Wechter, 2014-12-23 I understand that it is indeed tough to be a man in God's economy but we are called to be leaders and to walk in Christ's footprints Our society has a difficult time placing man in a satisfactory role that would complement the Madison Avenue advertising group or the image makers of Hollywood They have decided the roles of leader head of household faithful husband and father and moral compass don't seem to fit anymore This thinking is totally unacceptable and should raise flags of discontent in every Christian household As a group in today's world men need to take back the responsibilities that they have either given away or have had stolen from them and collectively become the men that Jesus spoke about in his word There is no excuse for behavior that is not pleasing to God and therefore not profitable to any man Do not let your earthly condition dictate your spiritual position **The Comeback God** Michael Cooper-White, The thesis helps the reader understand that the Yahweh of Israel and the God who raised Jesus often appearing throughout history to be down for the count has an amazing come back ability In the current postmodern context where many despair of faith and seem to circle back to the 1960's conclusion that God is dead the book will hold forth a reason to believe and a pathway to probe more deeply in contemporary images and language the age old truth and traditions of faith [God's Amazing](#)

[Atonement](#) Pastor Rod Thompson, 2022-10-16 Like so many other topics from the Bible the subject of atonement is exceedingly broad However you must study earthly sanctuary services priestly ministry Tabernacle furniture sacrifices and all of the shadows types and symbols that they represent if you want to understand God's reconciliation plan for mankind In this book Pastor Rod Thompson draws on his decades of studying Bible prophecy to explore how God plans on restoring harmony with the universe and Himself Part of the answer is Christ's death on the cross But God's amazing atonement plan includes so much more than that From the beginning of sin until the consummation of all things God is working His plan of redemption atonement and reconciliation and Jesus's death on the cross is only one part of it Find out what atonement really means and embrace the full picture of salvation with the insights and lessons in *God's Amazing Atonement* *Foundation* *SAMPLER* James L. Nicodem, 2012-12-13 Enjoy these SAMPLE pages from *Foundation* Can the Bible be trusted Do we even know where it came from and how it got to us What makes this book so special Questions like these have nagged at the
