**The Home and Foreign Record of the Canada Presbyterian Church**, 1864 [The Day God Explained Himself](#) David W. Palmer, 2014 Jesus is the master communicator He is the best teacher using the best technique to convey the most crucial content ever disclosed to man Jesus reveals God s purpose for us He also shows us how God interacts with man and how his kingdom system works Jesus ministry led up to and continued to build on the foundation of a specific explanation he gave of God and his system This happened on a particular day The Day God Explained Himself If we miss the significance of

that day and if we don't put sufficient emphasis on the value of Jesus teaching on it we could miss God's best for our lives. We could spend the bulk of our Christian walk on course askew from God's pathway. This in turn could lead to frustration, unproductive beliefs, religious self-effort, blaming God, or justifying fruitlessness. This book pinpoints the heart of Jesus teaching. If we make this our focal point, the remainder of Jesus teaching, his ministry, and other New Testament writings will fall into place.

*Defending Inerrancy* Norman L. Geisler, William C. Roach, 2012-01-01 According to the authors, the doctrine of inerrancy has been standard, accepted teaching for more than 1,000 years. In 1978, the famous Chicago Statement on Inerrancy was adopted by the Evangelical Theological Society, and for decades it has been the accepted, conservative evangelical doctrine of the Scriptures. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now, eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the Chicago Statement, and his coauthor William C. Roach present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God, truth, and language. Pastors, students, and armchair theologians will appreciate this clear, reasoned response to the current crisis.

*Hebrews (2 volumes in 1 / ESV Edition)* R. Kent Hughes, 2015-05-31 The book of Hebrews conveys a double dose of spiritual power; it not only presents the supremacy of Jesus Christ, unlike any other New Testament book, but it also repeatedly demands a heart response from the reader. No one can study Hebrews and not grow spiritually as he or she comes face to face with God's one and only Son. In this insightful commentary, readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked. With divisions and outlines that are never forced but flow naturally from the text, this updated volume in Crossway's *Preaching the Word* series will be a great resource for anyone studying or teaching the book of Hebrews. Part of the *Preaching the Word* series.

*God's Generation of Hope* Carl Barrett, 2024-11-27 In a day and age where society and culture are veering further away from the teachings of God's word, in homes globally, it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land. Undoubtedly, these times of confusion in the home, schools, and communities are escalating each passing day, creating more division and disheartenment. With all the spiritual threats robbing people's children of hope, something within the walls of the home must change for the well-being of these young ones. Today more than ever, if parents and family leaders don't engage with their children and rein in these apparent issues, they will continue to see a generation of people spiraling out of control. This book, *God's Generation of Hope*, is going to reveal some heart-wrenching and eye-opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God. Someone must take ownership immediately for the children's state of spiritual survival. Parents' action is needed today to instill the Living Hope in the lives of the younger generation like never before.
