Gods Of The New Millennium:

Angels, Demons & Gods of the New Millenium Lon Milo Duquette,1997-09-01 Are angels and demons real What makes the New Age the New Age Does consciousness survive death Writing from the perspective of a practicing ceremonial magician one of America s most knowledgeable and engaging authorities on Western Hermeticism answers these questions and many more with humor and personal anecdotes Illustrated and with color fold out *Gods of the New Millennium* Alan F. Alford,1996 [God.com](http://www.god.com) John Arthur Henderson,2002 *Beyond 2012: Catastrophe or Awakening?* Geoff Stray,2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date **The Real Name of God** Rabbi Wayne Dosick,2012-05-29 Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God s real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God Of the many names of God commonly used in the Bible and other sacred literature none is God s real name Every God name including YHWH reflects only one of God s many aspects such as the loving creator the militaristic authoritarian or the all knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can t truly know something until you know its name how can we truly know God The culmination of years of translation research and etymological investigation Rabbi Wayne Dosick s work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to

finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within each of us This in depth exploration of God s name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all

Understanding Biblical Israel Stanley Ned Rosenbaum,2002 According to Stanley Rosenbaum the Bible resembles what a family would retrieve after a tornado hits a trailer park some of the family s own possessions mixed with those of others overlapping contradicting and disordered Understanding Israelite History is a revolutionary attempt to fill in the many gaps left in the historical record Rosenbaum begins by demonstrating that Israel s religion was not a clean divinely inspired break with humanity s past but derives from the long sweep of events that began when Homo sapiens first acquired language Strata of earlier religions are still visible beneath the surface of Israelite monotheism Early Israel was not one man s family however dysfunctional It was a collection of individuals and groups mainly outcasts or lower social elements who coalesced into a nation and developed though they did not always follow a religion of ethical monotheism and principles of democratic government and social justice that still today move and inspire more than half the world s population Like all religions Israel s was shaped by the language in this case Hebrew in which it is expressed Expressing monotheism in a language that is essentially dualistic conduced to the suppression of the female elements of earlier religions which had nurtured Israel s religion and consequently to a lack of appreciation for the part played by women in Israel s religious life This skewed view of Israel s religion and its history that the Bible contains is a result of its having been collected edited and in part written by Judeans southern survivors and heirs of David s kingdom who were moved to record it in the wake of the destruction of Jerusalem in 586 BCE

Dale Click,2004 Are we facing a moral crisis in today s world Perhaps so judging by the daily headlines that parade the ethical failings of numerous public figures before us

It seems that more traditional role models whether in the worlds of business government sports or sadly even the ministry than ever are disappointing us and falling short of expectations and fostering cynicism rather than idealism But these lapses are hardly limited to well known people Many surveys have made us aware of a cavalier approach to values in general such as rampant cheating from term papers to tax returns So how can we arrest this decline and instill a greater sense of character in our lives Character is an elusive term but we usually use it to describe the quality of a person s inner being their moral fiber In this insightful set of meditations E Dale Click suggests that the way to develop character is to put God at the center of our lives And he points out the Ten Commandments and the Beatitudes provide us with the blueprints to enjoying life These essays illustrate that the timeless yet timely guides to living in God s laws the commandments and his declarations the beatitudes exemplify all the admirable characteristics of the godly character filled life Labeled the architect of the United Lutheran Church in America s church wide evangelism mission E Dale Click practiced evangelism in his own pastorate in two suburban congregations and three central city churches He has directed evangelism missions in the United States Canada Puerto Rico the Virgin Islands and Argentina teaching thousands of pastors and lay people the meaning of evangelism The author of five books Click continues to serve as a consultant to numerous congregations and universities in evangelism and development as well as lecturing and preaching across the United States **And tomorrow is a new day** Mahala

Sanchez, Menachem Sanchez, 2025-09-10 Those who go through life attentively recognize many connections and inevitably come across the question Is the world a coincidence or is everything predetermined by God And what role do we ourselves play in this with our own actions Especially in our turbulent times the attentive observer has many opportunities and points of reference to reflect on themselves and their surroundings and thus experience or relive karmic currents Perhaps you can learn a lot about yourself or gain new insights revisit places and times from your past and understand your own karma an experience that can point the way forward Shamans, Nostalgias, and the IMF Laurel Kendall, 2009-09-01 Thirty years ago anthropologist Laurel Kendall did intensive fieldwork among South Korea s mostly female shamans and their clients as a reflection of village women s lives In the intervening decades South Korea experienced an unprecedented economic social political and material transformation and Korean villages all but disappeared And the shamans Kendall attests that they not only persist but are very much a part of South Korean modernity This enlightening and entertaining study of contemporary Korean shamanism makes the case for the dynamism of popular religious practice the creativity of those we call shamans and the necessity of writing about them in the present tense Shamans thrive in South Korea s high rise cities working with clients who are largely middle class and technologically sophisticated Emphasizing the shaman s work as open and mutable Kendall describes how gods and ancestors articulate the changing concerns of clients and how the ritual frame of these transactions has itself been transformed by urban sprawl private cars and zealous Christian proselytizing For most of the last century Korean shamans were reviled as practitioners of antimodern superstition today they are nostalgically celebrated icons of a

vanished rural world Such superstition and tradition occupy flip sides of modernity's coin the one by confuting the other by obscuring the beating heart of shamanic practice Kendall offers a lively account of shamans who once ministered to the domestic crises of farmers as they address the anxieties of entrepreneurs whose dreams of wealth are matched by their omnipresent fears of ruin Money and access to foreign goods provoke moral dilemmas about getting and spending shamanic rituals express these through the longings of the dead and the playful antics of greedy gods some of whom have acquired a taste for imported whiskey No other book length study captures the tension between contemporary South Korean life and the contemporary South Korean shamans work Kendall's familiarity with the country and long association with her subjects permit nuanced comparisons between a 1970s then and recent encounters some with the same shamans and clients as South Korea moved through the 1990s endured the Asian Financial Crisis and entered the new millennium She approaches her subject through multiple anthropological lenses such that readers interested in religion ritual performance healing gender landscape material culture modernity and consumption will find much of interest here

God, Knowledge, and the Good Linda Trinkaus Zagzebski, 2022 This book collects thirty five years of papers in philosophy of religion by Linda Trinkaus Zagzebski The eighteen papers are edited and divided into eight topical categories 1 Foreknowledge and Fatalism 2 The Problem of Evil 3 Death Hell and Resurrection 4 God and Morality 5 Omnisubjectivity 6 The Rationality of Religious Belief 7 Rational Religious Belief Self trust and Authority and 8 God Trinity and the Metaphysics of Modality

The Perfect 10 Michael G. Moriarty, 1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they're what happen when we confuse liberty with ignoring the rules of the road That's why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God's concern for our welfare and his understanding of the indelible truths that govern our world our relationships and our inner being One by one Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far reaching application for us today For the Perfect 10 remain the ideal ethical compass They help us align our lives with the character of God and to a world hurtling blindly

down the dead end road or moral relativism they point the way back to sanity restoration and life For the Love of the World Edwin Zackrison, 2021-08-04 The world can be subject to interpretations that cause Christians to disagree and even fight Interpretations often end in startling disputes For some that world includes the inheritance of denominational interpretations Historically conditioned conclusions are taken out of their context Booklets have been produced for young people that largely define the world as dancing smoking drugs music theater and music This book will not spend time on these parochial notions Rather it will deal with God's love for the world While Christians are often warned against the world God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him
