Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4:6 says that God's people are destroyed through lack of knowledge This book

provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son *The Wonder Working Power of Imagination* Neville,2015-09-24 If one is looking for answers to the meaning of life and how to make a happier richer existence e g relationships finances health then Nevilles teaching from personal experience testimonies from students and his amazing visions paralleling and explaining the mysteries of the Old and New Testament will answer those questions Learn his techniques unleash your power to create believe in your imaginary acts and no power in this world can stop the desired results from appearing in your world Its the only creative power one that everyone is operating moment to moment Learning how to direct it deliberately is essential to producing loving positive changes in ones life These 1963 lectures also begin a nine year odyssey of discovering the deepest meanings of six visions of the end that had unfolded in Neville 19591963 The visions are the signs that this long journey as limited man the terrible opacity and contraction is over that the purpose of human life has been completed man has endured and overcome six thousand years of amnesia plus the fires of experience and has emerged victorious Hes been transformed by his inner being I Am or God back into the divinity he truly is and always was *Candidate's Handbook* Thomas Zanzig,2001 Our Candidate s Handbook has been completely redesigned in full color and is now both a valuable resource and a lifelong keepsake for the candidate The content closely mirrors that of the Catechist s Guide Functioning as a workbook and a reference the handbook features clear concise summaries of core theological content and includes central Catholic beliefs key Scripture passages inspiring quotes and Catholic quick facts **The Holy Bible, In the Authorized Version: pt.
