The Prisoner's Cross Peter B. Unger, 2019-10-25 The saving grace of God in Christ as a liberating experience of faith lies at the heart of The Prisoner's

Cross The message is timeless and has its source in Jesus s ministry and mission Both Jop a former POW and Don a graduate student at different times and in different ways are in desperate need of this liberation Jop serves as a witness to the power that grace has to liberate one from the worst possible tragedies and trauma they can experience in life Don serves as one who desperately needs to hear this message Don stands in for many Christians and spiritual seekers in our time Like them Don finds himself grappling with the lasting issues of injustice suffering and evil Shaped by the influences of modern secularism and repulsed by the idolatry of church institution alism Don feels he has had the rug of a vital and relevant faith pulled out from under neath him Like many Don feels an unresolved anger even rage over the senseless injustices in his life that neither the institutional Christianity he encounters or the secular culture that marginalizes and pervades it have an antidote for

Theology, Empowerment, and Prison Ministry Meins G.S. Coetsier,2022-09-26 In Theology Empowerment and Prison Ministry Meins G S Coetsier offers a new scholarly account of Karl Rahner s theological anthropology and the prison pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner s views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community

Life-study of Ephesians Witness Lee,2023-09-27 The subject of the book of Ephesians is the church There are seven aspects of the church revealed in Ephesians The church is the Body the new man the kingdom the family the dwelling place the bride and the warrior If we put together all these seven aspects of the church we see a wonderful picture of the church as the Body to express Christ as the new man taking Christ as the person as the kingdom with rights and responsibilities as the family with life and enjoyment as God s dwelling place for God to live in as the bride for Christ s satisfaction and as the warrior for fighting the battle and defeating the enemy so that God can accomplish his eternal

purpose This is the church The Life study of Ephesians also gives a clear view of the contents of the book of Ephesians In chapter one of Ephesians we have the blessings God s selection predestination sonship holiness redemption sealing pledging and much more Then we shall see the prayer of the Apostle for a spirit of wisdom and revelation to know the hope of God s calling to see the glory of God s inheritance among His saints and to realize the greatness of the power that has been wrought in Christ to produce the Body Then in chapter two we see the production of the church the nature of the church the vision of the church the building of the church and the function of the church In chapter three we see the revelation of the mystery and the ministry of the stewardship concerning the church Following this we see Paul s prayer for the strengthening of our inner man so that Christ may make His home in our heart that we might be filled with all the fullness of God This causes us to have the practical experience of Christ Then as revealed in the last three chapters we shall know how to walk on earth to bear responsibility and to fight the battle for God s purpose This is the content of the book of Ephesians
