Gods Art:

The Drama of History Kristin Gjesdal, 2021 The Drama of History plumbs the rich relationship between drama and philosophy Kristin Gjesdal offers a lively and accessible discussion of the philosophical aspects of Henrik Ibsen's work She shows how well known nineteenth century philosophers such as Hegel and Nietzsche develop their thoughts in interaction with the dramatic arts At the heart of this interaction is a shared interest in exploring the existential condition of human life as lived and experienced in history In this sense Gjesdal engages philosophy's capacity beyond its narrow academic confines

Nicene and Post-Nicene Fathers Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume II of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover one of Augustines masterworks City of God In this groundbreaking work Augustine proposes a philosophy that sees history as having a purpose and direction Coming at a time when Roman civilization was failing this work argued that Romans could find comfort in Christianity because all of history was merely a struggle between the City of God believers and the City of Man nonbelievers Should Romans put their faith in the City of God even their declining civilization should cause them no grief Even though it was written at a very particular time in history City of God appeals to all Christians seeking inspiration to continue their religious practice

Vodou in the Haitian Experience Celucien L. Joseph, Nixon S. Cleophas, 2016-05-05 One glaring lacuna in studies of Haitian Vodou is the scarcity of works exploring the connection between the religion and its main roots traditional Yoruba religion Discussions of Vodou very often seem to present the religion in vacuo as a sui generis phenomenon that arose in Saint Domingue and evolved in Haiti with no antecedents What is sorely needed then is more comparative studies of Haitian Vodou that would examine its connections to traditional Yoruba religion and thus illuminate certain aspects of its mythology belief system practices and rituals This book seeks to bridge these gaps Vodou in the Haitian Experience studies comparatively the connections and relationships between Vodou and African traditional religions such as Yoruba religion and Egyptian religion Such studies might enhance our understanding of the religion and the connections between Africa and its Diaspora through shared religious patterns and practices The general reader should be mindful of the transnational and transcultural perspectives of Vodou as well as the cultural socio economic and political context which gave birth to different visions and ideas of Vodou The chapters in this collection tell a story about the dynamics of the Vodou faith and the rich ways Vodou has molded the Haitian narrative and psyche The contributors of this book examine this constructed narrative from a multicultural voice that engages critically the discipline of ethnomusicology drama performance art anthropology ethnography economics literature intellectual history philosophy psychology sociology religion and theology

Vodou is also studied from multiple theoretical approaches including queer feminist theory critical race theory Marxism postcolonial criticism postmodernism and psychoanalysis Library of Congress Subject Headings Library of Congress,2003

Hullah John Hullah,1843 *The Religion of the Maya* John Kampen,2025-02-10 **The Traveller in the Evening - The Last Works of William Blake** Morton D. Paley,2007-11-08 There has never been a book about Blake s last period from his meeting with John Linnell in 1818 to his death in 1827 although it includes some of his greatest works In *The Traveller in the Evening* Morton Paley argues that this late phase involves attitudes themes and ideas that are either distinctively new or different in emphasis from what preceded them After an introduction on Blake and his milieu during this period Paley begins with a chapter on Blake s illustrations to Thornton s edition of Virgil Paley relates these to Blake s complex view of pastoral before proceeding to a history of the project its near abortion and its fulfillment as Blake s one of greatest accomplishments as an illustrator In *Yah and His Two Sons* the presentation of the divine except where it is associated with art is ambiguous where it is not negative Paley takes up this separate plate in the context of artists s representations of the Laocoön that would have been known to Blake and also of what Blake would have known of its history from classical antiquity to his own time Blake s Dante water colours and engravings are the most ambitious accomplishment of the last years of his life and Paley shows that the problematic nature of some of these pictures with Beatrice Addressing Dante from the Car as a main example arises from Blake s own divided and sharply polarized attitude toward Dante s Comedy The closing chapter called Blake s Bible is on the Bible related designs and writings of Blake s last years Paley

discusses The Death of Abel addressed to Lord Byron in the Wilderness as a response to its literary forerunners especially Gessner's Death of Abel and Byron's Cain For the Job engravings Paley shows how the border designs and the marginal texts set up a dialogue with the main illustrations unlike anything in Blake's Job water colours on the same subjects Also included here are Blake's last pictorial work on a Biblical subject The Genesis manuscript and Blake's last writing on a Biblical text his vitriolic comments on Thornton's translations of the Lord's Prayer *The Rāmāyan of Vālm'ki* Ralph T. H. Griffith, M.A., 2018-07-04 The Rāman is one of the first and most important Hindu epic poems telling the story of the hero Rama as he is exiled from his home because of his father's second wife He then wanders the forests for over a decade and marries his true love Sita who is eventually kidnapped and killed by a demon king Rama goes to war with this king to avenge the loss of his wife and best friend The importance of this poem is evident in the long list of tales that followed it after its publication and the story also shows the Eastern Indian ideals of the perfect relationships faith and philosophy The poem stands alone in its grandeur and is one of the longest and grandest of epic poems ever to be written **The City of God** Aurelius Augustinus (santo), 2012 Along with his Confessions The City of God is undoubtedly St Augustine's most influential work In the context of what begins as a lengthy critique of classic Roman religion and a defense of Christianity Augustine touches upon numerous topics including the role of grace the original state of humanity the possibility of waging a just war the ideal form of government and the nature of heaven and hell But his major concern is the difference between the City of God and the City of Man one built on love of God the other on love of self One cannot but be moved and impressed by the author's breadth of interest and penetrating intelligence Publisher's website **The Religion of the Maya** Michael Edwin Kampen, 1981 William Blake on His Poetry and Painting Hazard Adams, 2014-01-10 Blake was not only a poet but also a prolific commentator on both his own art and art in general This is the first text to discuss all of the writings except the annotations to Reynolds Discourses covered in a previous volume Blake's Margins McFarland 2009 Topics include his opinions on his predecessors and his contemporaries his reaction to critics and his artistic intentions This valuable addition to Blake scholarship includes reproductions of some of the drawings and paintings in Blake's one exhibition of 1809 plus reproductions of other prose texts by Blake **The Journal of speculative philosophy**, 1867 **Library of Congress Subject Headings: F-O** Library of Congress.
