Gods Touch Faith Wholeness And The Healing Miracles Of Jesus

Bruce G. Epperly, Daryl Hollinger

Gods Touch Faith Wholeness And The Healing Miracles Of Jesus:

God's Touch Bruce Gordon Epperly, 2001-01-01 The mounting evidence of the interconnectedness of spirituality health and medicine suggests giving new attention to the healing ministry of Jesus Through a fresh reading of the Gospel narratives Bruce Epperly reveals the centrality of whole person healing within Jesus mission as teacher and social reformer and stresses that churches should seek to recover a healing ministry that touches both the spirit and the body God's Touch traces the links between Jesus approach to wholeness of mind body spirit and relationships and the practices of complementary and alternative medicine today

Angels, Mysteries, and Miracles Bruce G Epperly, 2017-08-14 There is a tendency among modern Christians to avoid comment on the idea of miracles or mysterious events that might indicate the direct intervention of God There is an even more pronounced belief that modern liberal or progressive Christians will avoid these ideas A God who is distant the source of everything is acceptable but the idea of supernatural activity is embarrassing at best There is virtually no room for theological discussions of angels demons and paranormal experiences Bruce Epperly is a process theologian and a leading thinker in progressive Christian theology and he believes we need to take another look at God and God's involvement in the universe in which we live Rather than finding ways to defend the intrusive interventions of a distant supernatural God in the traditional sense of the word miracle Bruce sees God as closer so close in fact that God is part of all events God providentially acts in all things not in terms of outside intervention but through ongoing natural interactions that change our lives and the world Join Dr Bruce Epperly as he explores a world of wonders in which is God uncomfortably and comfortingly subtly and actively present

Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship's 2012 Award of Excellence 2011 Book of the Year Christianbook.com's Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports [Foundation Theology 2005](#) [Lirio Corporation, 2005](#)

Messy Incarnation Bruce G. Epperly, 2022-09-07 The incarnation is a central Christian doctrine Many books have been dedicated to attempting to understand its mystery and how it fits with the rest of Christian theology But what about the way this doctrine can and should impact the way we live Process theologian and pastor Bruce Epperly addresses this topic in this easy to read but challenging book Starting with a look forward in Advent and moving through the seasons of the Christian

year and indeed of life he examines different elements of both the story and the doctrine From expectation we move through the various messy ways in which God acts Christmas Epiphany Pentecost and the emerging kingdom of Christ This book is theology where it meets practice reflection put into practical action and ethics drawn from the deepest wells of the Christ story It will drive you deeper into scripture and spiritual growth from a variety of perspectives and sources reflecting the chasms crossed in the one very messy incarnation

Graduate Theological Education and the Human Experience of Disability Robert C Anderson, 2012-10-12 Create pathways in theological education and congregational practice for people with disabilities Graduate Theological Education and the Human Experience of Disability examines graduate schools of theology and their limited familiarity with the study of disability and the presence of people with disabilities in particular on their campuses Dubbed a missing note by one theologian this text offers critical research and illuminates new pathways for theology and practice in the community of faith Reviews of previous literature theology and practices illuminate how people with disabilities have historically been marginalized by the religious community Theologians people with disabilities and researchers offer suggestions for incorporating disability studies into theological education and religious life This text contains firsthand testimony from people with disabilities who are the necessary sources of wisdom for overcoming barriers By infusing education into existing theological curriculum seminaries may better prepare their students for leadership and ministry in their congregations People with disabilities number 18% of the population yet represent only 5.7% of congregational membership This book explores aspects of theology and disability such as the challenges faced by theological schools that desire to improve both theological curriculum and facilities a review of literature that connects theology and disability from sources such as scripture history faith traditions and social theory the various ideologies that shape the way the human body is understood redefining normal in theological education an overview of critical boundaries that mark the limits and possibilities for theological inquiry about the human experience of disability creative concepts that religious communities may use to better include people with disabilities and their families how the religious community may benefit from the gifts talents and leadership of people with disabilities Graduate Theological Education and the Human Experience of Disability contains a reprint of Dr Harold Wilke's landmark 1978 article from Theological Education published by the Association of Theological Schools Dr Wilke born without arms was the theologian minister and scholar who first articulated the need to address the human experience of disability in both theological education and congregational life With extensive biographies and inclusive liturgies this innovative text is a valuable resource for seminary professors and leaders clergy and disability advocates

