Roeger, 2022-07-20 What does God require of you Many Christians are asking this question and looking for an answer that is biblically founded You can find the answer in this book

In her previous book *God Still Speaks* Deborah Roeger outlined a sound basis for hearing from God discerning His voice and following Him more closely as we develop the habit of listening In this first volume of her series *Lost in Translation* she studies biblical obedience Rather than speaking of obedience as a list of duties she presents it as a uniquely powerful way to live This book is rooted in the stories of Scripture especially of the Old Testament From those roots the study unfolds a practical life changing approach to discipleship based on finding God s will and joyfully joining Him Each chapter provides a key verse and a number of scriptural examples to follow as we seek to become more effective disciples We do this not to earn God s favor but to align with His will and to enjoy a life of peace and communion with the God who loves us The book contains well researched word studies which link the lessons with specific key words in Scripture Each word study provides helpful insight into how that word is used biblically and how it informs our discipleship This book is intended for group study but can also be read and studied individually It is a resource for Christian education classes wanting to dig deeper into God s Word presented in the Bible

To Test the Limits of Our Endurance Shlomo Giora Shoham, 2010-03-08 A new approach to culture and cultural patterns is elucidated through relating a theory of personality and social characters to the genesis of myths and religions Cultures are classified along a continuum and their relationship to a given personality structure is based on the assumptions that cultures possess generalized traits and that these traits relate to characters of individuals Cultures like man pass through the age phases of childhood youth manhood culminating in old age It is the cultural goals and the means to achieve them that become the culture pattern What are these cultural goals How do we achieve them Every society and culture has its own indigenous mythology Myths move in time from

sacred myths recorded before history to modern myths like master detectives Sherlock Holmes and Hercule Poirot or the master spy John Le Carr's Smiley or even Superman who realizes the dreams of omnipotence among the downtrodden henpecked inhabitants of Metropolis. Thus myths provide meaning and motivation for human behavior. *Answering the Toughest Questions About God and the Bible* Bruce Bickel, Stan Jantz, 2016-10-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God: Is he real? Why are Christians so unlike Jesus? Does he really care about me? Bruce Bickel and Stan Jantz don't pretend to have all the answers. But they do know how to wrestle with doubt. They welcome questions and in these pages they ask some of the most important ones you have about God and the Bible. With candor, insight, and a disarming touch of humor, they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling, asking, and seeking Truth. There is no shame in asking; after all, even some of the greatest men and women in the Bible had doubts. Don't let your questions go unanswered. What you find might just change your life.
