HOW THE MEETING of  
NATIVE and COLONIAL RELIGIONS  
SHAPE EARLY AMERICA

RUSSELL BOURNE

GODS of WAR,  
GODS of PEACE

RUSSELL  
BOURNE

Prize for **The Star-King's Sacrifice**

"Only available, and thought-provoking. With the aid of maps and diagrams, it is done in a clear and colorful way that can be read by anyone." —*The Washington Times*

"Bourne's account of events leading up to the conflict is especially enlightening. . . . Well researched and well written." —*Library Journal*

Prize for **Flamingo War**

"The presentation is so convincing that it is almost impossible to read without feeling that the author is a participant in the events." —*Library Journal*

## **Gods Of War Memoir Of A German Soldier:**

Gods of War Hans Werner Woltersdorf,1993-07-01      Gods of War Hans Werner Woltersdorf,1990      *Frontsoldaten* Stephen G. Fritz,1997-06-19 Drawn from letters diaries and memoirs this impressive study presents a rounded detailed picture of the daily life for frontline Nazi soldiers Publishers Weekly Stephen G Fritz explores the day to day reality of the average German infantryman or Landser during World War II Through letters diaries memoirs and oral histories most of which describe life on the Russian front Fritz presents a richly textured portrait of the Landser that illustrates the complexity and paradox of his daily life Although clinging to a self image as a decent fellow the German soldier nonetheless committed terrible crimes in the name of The Third Reich When the war was finally over and his country lay in ruins the Landser faced a bitter truth all his exertions and sacrifices had been in the name of a deplorable regime that had committed unprecedented crimes With chapters on training images of combat living conditions combat stress the personal sensations of war the bonds of comradeship and ideology and motivation Fritz reveals war through the eyes of these self styled little men

*Revolutionary Armies in the Modern Era* S.P. Mackenzie,2013-01-11 This presents a major re evaluation of the standard view of revolutionary armies the range of attitudes towards the role of heroic individuals the formation and leadership of armies and the differences and similarities between such armies Beginning with an exploration of the New Model Army of the 1640s a force whose name itself seems to denote its revolutionary credentials the author presents ten case studies from around the globe including the American War of Independence The French Revolution The Zulu Boer War the Waffen SS and the Viet Cong Through a detailed analysis of source material he examines the images connected with these armies both historical and recent and assesses these images in their socio political and nationalist contexts      Waffen-SS Adrian Gilbert,2019-06-25 From an award winning and bestselling historian the first comprehensive military history in over fifty years of Hitler s famous and infamous personal army the Waffen SS The Waffen SS was one of the most feared combat organizations of the twentieth century Originally formed as a protection squad for Adolf Hitler it became the military wing of Heinrich Himmler s SS and a key part of the Nazi state with nearly 900 000 men passing through its ranks The Waffen SS played a crucial role in furthering the aims of the Third Reich which made its soldiers Hitler s political operatives During its short history the elite military divisions of the Waffen SS acquired a reputation for excellence but their famous battlefield record of success was matched by their repeated and infamous atrocities against both soldiers and civilians Waffen SS is the first definitive single volume military history of the Waffen SS in more than fifty years In considering the actions of its leading personalities including Himmler Sepp Dietrich and Otto Skorzeny and analyzing its specialist training and ideological outlook eminent historian Adrian Gilbert chronicles the battles and campaigns that brought the Waffen SS both fame and infamy

**The World within War** Gerald Linderman,2013-10-16 Gerald Linderman has created a seamless and highly original social history authoritatively recapturing the full experience of combat in World War II Drawing on letters and diaries

memoirs and surveys Linderman explores how ordinary frontline American soldiers prepared for battle related to one another conceived of the enemy thought of home and reacted to battle itself He argues that the grim logic of protracted combat threatened soldiers not only with the loss of limbs and lives but with growing isolation from country and commanders and ultimately with psychological disintegration

**Motivating Soldiers** Peter Karsten,1998 First published in 1999 Routledge is an imprint of Taylor Francis an informa company

**Poland Alone** Jonathan Walker,2011-08-26 Poland was the tripwire that brought Britain into the Second World War but it was largely the fear of the new Nazi Soviet Pact rather than the cementing of an old relationship that created the formal alliance But neither Britain nor Poland s older ally France had the material means to prevent Poland being overrun in 1939 The broadcast Poland is no longer alone had a distinctly hollow ring During the next four years the Polish Government in exile and armed forces made a significant contribution to the allied war effort in return the Polish Home Army received a paltry 600 tons of supplies Poland Alone focuses on the bloody Warsaw Uprising of 1944 when the Polish Resistance attempted to gain control of their city from the German Army They expected help from the Allies but received none and they were left helpless as the Russians moved in The War ended with over five million Poles dead three million of whom died in the concentration camps Jonathan Walker examines whether Britain could have done more to save the Polish people in their crisis year of 1944 dealing with many different aspects such as the actions of the RAF and SOE the role of Polish Couriers the failure of British Intelligence and the culpability of the British Press