Process and Pastoral Care Bruce G Epperly, 2019-02-07 This concise book the sixth short guide on process theology and its practical implications by Dr Bruce Epperly applies process thought to the calling and activities of pastoral ministry Short and to the point as are all books in the Topical Line Drives series this text will provide pastors and others involved in caregiving ministries a new and adventurous way of thinking about and meeting the challenges of their

vocation God is already present in the hospital room and even the funeral home You have the opportunity to experience the vision of what can happen when we discover that God is always opening up new possibilities empowering us to partner with God in healing the world and strengthening us for and comforting us in the difficult times of life Learn to connect more closely to the divine and the human to see more clearly and to participate more completely as God does A practical deeply theological and challenging guide to the adventure of pastoral care *Spirits of the Lesser Gods* Rhonda

McClenton,2007-02 Reiki is an emerging adjunctive therapy that claims to provide physical and psychological healing as well as an experience of spiritual connection It is increasingly employed in counseling centers hospitals and even churches Reiki is believed by many to be a safe non invasive healing intervention that draws individuals towards God Reiki practitioners maintain that they imitate Jesus laying on of hands and claim that their praxis is essentially the same as the healing used by Jesus as well as by Buddha An ethnographic multi case study was performed comparing the experiences of nine individuals four who received Reiki therapy and five who received Christ based hands on healing The long interview format was employed The transcribed data were coded and analyzed for similar and distinct themes In addition a brief survey was utilized to determine the spiritual interests and involvement of each participant and the spiritual consequences of their healing experiences The findings indicate that Reiki healing is distinct from that which is depicted in the Bible Reiki appears to open up individuals to an energy based healing modality that is spiritual in nature but is not specifically Christian As reported by Reiki practitioners it is a spirituality which welcomes shamanism psychic healing clairvoyance spirit guides and a host of other metaphysical practices as individuals become more intimately involved In addition the research demonstrates that Reiki therapy over time can cause physical emotional and spiritual harm The writer contends that biblical healing which at its core is soteriological and dependent upon the ministry of the Holy Spirit heals mind body and spirit without harmful consequences **Reiki Healing Touch** Bruce G. Epperly,Katherine Gould Epperly,2005 One of the first books to offer a

broadened understanding of the spiritual depth of Reiki healing touch by examining it in the light of one of the world s enduring religions Explore the origins of Reiki and the Hebraic roots of Jesus own healing ministry and discover the use of Reiki in church hospital and hospice settings as well as in the context of the treatment of cancer chronic and terminal illness and death and bereavement Bruce and Katherine Gould Epperly also provide healing rituals and spiritual practices that will help practitioners consciously integrate the inner and outer healing journey **The Analogy of Love** Gary

Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it

accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Healing Marks

Bruce G Epperly, 2012-11-05 Bruce Epperly calls *Healing Marks* a very personal book as it comes from over thirty years of experiencing the healing stories of Jesus From his early years as a young college professor he sought to make sense of the growing interest in complementary and alternative medicine For seventeen years Bruce was a chaplain and professor at Georgetown University School of Medicine and was among the first to teach courses on spirituality and medicine at a major medical school While embracing Jesus healing ministry as a pastor professor reiki teacher and spiritual guide he has also wrestled with the meaning of Jesus healing ministry and God's role in healing and sickness in a personal way as a pastor friend child spouse and parent in hospital rooms hospices gravesides and healing services I have heard testimonies about the power of God to cure illness but I have also sat at the bedside of dying friends and congregants who have done everything right according to the principles of their faith traditions and philosophies personal and intercessory prayers positive thinking and affirmations meditation and diet complementary medical treatments and visits to faith healers and energy workers along with the best modern medicine has to offer in treatment and palliation says Bruce Each chapter includes a spiritual practice related to the healing story being considered that is easily shaped for the reader's personal and spiritual needs Rev Epperly also includes questions and spiritual practices for group study and spiritual formation at the end of the book Chapter titles include Transforming Faith Forgiveness and Healing Healing Takes Time Healing Broken Spirits A Healing Lifestyle Healing in a Pluralistic Age and God Why am I Sick

