**Penetrating God's World with the Gospel of Christ** Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you Experiencina God's Grace in Your Trials Tommy Romans, 2019-11-06 Have you ever wondered what life was like in the Garden of Eden before Adam and Eve sinned What did it really feel like to live in such a wonderful and charming place of perfect peace and harmony It was surely paradise for our first parents There was not a trace of evil not a hint of anything bad that would hurt or mar until the great tempter showed up The Bible calls him the devil our archenemy and master of deceit whom Jesus describes as a thief who comes to steal kill and destroy Satan appeared to Eve as a beguiling harmless serpent but since then has taken many subtle and artful forms As you prayerfully read from these inspired pages the author takes you through the Bible on a thrilling adventure that will hold you in suspense as you watch the battle between the forces of good and evil take place The stage is being set and the final battle of the ages is now beginning to unfold and will soon take place between God and Satan It is a battle for the souls of man You will see Satan's many cunning tactics and come to understand the devices he uses to lead people away from a loving God and cause them to fall and fail Are you going through a trial or being tempted Is there something you are up against and battling Are you or someone you know suffering some hardship and have fallen victim to Satan and failed Don t give up You will discover in this book God's redeeming grace You will behold God's salvation and love for His children like you have never witnessed Through the pages you will see Him reaching to the lost and confused to the troubled and hurting You will discover God s saving and delivering power is much greater than Satan You will find He s

greater than any and all failure and sin no matter how big or bad You will behold His forgiveness and cleansing and see lives transformed and healed When you finish reading this God inspired work you will be able to recognize Satan's many deceiving ways You will be able to see right through every temptation and lie of your enemy and avoid hurt and disaster in your life your home and church This book will teach you how to put on the whole armor of God and be an overcomer You will understand God's quidance and learn His voice that will keep you safe In the midst of your trials you will learn to trust God hold on to faith and come out victorious Dear reader there is hopeGod is still making winners May God bless you as you start Of Seeds and the People of God Michael P. Knowles, 2015-02-06 Preachers mount the pulpit steps terribly burdened by the conviction that they are somehow responsible for the growth and spiritual well being of their congregants How they ask themselves can mere words communicate the reality of God bring life to a congregation or foster spiritual growth This study argues that effective sermons function much like Jesus parables by bearing witness to divine power Parables and preaching both testify to something beyond themselves to a life giving dynamic that far outstrips the force of words alone Preachers are not go betweens or gatekeepers for the kingdom of heaven rather they imitate Jesus by dying to themselves in the very act of proclamation relying directly on God for their sermons to bear fruit As well as offering a novel interpretation of Jesus agricultural parables Of Seeds and the People of God presents a Christ shaped theology of preaching Beyond exeges or rhetoric alone faithful proclamation is a question of spirituality of preachers and listeners together yielding to God s gift of new life God at Work Miss Nan,2010-08-16 Jesus and the Reign of God Choan-Seng Song, 1993-01-01 Song s theology is a startling rebuke to Christologies centered either in historical critical searches or church doctrines For Song theology is the biography of God and God's reign is evident in stories of God's saving presence in Jesus The reign of God in Jesus becomes manifest through movements of people to be free from the shackles of the past to change the status quo of the present and to have a role to play in the arrival of the future
