Godshould I Be Baptized:

God ... Should I be Baptized? Laurie Donahue,Ralph Rittenhouse,2005 Baptized into God A.A. Walker,2014-05-08
This book is an intriguing study on two controversial topics baptism in the name of Jesus Christ and the oneness of God
Baptism has been a theme of contention for many centuries yet the Biblical and historical records teach us the simplicity of
this topic The second area of fiery debate revolves around the identity of God and the monotheistic cry of the Scripture Being
both a research oriented and scholarly publication the reader will find themselves being challenged as they are confronted
with the truth from the Bible and the witness of history while reclining at the metaphorical table of scholarly disputation This
work is for the hungry heart the academic mind the inquisitive lovers of the Scripture and those with questions that need to
be addressed As the reader is challenged to explore the evidence with the author the testimony of scholarship and most
importantly the veracity of the Word they will find themselves in a position calling them to respond to such discoveries This
study will trouble stagnant waters and compel the reader to consider the unequivocal GodJesus Christ *God Should I Be
Baptized?* Laurie Donahue,Ralph Rittenhouse,2002-11-01 This study introduces children and teens to God to baptism and to a
new lifein Him Presented in two formats one for children and one for teens *The oeconomy of the covenants between God
and man, comprehending a complete body of divinity ... Faithfully translated from the Latin, and carefully revised, by William
Crookshank, D.D. To which is prefixed The life of the author* Herman WITS,1803 Baptism Larry E. Dyer,2020-07-28
Answers to the most important questions about Christian baptism Baptism is a step of obedience for every believer but
behind this simple act lies a rich tapestry of Christian belief and teaching In the second edition of this short volume Larry
Dyer responds to the most common questions Christians have about baptism in nontechnical language making it ideal for
personal or small group study He explains what baptism is what it means why it is necessary and what the mode of baptism
should be He also addresses whether infant baptism should be practiced and whether baptism contributes to a believer s
salvation He ends the book with practical advice for how to prepare for and enjoy one s experience of baptism Find the
Pastor s Dozen deal here to purchase a set of 12 copies to share with your congregation **Infant Baptism God's
Ordinance** Michael Harrison,C. Matthew McMahon,2016-05-30 Is this just another book on infant baptism No It is possibly
the best succinct yet comprehensive work on the subject ever written by a puritan It was originally a longer series of sermons
that Harrison preached to his congregation many of whom were Baptist at the time At their request he placed his thoughts
into a concise treatise that covers all the main points needful in understanding the biblical position of infant inclusion in the
Covenant of Grace and infant baptism Harrison s work is so acute in its biblical presentation of the truth of Scripture that the
reader cannot be but left in awe of his masterful exactitude to God s mind on the issue of infant inclusion in the Covenant of
Grace and the application of the sign of the covenant to every visible member in the church He gives the reader an
introductory lesson on the Covenant of Grace and those parties involved by way of its membership and then proceeds to

teach the reader why infants are to be baptized Harrison deals hermeneutically with 9 biblical arguments on the issue two of which are his most important foundational chapters setting the stage for the rest of the book He also shows the danger of shutting infants out of the kingdom of heaven and answers all the main objections to Antipaedobaptist theology on the issue He ends the work with a chapter on the right mode in which baptism should take place along with a chapter on applying the truths of the study to the life of the members of the covenant community Without sounding clichéd this work is among the top works ever written on the subject and in my estimation is irrefutable The unbiased reader will have no issues with Harrison's biblical exposition and logic driven inference It is a powerhouse puritan work that every Paedobaptist ought to read for support and every Antipaedobaptist ought to read to untangle their dispensational theology Harrison says that Antipaedobaptism is to be justly abhorred as false doctrine and proves this to the reader beyond a reasonable doubt This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions
