G. Roger Greene

Gods Integrity And The Cross:

God's Integrity and the Cross Richard S. Taylor, Richard S Taylor, M.A., Th.D., 1999-08 In non technical terms Dr Taylor explains why Christ had to die on the cross The cross of Christ not only shows God s love for us but also satisfies God s holiness with a punishment for sin For those who accept Christ the cross not only provides forgiveness for sins but also power for holiness The cross shows God s integrity God keeps his word *Understanding the Church: God'S Alternative Society* Dr. Frankie O. Phillips Sr., 2013-10-22 This book was not written it was built I was not the architect but a laborer under the direction of the Holy Spirit whose purpose is to honor the Lord Jesus Christ It is not intended for casual reading but to inspire further study of the Word It is my hope and prayer that readers will be inspired to build upon the concept of the church as Gods alternative society It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book It is my hope that it will lead to study of the Word which reveals Jesus Christ who said I will build my church

A Theological Study of The Book of Romans Arch Bishop D.A. Miller, D.D. Ph.D., 2012-02-11 Paul addressed the Book of Romans to both Jews and Gentiles even though Rome was primarily a Gentile city Therefore it is reasonable to conclude that most believers in the churches at Rome were Gentiles The reason that this was important is that the Judaizers continued to infiltrate the local churches and Paul was determined to stop their false message of adding law keeping to grace from taking root and to demonstrate that the Gospel is for all Jews and Gentiles **INSTITUTE OF BIBLICAL STUDIES**

SPIRITUAL ASSETS Dr. Terry L. Puett D.D, Th.D, **The Entangled God** Kirk Wegter-McNelly, 2012-03-12 In The Entangled God Kirk Wegter McNelly addresses the age old theological question of how God is present to the world by constructing a novel scientifically informed account of the God world relation Drawing on recent scientific and philosophical work in quantum entanglement Wegter McNelly develops the metaphor of divine entanglement to ground the relationality and freedom of physical process in the power of God s relational being The Entangled God makes a three fold contribution to contemporary theological and religious discourse First it calls attention to the convergence of recent theology around the idea of relationality Second it introduces theological and religious readers to the fascinating story of quantum entanglement Third it offers a robust plerotic alternative to kenotic accounts of God s suffering presence in the world Above all this book takes us beyond the view of theology and science as adversaries and demonstrates the value of constructively relating these two important areas of intellectual investigation

Mimesis and Sacrifice Marcia Pally, 2019-10-17 Central to identity personal responsibility economic systems theology and the political and military imaginaries the practice of sacrifice has inspired disturbed and abused Mimesis and Sacrifice brings together scholars from the humanities military business and social sciences to examine the role that sacrifice plays in different present day settings from economics to gender relations Inspired by Rene Girard s work chapters explore i the extent to which the social character of human living makes us mimetic ii whether mimesis necessarily leads to competitive aggression iii whether aggression must be defused by aggressive

sacrificial rituals and whether all sacrifice has this aim and iv the role of the second lesson of the cross as Girard called it the lesson of self giving for others in addressing present societal problems By investigating sacrifice across this span of arenas and questions yet within one volume Mimesis and Sacrifice presents a new appreciation of its influence and consequences in the world today contributing not only to mimetic theory but to greater understanding of which societal arrangement enable us to live well together and what hobbles that goal

The Natural World and God Denis Edwards, 2017-12-31 How are we to think about the natural world around us in relation to the God of Jesus Astronomers cosmologists and evolutionary biologists have opened wonderfully new ways of seeing the community of life on Earth and its place in the universe At the same time we are facing an extreme crisis of life on our planet Both of these realities demand that we rethink our theology of animals plants ecosystems as well as galaxies and stars In this book Denis Edwards collects together a series of explorations into this kind of theology