Jesus as Healer Jan-Olav Henriksen ,Karl Olav Sandnes ,2016 Healings and miracles play a prominent role in the New Testament accounts of Jesus life and ministry In the Western Christian tradition however Jesus works of healing tend to be downplayed and understood as little more than a demonstration of his divine power In this book Jan Olav Henriksen and Karl Olav Sandnes draw on both contemporary systematic theology and New Testament scholarship to challenge and investigate the reasons for that oversight They constructively consider what it can mean for Christian theology today to understand Jesus as a healer to embrace fully the embodied character of the Christian faith and to recognize the many ways in which God can still be seen to have a healing presence in the world

Process

Theology: A Guide for the Perplexed Bruce G. Epperly, 2011-03-24 This is an introductory guide to Process Theology for undergraduates As part of Continuum's Guide for the Perplexed series this text provides an accessible introduction to process theology aimed at nurturing the theological imagination of undergraduates pastors and interested laypersons It describes the major themes of process theology and relates them to the everyday lives and spiritual commitments of people today In addition to addressing traditional theological issues Epperly addresses cutting edge issues in theology and ethics such as pluralism and postmodernism matters of life and death science technology and genetics and emerging forms of Christianity This text is designed for seminary and university classes as well as congregational study It will help readers to overcome the

obstacles created by the technical language often employed by process theologians. Continuum's Guides for the Perplexed are clear, concise, and accessible introductions to thinkers, writers, and subjects that students and readers can find especially challenging or indeed downright bewildering. Concentrating specifically on what it is that makes the subject difficult to grasp, these books explain and explore key themes and ideas, guiding the reader towards a thorough understanding of demanding material.

Healing Worship: Bruce G. Epperly, 2006-10-01. *Healing Worship: Purpose and Practice* is a resource to enable pastors and other church leaders to integrate healing services into the total life of the church using a wholistic approach that connects healing liturgies with the theology, pastoral care, and social concerns of the church. This book provides practical tools for healing homilies and liturgies, theological reflection on the healing ministry of the church, pastoral self-care, and congregational health care ministries.

Holistic Spirituality Bruce G. Epperly, 2014-02-17. The book of James has gotten a bad rap amongst Christians, especially modern Protestants. It's often considered not as theologically serious as the writings of Paul, nor as gracious as the gospels. For some, it's too works-oriented; for others, just a bit obscure. Some have even questioned whether it is truly a Christian book. Let's face it: You're much more likely to see a seminary course on Romans or Galatians than on James, or to hear a sermon for that matter. Bruce Epperly doesn't agree with that perspective. Not only does he think James has something important to say about the way we live as 21st-century Christians, just as it did for 1st-century Christians, but he also doesn't think James is in opposition to Paul. He suspects the two apostles would have had no difficulty with each other's theology. In this third volume of the Topical Line Drives series, he aims to direct readers to the important message of this little book for contemporary Christians. He provides a fresh orientation and focus to understanding the message. Once you've read his thoughts, you'll likely never read James in the same way again. Certainly, you won't dismiss it.

From a Mustard Seed Bruce G. Epperly, Daryl Hollinger, 2010-07-21. Small congregations can have beautiful worship. In *From a Mustard Seed: Enlivening Worship and Music in the Small Church*, an experienced pastor, professor, and an experienced church musician provide a model for faithful and excellent worship in congregations that average 75 or fewer people in weekly worship. While the limitations of small congregations are obvious to their members and leaders, the possibilities for creative music and worship are often greater than we can imagine. Epperly and Hollinger integrate theology, spiritual formation, and practical guidance for nurturing diverse, inspirational, and transforming worship in small congregations. Grounded in a solid theology of worship, they provide tried and true approaches to congregational music and singing, worship planning, liturgies that transform, and healthy partnerships between pastors and church musicians. God is present in small congregations, and the authors help pastors, church musicians, and active laypersons awaken to God's activity in every aspect of worship and music. They illuminate possibilities for opening to God in worship and music through their own stories, the stories of congregations, and their pastors' practical counsel, spiritual practices, and theological reflection.

