University, 1994 **Simply God** Rick Richards, 2011-10-10 When pastors and evangelists preach they try to convince you to change your lifestyle now This is not their fault They know that they have to do this They have to get you close to God because time could be short That is not equipping and preparing Equipping and preparing means giving you the tools of the trade That is living God's Word and how to plan to do this The Word teaches that pastors are to equip the servants All that time convincing and not equipping is destroying God's world Jesus equipped and encouraged God's children and changed the world What is our excuse We need to divert all our mental and physical abilities to become like Jesus and begin to feel these changes in our bodies We have to stop becoming people of behaviors Over many generations we have reacted to what we have seen and heard and to the pleasures the world has given us We don't look and listen to God anymore because he doesn't give us what we want when we want it When the world sees this it gives us what we want and we take it We are not patient enough God gives us what we need As long as the world dangles that carrot in front of our faces we will continue to pull that heavy burdensome load of sin and pain It is only by seeing and hearing what God does in this world to bless his children that will show us how his grace and greatness will tower above our fears **Romancing God** Lynn S. Neal, 2006-12-08 In the world of the evangelical romance novel sex and desire are mitigated by an omnipresent third party the divine Thus romance is not just an encounter between lovers but a triangle of affection man woman and God Although this literature is often disparaged by scholars and pastors alike inspirational fiction plays a unique and important role in the religious lives of many evangelical women In an engaging study of why women read evangelical romance novels Lynn S Neal interviews writers and readers of the genre and finds a complex religious piety among ordinary people In evangelical love stories the success of the hero and heroine's romance rests upon their religious choices These fictional religious choices readers report often inspire real spiritual change in their own lives Amidst the demands of daily life or during a challenge to one's faith these books offer a respite from problems and a time for fun but they also provide a means to cultivate piety and to appreciate the unconditional power of God's love The reading of inspirational fiction emerges from and reinforces an evangelical lifestyle Neal argues but women's interpretations of the stories demonstrate the constant negotiations that characterize evangelical living Neal's study of religion in practice highlights evangelicalism's aesthetic sensibility and helps to alter conventional understandings both secular and religious of this prominent subculture **God Has a Plan for Your Life** Charles F. Stanley, 2008-06-08 While you may not understand all the twists and turns of life you can be sure of one thing the same God who created you loves you God's personal promise to you is one of extreme hope and potential Jeremiah 29:11 He also has an awesome strategy for your future No matter what failure you have experienced in the past you can learn how to make right
