**God's Own Crop** Judith Lane, 2004-08 The right of a government to govern its citizens must be based on the consent of those citizens who will be governed Union is trying to preserve a unity of states and Confederate is trying to preserve its right to govern itself What the Underground Railroad is doing is right for the families who have stopped at our Station The LAW says what we did is wrong In our estimation slavery is totally wrong So believed my great grandparents who understood the Civil War was more than it has since become understood to be I pray that as a country we come to the point where we are truly all equal where the color of a man s skin is not even a consideration much less an issue Perhaps our great grandchildren will be able to overcome this war but I do not believe it will be in our lifetime Not in our children s children s lifetime

**The Social Teachings of Rabbinic Judaism (3 vols)** Jacob Neusner, 2021-10-11 The systematic and orderly presentation of the Halakhah normative law of Rabbinic Judaism in its formative age makes its principal statements in response to a program of social reconstruction it speaks through the details of norms of law about the community Israel Rabbinic Halakhah lays out a social philosophy of an coherent and encompassing character Part 1 Corporate Israel and the Individual Israelite In the first part of the project on Corporate Israel and the Individual Israelite we ask where and how the Halakhah sorts out the relationships of the individual and the community the realm of responsible action and particular responsibility assigned by the Halakhah to each Prophecy from Moses forward and the Halakhah from the Mishnah onward concur that the condition of all Israel dictates the standing of each individual within Israel and further concur that each Israelite bears responsibility for what he or she as a matter of deliberation and intention chooses to do If individuals were conceived as automatons always subordinated agencies of the community or if the community were contemplated as merely the sum total of individual participants a particular social teaching would hardly demand attention But Scripture continued in the Mishnah Tosefta the two Talmuds and Midrash insists that Israelites are individual responsible for what they do and further that corporate Israel on its own not only as the sum of individual actions forms a moral entity subject to judgment So these are the governing questions How to sort out these intersecting matters then the obligations of the community the responsibilities of individuals How does the social teaching of Rabbinic Judaism hold together doctrines of individual obligations to Heaven and mutual responsibilities on the one side with all Israel's commitments and public convictions on the other Part 2 Between Israelites Part 2 turns to relationships between Israelites with particular attention to those that require resolving conflict Once the law recognizes not only Israelites but the integrity of corporate Israel how does it regulate relationships within the framework of that corporate community By regulating relationships the sages will have understood relationships of competition contention and conflict Those of collaboration consensus and cooperation require no regulation on the part of constitutive law they regulate themselves by their nature people keep rules Then at issue are where the corporate community intervenes to protect its interests in relationships between and among individual Israelites and how it

does so The exposition then follows the laws presentation of those relationships as integral to the larger system of Rabbinic Judaism and its plan for its Israel s public life hence once more the focus on large constructions category formations that are integral to the main beams of the Halakhic system and structure Part 3 God s Presence in Israel Part 3 raises the third and final question of the social order God s role in society For Rabbinic Judaism to be Israel means to live in God s kingdom under God s rule in a very particular way That imperative addresses not individuals alone or mainly but rather corporate Israel that is the entire social order It encompasses not merely feelings or attitudes but registers in the here of tangible transactions and in the now of workaday engagements not only in some distant time The generative question of this third and concluding part of the study of the social t      *God's Own Empire* Raghu Palat,Pushpa Palat,2025-07-26 Marthanda Varma ruler of the princely state of Travancore in southern Kerala from 1729 to 1758 was an extraordinary warrior and statesman Varma played a pivotal role in expanding the kingdom s boundaries and fending off the Europeans who coveted his kingdom His navy defeated the Dutch in the Battle of Colachel in 1750 It was the only instance of an Indian kingdom defeating a European power on the sea At the height of his power Varma handed over the kingdom to Lord Ananthapadmanabha the reigning deity of the kingdom In future he and his heirs would rule over the kingdom as the dasas of the deity      **The Theology of the Halakhah** Jacob Neusner,2001 Neusner proves that the law of normative Judaism the Halakhah viewed whole with its category formations read in logical sequence tells a coherent story He demonstrates that details of the law contribute to making a single statement one that moreover complements and corresponds with that of the Aggadah the lore and scriptural exegesis of Judaism He has now portrayed for the first time the way in which Aggadah and Halakhah attitude and action belief and behavior join together to set forth normative Judaism the vast system for holy Israel s social order of the Mishnah Talmud and Midrash of late antiquity      The social teaching of Rabbinic Judaism Jacob Neusner,2001      **Metropolitan Pulpit and Homiletic Monthly** ,1892      **A Girl After God's Own Heart Bible** Elizabeth George,2022-09-27 More than just pretty and pink this Bible helps tween girls ages 8 12 get the most out of their time in God s Word and better understand what they are reading Bestselling author and respected Bible teacher Elizabeth George shows girls how to grow and bloom in their walks with God Based on Elizabeth s popular book of the same name *A Girl After God s Own Heart Bible* in easy to read New Living Translation has everything tween girls need to become lifelong students and lovers of God s Word Special features include Book introductions Elizabeth includes helpful overviews brief lists of important lessons quick guides showing where to find important information and one sentence prayers Short biographies these informative snapshots help readers get to know many of the women and girls in the Bible Devotions girls will practice planting passages of Scripture deep into their hearts What God Says About brief summaries of the truths of Scripture show girls how to apply them to their everyday lives Did You Know these interesting facts on people places and things help girls get to know the world of the Bible Open Your Heart in just a sentence or two Elizabeth invites girls to apply a specific truth from God s Word to their hearts and lives

Griswold, 2022-05-24 Encountering the living Word in the words of the Bible. When we read Scripture, we learn about God. When we pray the Scriptures, we experience the mystery of Jesus Christ and inhabit his life. In this book, Mark McIntosh and Frank Griswold bring to bear their decades of combined experience in both the church and the academy to introduce and explore the idea of praying the Scriptures. As McIntosh and Griswold demonstrate, this contemplative approach to the Bible integrates theology and spirituality and fosters genuine hope by bringing us into an encounter with the living Word. After first laying the foundation of what it means to pray the Scriptures, the authors guide the reader through vital biblical passages from different points in the church year, showing how the seasons of the liturgical calendar provide the soil in which the seeds of the Gospel can be nourished by the Holy Spirit.
