Godsight Prince Kaywood, Prince M Kaywood, Jr, 2005-02 Prince M Kaywood Jr was born in New Orleans Louisiana on the west bank side of the Mississippi River In the early eighties he became a student of metaphysics and went on to become a lecturer on subjects such as meditation reincarnation and dreams After having a personal experience with God s light he became aware of the diversity and the magnitude of God From his experience he understood that God permeates everything and that he exists in Heaven in his purest form and also on earth in us He realized that because of this connection God communicates with us with a language that can be taught it is alive like life itself and it is life RED, BROWN, YELLOW, BLACK, WHITE -- WHO'S MORE PRECIOUS IN GOD'S SIGHT? Howell,2013-09-24 Throughout the Bible divine interaction with humanity is portrayed in almost embarrassingly human terms He sees hears thinks feels runs rides chariots laughs wields weapons gives birth and even repents Many of these expressions taken at face value seem to run afoul of much classical theology including divine simplicity transcendence omniscience omnipotence omnipresence and especially immutability Traditionally these texts have been seen as accommodations to human intellectual and moral limitations That is they were deemed as giving God a more approachable feel but not as representing any real part of his character being or

interaction with humanity For example references to God seeing or hearing are not deemed to represent real acts as God already knows everything However this view is largely based on an Aristotelian conception of metaphors as rhetorical devices not vehicles that carry any truth content Since the 1970s the understanding of how metaphors convey meaning has taken great strides These advances can help unlock how divine action often inadvertently flattened under theological presuppositions functions within a text This book aims to explore the biblical metaphor of divine sight and how current understandings of metaphorical function can enrich our reading of the text and its theology
