Everything You Always Wanted to Know About God (but were afraid to ask) Eric Metaxas,2009-01-21 Who doesn t have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he s written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn t science make God obsolete What s the real story on miracles If God is everywhere why go to church Don t we already have God within us Isn t God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don t hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has *Kingdom Family* Trevecca Okholm,2012-02-09 There is a lot of talk these days about how churches need to become more missional and Kingdom focused but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God Christian families know that God has a better purpose for marriage and family but often don t have the slightest idea how to get there And while many books on Christian marriage and family are inwardly focused on simply getting along better this book addresses the cultural influences that have taken our focus away from God s intended purpose

for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity **The 52 Greatest Stories of the Bible** Kenneth Boa, John Alan Turner, 2008-09-02
