Kettler, 2010-06-01 How does one deal with despair Are joy and despair irreconcilable How does the joy and despair of Jesus Christ relate to our joy and despair

Continuing to explore the implications of the vicarious humanity of Christ as he did in *The God Who Believes* Christian Kettler investigates the christological implications of the all too human phenomenon of despair All people experience the pain of personal loss and lack of the meaningfulness of existence We also desire and covet joy as difficult as it is often to define or maintain Jesus was both the man of sorrows and one who for the joy set before him endured the cross Heb 12 2 Can we think of the despair of Christ and the joy of Christ as both being vicarious in our place and on our behalf and thus have a theological way to possess joy in the midst of despair as well as to have a more robust theology of the atonement Drawing on wide ranging resources from Augustine Calvin Karl Barth and T F Torrance to Bob Dylan the fantasy writer Ray Bradbury and Ed Wood the director of *Plan Nine from Outer Space* Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh filled with real despair and joy and find that Jesus is there with his own despair there to lift us up with his own joy

WARNING LIGHTS James Tarter,2016-06-11 **FEELINGS** God created us with a natural signal system to alert us to issues that we need to evaluate and handle well with our wise loving Creator He gives us some other emotions for us to enjoy as they help us grow in Christ Jesus Too often we handle our

feelings in worse ways I write to believers in Jesus who know God and His love well enough to want Him to lead them at all times Many do like I have done I want this until something happens that gets to me and then I find myself doing my own thing instead of letting God lead me In this book we consider our Creator s good purposes for giving us feelings of anger fear fearfulness guilt pain depression grief love joy peace satisfaction contentment excitement and more We see God s ways to handle each feeling and see how each can work against His best provision for any person God will provide this best to all who continue to do like Jesus He let His Father lead Him at all times **The Twenty-eight Fundamentals** Russell R.

Standish, Colin D. Standish, 2005 **Issues In The Tissues** Millicent Robinson, 2021-03-11 Give not fear to your pain nor let financial complexities prevent success You may have health issues that may be challenging but be proud of who you are and keep your focus You are unstoppable this is your season and there is no reason to doubt The woman with the issue of blood only touched the hem of Jesus s garment and immediately she was healed Never belittle the issues you face in your tissues Deem it as a purpose for God to invest in you Great investment does not come overnight but through processes Job said Though he slays me yet will I trust him Job 13 15 If that wasn t enough Job questioned If a man dies shall he live again All the days of my appointed time will I wait until my change comes Job 14 14 Holding back your dreams is not an option and doubting will only set you back Believe in yourself be positive about life and you have potential Don t be weighed down by fear anxiety and unforgiveness Though caused by traumatic events they are only issues The term issues in the tissues refers to the state of our emotional being stored in our bodies Our heart is the center of our emotions We deal with personality mood temperament interconnectedness motivation disposition experience and illness These are issues that when locked in the tissue they will suppress your emotions The fact is you need to release your tensions get past your past because failure to do so will have your past holding you hostage Your yesterday is past and will speak for itself live in your today as your tomorrow isn t promised Built up issues are dangerous to the breaking down of cells within the body causing physical barriers that will affect the exporting and receiving of messages from the mind communication When the mind is released you also release the cluster of confusions that cause heaviness in the head which often feels more like an eruption is about to take place at any time Letting go of strongholds can be very difficult but rewarding At the end of the day with the release of the mind you are no longer experiencing chaotic health issues but rather are in your right frame of mind I am sincerely confident that there is life beyond your circumstances It s not about money or riches for that too will pass It s not about education careers success or lifestyle that brings out that great significance in you but it is about centering your mind on your Creator the great master controller of your holistic body By him your issues and tissues were formed and molded But thou art he that took me out of my mother s womb thou didst make me hope when I was upon my mother s breast I was cast upon thee from the womb Thou are my God from my mother s belly Psalm 22 9 10 KJV Thine hands has made and fashioned me together round about yet Thou do destroy me Remember I beseech thee that thou have made me as the clay and wilt thou

bring me into dust again Has thou not poured me out as milk and curdled me like cheese Thou hast clothed me with skin and flesh and has fenced me with bones and sinews Thou hast granted me life and favor and thy visitation hath preserved my spirit Job 10 8 12
