Goethe's Faust John R. Williams,2020-01-30 Originally published in 1987 this is a thorough and lucid introduction and commentary to the whole of Goethe s Faust It gives the student of German and European literature valuable insights into the

most important work of Germany's foremost poet. German quotations are translated or paraphrased in English and a detailed knowledge of German literature is not assumed. The book traces Goethe's work on the play over 60 years of his creative career and surveys its critical reception over the 200 years since its first appearance. Part One is analysed as a mimetic tragedy. Part Two as an historical and cultural profile of Goethe's own times. The commentary guides the reader carefully through its subtleties and multi-layered references and provides a broad and coherent structure for the overall understanding of the work. It suggests provocative interpretations of some figures and episodes in Part Two and places renewed emphasis on parts of the work that often receive relatively little attention. An appendix surveys the metres and verse forms of the play.

Goethe's Faust Hans Schulte, John Noyes, Pia Kleber, 2011-05-05 Faust has been called the fundamental icon of Western culture and Goethe's inexhaustible poetic drama is the centrepiece of its tradition in literature, music and art. In recent years this play has experienced something of a renaissance with a surge of studies, theatre productions, press coverage and public discussions. Reflecting this renewed interest, leading Goethe scholars in this volume explore the play's striking modernity within its theatrical framework. The chapters present new aspects such as the virtuality of Faust, the music drama, the modernization of evil, Faust's blindness, the gay Mephistopheles, classic beauty and horror as phantasmagoria and Goethe's anticipation of modern science, economics and ecology. The book contains an illustrated section on Faust in modern performance with contributions by renowned directors, critics and dramaturges and a major interview with Peter Stein, director of the uncut millennium production of Expo 2000.