Process Theology and Healing Bruce G. Epperly, 2023-12-05. Religious and spiritual healing practices are often seen as a

show in which a healer claims to physically cure someone through actions or words These healings mostly fail In this booklet the third of three that integrate process theology with contemporary spiritual life and activity Bruce Epperly presents a very different view of healing He calls for a healing ministry but one that finds God in all things and uses scientific medicine healing ritual practices and prayer in concert sometimes for spiritual healing but also for a way to live out the challenge of illness to face death with dignity and yes sometimes for a cure that appears miraculous He applies these healing practices not just to human beings but to all life and to the planet we live on Healing is not the province of a few calling on supernatural forces Rather it is a cooperation with the energies God has placed in the universe Rather than supernatural it is more natural than anything Epperly is a specialist in bringing difficult concepts to life for everyone He combines that skill with the short format of the Topical Line Drives series to present a call for all of us to be healed and to become healers as part of God's call to life and light This book may well be the call you need to hear to find wholeness Shalom in your life and your relationships to others and this world

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Healing in the Bible Frederick J. Gaiser, 2010-10-01 In the midst of an ongoing debate about health care what does the Bible say about healing Here a respected scholar reads biblical texts on health and healing with care and imagination engaging the reader in lively conversations with the text and with questions of contemporary theological and pastoral concern Gaiser offers close readings of fifteen key Old and New Testament passages considering their significance for the church's understanding of healing and its ministry today The book examines such significant matters as God's role in healing the relation between sickness and sin healing and prayer God's healing and medical science and healing under the sign of the cross offering fresh insights for anyone interested in Christian views on healing

Disability and Christian Theology Embodied Limits and Constructive Possibilities Deborah Beth Creamer, 2009-01-05

Attention to embodiment and the religious significance of bodies is one of the most significant shifts in contemporary theology. In the midst of this, however, experiences of disability have received little attention. This book explores possibilities for theological engagement with disability, focusing on three primary alternatives: challenging existing theological models to engage with the disabled body; considering possibilities for a disability liberation theology; and exploring new theological options based on an understanding of the unsurprisingness of human limits. The overarching perspective of this book is that limits are an unavoidable aspect of being human, a fact we often seem to forget or deny. Yet not only do all humans experience limits, most of us also experience limits that take the form of disability at some point in our lives. In this way, disability is more normal than non-disability. If we take such experiences seriously and refuse to reduce them to mere instances of suffering, we discover insights that are lost when we take a perfect or generic body as our starting point for theological reflections. While possible applications of this insight are vast, this work focuses on two areas of particular interest: theological anthropology and metaphors for God. This project challenges theology to consider the undeniable diversity of human embodiment. It also enriches previous disability work by providing an alternative to the dominant medical and minority models, both of which fail to acknowledge the full diversity of disability experiences. Most notably, this project offers new images and possibilities for theological construction that attend appropriately and creatively to diversity in human embodiment.

Gods Touch Faith Wholeness And The Healing Miracles Of Jesus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gods Touch Faith Wholeness And The Healing Miracles Of Jesus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gods Touch Faith Wholeness And The Healing Miracles Of Jesus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gods Touch Faith Wholeness And The Healing Miracles Of Jesus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify

the authenticity of the source before downloading Gods Touch Faith Wholeness And The Healing Miracles Of Jesus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gods Touch Faith Wholeness And The Healing Miracles Of Jesus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Gods Touch Faith Wholeness And The Healing Miracles Of Jesus Books

What is a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Gods Touch Faith Wholeness And The Healing Miracles Of Jesus PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or

various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
