his well known writings of the 1990s to his recently published seminars on the same topic The book follows Derrida s rereading of several central figures and texts on hospitality Sophocles Oedipus at Colonus Kant s Perpetual Peace Levinas s Totality and Infinity and his attempt to rethink questions surrounding not only private but also public hospitality in the form of immigration law the contemporary treatment of migrants or stateless peoples and the establishment of cities of asylum Naas develops many of the central themes of Derrida s seminar the relationship between hospitality and teletechnology telephone internet cyberspace etc the role of fatherlands and mother tongues in hospitality questions of purity immunity and xenophobia and the possibility of extending hospitality beyond the human to animals plants gods and clones Reframing Derrida s approach to ethics Naas reconsiders the relationship between hospitality and deconstruction concluding that hospitality is not merely a theme to be treated by deconstruction but one of the best ways of describing its work Naas s book turns around a figure that Derrida himself returns to several times throughout the seminar the threshold a figure of hospitality par excellence but also in his seminars another name for what Derrida in the 1960s began calling diff rance Threshold Phenomena concludes that Derrida s seminar on hospitality is one of the best introductions we have to Derrida s work in general and one of the surest signs of its continuing relevance a seminar that is at once fascinating and engaging in its own right and necessary for analyzing today s increasingly nationalistic and xenophobic political climate **Authentic Fakes** David

Chidester,2005-04-18 Authentic Fakes explores the religious dimensions of American popular culture in unexpected places baseball the Human Genome Project Coca Cola rock n roll the rhetoric of Ronald Reagan the charisma of Jim Jones Tupperware and the free market to name a few Chidester travels through the cultural landscape and discovers the role that

fakery in the guise of frauds charlatans inventions and simulations plays in creating religious experience His book is at once an incisive analysis of the relationship between religion and popular culture and a celebration of the myriad ways in which invention can stimulate the religious imagination Moving beyond American borders Chidester considers the religion of McDonald s and Disney the discourse of W E B Du Bois and the American movement in Southern Africa the messianic promise of Nelson Mandela s 1990 tour to America and more He also looks at the creative possibilities of the Internet in such phenomena as Discordianism the Holy Order of the Cheeseburger and a range of similar inventions Arguing throughout that religious fakes can do authentic religious work and that American popular culture is the space of that creative labor

Chidester looks toward a future pregnant with the possibilities of new kinds of authenticity **Making Place through**

Ritual Lea Schulte-Droesch, 2018-09-10 Indian indigenous societies are especially known for their elaborate rituals which offer an excellent chance for studying religion as practice However few detailed ethnographic works exist on the ritual practices of these societies Based on long term ethnographic fieldwork in Jharkhand India this book offers insights into contemporary previously not described rituals of the Santal one of the largest indigenous societies of Central India Its focus lies on culturally specific notions of place as articulated and created during these rituals In three chapters the book discusses how the Santal make place on different local regional and global levels through their rituals They reaffirm their ancestral roots in their land during large sacrificial rituals They offer sacrifices to the dangerous deities of the forest in exchange for rain And they claim their region to be a Santal region through large festivals celebrated in sacred groves which they link to national and global discourses of indigeneity and environmentalism Through an analysis of the rituals of a specific society this book addresses broader issues It presents an example of how to study religion as a practical activity It portrays culture specific perceptions of the environment And last the book underlines the potential that lies in choosing place as a lens to study social phenomena in context