The Angelic Conflict Pastor Robert R. McLaughlin, 2012-05-03 Robert R McLaughlin is the pastor of Grace Bible Church in Somerset Massachusetts and the President of Robert McLaughlin Bible Ministries Both ministries are non denominational grace ministries dedicated to teaching the Word of God from the original languages and making it available at no charge throughout the world For over 30 years Pastor McLaughlin has taught from the original languages of scripture The Ministry is dedicated to equipping the believers in the Lord Jesus Christ to live the life that the Lord has designed for them This is a life of contentment and strength as we go through the inevitable problems and challenges that life brings Like it or not believe it or not we are all a part of an Angelic Conflict One can hardly live in today s society and not come across the concept of good versus evil Books movies video games news it is found everywhere It is actually a measure of Satan s genius that he uses all of these things to disguise obscure and pervert the truth This book explains why most people including many Christians are unable to associate the events of their lives with the big picture the Angelic Conflict itself The Bible teaches that before the creation of man a conflict arose between God and His angels when Satan attempted to ascend to the Mount of Heaven and wrestle God s ruler ship away from Him The resulting battle left the surface of the earth in ruins at this point the earth was packed in ice Presumably it was at this time that the trial occurred in which Satan and the angels that followed him were found guilty and sentenced to the Lake of Fire Since Satan is obviously not yet in the Lake of Fire the logical conclusion is that he appealed his sentence We can speculate a number of grounds on which he is making this appeal One is an accusation against God s character that we hear often enough in life How can a loving God cast His creatures into hell To answer this appeal God created man a lower being and set him in the great stadium of earth for all the angels to observe God would take on the form of this lower being Himself He would allow sinful man to abuse and mock Him and finally to nail Him to a Roman Cross in an attempt to destroy Him Our Lord Jesus Christ would then bear the penalty for the sins of all mankind By doing so He neutralized the claims His justice had against us so that we could live with Him and fellowship with Him forever This book unlocks the secrets of the Angelic Conflict

 GETCHASOME David Douglas The Absence of Justice Paul E. Leightner, 2003-07-14 Tragedy is a common experience that
 causes many believers to feel betrayed by God Job was declared righteous by God yet suffered a series of horrible tragedies
 Most people are ill prepared to deal with tragedy resulting in bitterness that hinders their faith and growth Like Job they
 cannot understand how a benevolent God can allow evil things to happen to good people Job's friends come to comfort him in
 his distress but instead attack him viciously because their creed declares that he must have blasphemed and sinned to
 deserve this punishment Job held the same beliefs but denies any wrongdoing and ultimately sues God for a reason for his
 suffering God then asks a series of questions that for Job are unanswerable But modern science knows the answers to God's
 questions This gives rise to a surprising eschatological interpretation This book develops a solution to the age old problem of

Clendenin, Martha W. Homme, 2002-07 *A Theology of Paul the Apostle, Part One* G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul s letters within their historical matrix The work Theology of Paul the Apostle is presented in two parts Part One Paul s Eschatological Gospel addresses matters relevant for Paul s appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul s Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul s theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul s theology and the understandings of Paul must be established point by point Paul s theology has continuing relevance within the very different matrix of a postmodern world The Answer to Nearly Everything Peter Franklin, 2012-02 The only information we have on Atlantis is from a very ancient Egyptian account that describes it as bigger than all their neighbours combined Why is this fact ignored by most of the fanciful theories From Atlantis to our current scientific predictions the truth about so many things becomes clear and obvious only if all the facts are collected and examined yet many people just select those that agree with their thinking The resulting conflict between experience and belief truth and distortion or good and bad is only resolved when science philosophy and theology are harmonized and examined as aspects of one universal truth Glimpses of God Cookie Magee, DMin, 2023-04-24 Glimpses of God are opportunities to recognize with greater clarity the presence of God in the various places people events circumstances objects and languages of our daily life I offer them to you as an opportunity to reflect on how much God is a part of your life and how He has chosen to be in relationship with you how you have chosen to be in relationship with Him and how through this relationship you become one of His greatest Glimpses They are glimpses because we can miss them if we are not paying attention If we open our heart to His love our ears to hear his gentle whisper our eyes to see His light our hands to feel His hand in ours and our feet to walk with Him then we are growing in our relationship with our God and exuding His presence in a clear and vibrant way I believe that it is in and through this relationship that we are able to recognize His invitation to be a Glimpse to others on our life I believe it is then that we see more clearly His presence within ourselves As we recognize His presence within ourselves and strive to see it more readily in others then we grow not only in love with our God self and others we are filled with a deeper peace a greater joy and a sense

of being beloved If we are open to sharing these gifts with others then we too are being a Glimpse of God to those in our family our neighborhood our community our society our church our friends those we encounter on a daily basis and even the stranger