**Gods of War** James Lacey,Williamson Murray,2021-05-18 Hannibal vs Scipio Grant vs Lee Rommel vs Patton The greatest battles commanders and rivalries of all time come to life in this engrossing guide to the geniuses of military history A compelling study of military leadership James M McPherson Pulitzer Prize winning author of Battle Cry of Freedom Any meeting of genius may create sparks but when military geniuses meet their confrontations play out upon a vast panorama of states or civilizations at war wielding the full destructive power of a mighty nation s armies Gods of War is the first single volume in depth examination of the most celebrated military rivalries of all time and of the rare world changing battles in which these great commanders in history matched themselves against true equals From Caesar and Pompey deciding the fate of the Roman Republic to Grant and Lee battling for a year during the American Civil War to Rommel and Montgomery and Patton meeting in battle after battle as Hitler strove for European domination these match ups and their corresponding strategies are among the most memorable in history A thrilling look into both the generals lives and their hardest fought battles Gods of War is also a thought provoking analysis of the qualities that make a strong commander and a deep exploration of the historical context in which the contestants were required to wage war all told with rousing narrative flair And in a time when technology has made the potential costs of war even greater it is a masterful look at how military strategy has evolved and what it will take for leaders to guide their nations to peace in the future

*The Journal of Military History*,2005

**Bibliography On Holocaust Literature** Abraham J Edelheit,Hershel Edelheit,1990 A second supplement

which contains 4000 new entries to keep pace with the outpouring of literature on the Holocaust Readers attention is directed to new materials and to items newly available including books pamphlets and journal articles many of which are catalogued for the first time     *Historical Abstracts* ,1991     **United States Naval Institute Proceedings** ,1991

Victory Over Defeat Marilyn Morris Markwald,2010-10 In 1949 on a blind date I was introduced to a charming student from Germany who was studying at the Chicago Lutheran Theological Seminary in Maywood Chicago suburb Illinois Eight months later Rudi Markwald and I were married During the first years of our marriage he was reluctant to talk about his war experiences but as time passed while he was serving parishes from Illinois to Santiago Chile and we were rearing four children he began to talk about the years of growing up in Berlin during the rise of Hitler of serving three years in the Luftwaffe in Russia and as infantryman at the Battle of the Bulge With the self assurance of a true mystic he told of his turn around confrontation with God while he was a prisoner of war During numerous visits to post war Berlin I came to know his family and friends I played cards and board games with them while listening to their stories stories told by ordinary non political people who had been caught under a totalitarian government that was relentless and unyielding toward anyone who thought outside the box I tried to persuade Rudi to write all this down but his reply was always Who would want to read it We were not heroes resistance fighters religious objectors or political agitators We were just ordinary middle class citizens who struggled through WWI inflation anarchy depression National Socialism war and defeat hoping after each crisis that things would get better He did admit to keeping some abbreviated diaries which I eagerly opened but the entries were in his own German shorthand which I could not decipher Finally he agreed that perhaps the grandchildren would find a small memoir interesting but he insisted that I write it because he was busy writing some church history paper In close consultation with him and in his voice I began piecing together a chronological account of his life before our marriage The events are actual but because his memory was fading I reconstructed some conversations and changed the names of most not all of the characters The narrative was finished and waiting for publication but Rudi did not live to see his memoir published At the age of 91 his heart gave out and he died in the faith that he lived and preached for sixty years     **Clash of the Gods of War** William Westerman,Nicholas Floyd,2020-03-01 The Great War confronted Australia s fledgling field and garrison artillery forces with a seemingly insurmountable challenge to rapidly raise prepare deploy and engage in history s most lethal war to date By 1915 the Australian artillery entered into a bloody contest of learning and adaptation against resourceful and resolute opponents where the stakes would be measured in thousands of soldiers lives Far from popularly held views of the Great War as one of stalemate and stagnation Clash of the Gods of War Australian Artillery and the Firepower Lessons of the Great War reveals a dynamic and rapidly evolving battle scape as artillery planners on each side sought to combine innovative concepts technology and tactics into victory The book draws on an unparalleled array of perspectives on artillery and firepower presented by Australian and international experts and practitioners over four years during the Firepower

Lessons from the Great War seminar series commemorating the Centenary of Anzac From Anzac Cove to the Hindenburg Line Clash of the Gods of War tells a gripping Australian story of the Great War through the lens of artillery the most lethal and influential arm of the war and considers the legacy that its evolutionary journey holds for warfare today **Biography**

**Index** Bea Joseph,1991 A cumulative index to biographical material in books and magazines U.S. Naval Institute  
Proceedings United States Naval Institute,1991 *AB Bookman's Weekly* ,1993 **Whitaker's Book List** ,1991

**Fracture: A Memoir** Arlen Rundvall,2009-09-11 Experience bipolar and addiction from the inside out Arlen rescues a trapped person on the riverbank Arlen struggles to make the call to his family for help We see the origin of his drug problem with unresolved mourning and guilt over the death of his father and brother We watch his escapades and adventures with the various drugs and parties in Banff and Vancouver He rock climbs mountain bikes waiters and skis under the influence We follow Arlen through his geographical escapes and slip with him into drug induced insanity Arlen does make the call for help and is picked up by his brother and taken to Detox Arlen fights with sanity and falls into a suicide attempt and we trace his steps into the psyche center He climbs back into sanity and faces the Detox and Rehab program Arlen finds new life in religion and works at a camp and goes to college He works the northern mission field and cracks up We follow him back in time to the Garden of Eden and beyond sanity He is once again hospitalized and strikes his manic depressive cycle and stride He wrestles with the illness and doctors and medication The psyche ward is the backdrop for his theatre Arlen fights with the illness to bring it to a balance His manias become too dangerous with a back flip in the river He gives up his highs and lessens his depression He heads to Cuba to counter the winter effect that induces his mania Arlen goes high and frolics with the locals and tourists He loses his mind and talks to his dad in the mirror and discovers his healing forgiveness Arlen visits locals in their home and leaps from psychosis toward sanity and peace
