Gods Voice From The Void:

God's Voice Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen 3 A Thousand Gods The Cry Of The Void Francisco Jerbesson De Freitas Morais,2025-07-30 Eternal Age of
