Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author's years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today's wounded world

**Kingdom Come** Gregory J. Liston, 2022-07-28 Engaging eschatology as a pivotal vantage point this book utilizes the methodology of Third Article Theology to examine the intrinsically pneumatological relationship between the Church and the coming kingdom The overarching thesis developed is that exploring the relationship between Church and kingdom through the lens of the Spirit enables the construction of a nuanced account of the Church's ongoing transformation an eschatological Third Article Ecclesiology The Church as pictured in this volume is the proleptic anticipation of the coming kingdom Through enabling Christ's kingly presence the Spirit draws back to the present Church characteristics of the coming kingdom This

enriches influences and transforms the present Church towards its intended telos *Deep Stuff* Michael Riddell, 2004 *Deep Stuff* is a contemporary tale of five young urbanites who share a flat as well as a desire to find meaning in their lives Riddell through very engaging dialogue invites us into their lives as they live together go through their daily routines and get under each other's skin

**Retrofuture** Gerard Kelly, 1999 Gerard Kelly explores the bewildering complexity of life today and the responses it demands from us How do we gain a foothold in this new cultural landscape Culture demands that we reroute Survival demands that we reroot
