## **Going For The Gold In Discipleship:**

*Going for the Gold in Discipleship* William Pile, Carmelita Pile, 1989-06-01      *Discipleship in a Digital Age* Emmanuel Elendu, 2017-07-03 Discipleship in a Digital Age is an inspired spiritual and Christian lifestyle guidebook that exhorts present day believers to rekindle a spirit of mentorship and discipleship such that the church can become strengthened in a day where direction and leadership is often lacking WestBow Editorial Review Discipleship in a Digital Age aims at teaching or instructing Christians to personal and practical ways of living for the Lord daily in a digital age It is a discovery a talent hunt that laces traditional discipleship blueprints with the reality of today's demanding moments of technology and Internet It uses the basic tenets of discipleship to model the Christian man's approach to life in the face of our changing culture it emphasizes the need for mentoring training and sustainable weaning and learning in the wake of Christian engagement without due process to ministry assignment      **Digging for Gold** Emmanuel Elendu, 2015-05-29 Digging for Gold comes to fill the need to teach sound and balanced biblical truths Emmanuel Elendu draws from his years in ministry and professional practices to lead groups and training classes Elendu uses the question model in his study designs The book deals with topical and contemporary issues to address simple but practical Christian living Digging for Gold serves as a resource for Christian workers The stories and styles of presentation meet students at a crossroads while leading to the truth and the life When you invest in stocks and bonds you expect a good return on investment with promising market dynamics As you study with Digging for Gold the return on your investment will be worth something more than gold      *Milarepa and the Art of Discipleship I* Sangharakshita, 2018-04-05 The story of the spiritual journey of the famous Tibetan yogi Milarepa is often told but less well known are the stories of his encounters with those he met and taught after his own Enlightenment eleven of which are the catalyst for volumes 18 and 19 of The Complete Works The first three were originally published in The Yogi's Joy and to these have been added an intriguing fourth The Shepherd's Search for Mind The other seven stories form a sequence tracing the relationship between Milarepa and his disciple Rechungpa from their first meeting to their final parting when Rechungpa is exhorted to go and teach the Dharma himself As portrayed in The Hundred Thousand Songs of Milarepa Rechungpa is a promising disciple but he has a lot to learn being sometimes proud distracted anxious desirous of comfort and praise over attached to book learning stubborn sulky and liable to go to extremes In other words he is very human and surely recognizable to anyone who has embarked on the spiritual path He all too often takes his teacher's advice the wrong way or simply ignores it and it takes all of Milarepa's skill compassion and patience to keep their relationship intact and help his unruly disciple to stay on the path to Enlightenment Sangharakshita's commentary is based on seminars he gave to young enthusiastic but as yet inexperienced Dharma followers and while much can be gleaned from it about the path of practice of the Kagyu tradition the main emphasis is simply on how to overcome the difficulties that are sure to befall the would be spiritual practitioner how to learn what we need to learn in short the art of discipleship      **Beyond the Gold** Bryan

**The way of Discipleship** Zacharias Tanee Fomum,2016-06-05 This book presents the conditions to become and remain a disciple of the Lord Jesus The Lord Jesus had never intended to make converts He has always wanted to make disciples He has given the opportunity to those who are truly born again to become His disciples if they so desire Thus He has divided all true believers into two classes the disciples the non disciples This fundamental choice is clearly presented in this book The last part of the book presents the pitfalls that the disciple encounters on the way to the heavenly calling and these include the trap of fundamental disobedience the love of the world the love of self the impurity of thoughts entangled emotions and many others Read this book And may it bless you abundantly

**The Call to Discipleship and What It Means to Follow Jesus** John K Hulett,2020-10-19 The Call to Discipleship and What It Means to Follow Jesus is based on sound biblical truths Every Scripture verse is inspired by God and given to the Holy Spirit for teaching disciples of Jesus Christ how to live holy and godly lives For some the Truth was made known early on in childhood by the Holy Spirit giving wisdom that leads to salvation through faith which is in Christ Jesus 2

Manskar,2014-10-01 A Disciple's Journal 2015 is a guide for daily prayer Bible reading and discipleship for Christians in the Wesleyan tradition who want to grow in holiness of heart and life The journal follows the liturgical calendar and contains orders for daily morning and evening prayer space to record weekly acts of discipleship a daily lectionary based on the Revised Common Lectionary excerpts from the works of John and Charles Wesley and articles on discipleship in the Wesleyan tradition Includes Advent and Christmas Year C and pages for notes      **Mission in Motion** Jay Matenga,Malcolm Gold,2016-08-25 Never before has the phenomenon of mission mobilization been so broadly researched In a vein similar to Too Valuable To Lose and Worth Keeping the World Evangelical Alliance Mission Commission commissioned a research team to investigate what motivates people into mission service from around the globe Mobilization practitioners recorded translated and transcribed hundreds of hours of interview dialogue that explored reasons for mission involvement from Eastern Europe Western Europe North and South America Oceania East Asia South Asia and East Africa The data was subsequently analyzed to draw out common themes and Mission In Motion presents the results of this research This book is the first definitive exploration of the recent history ministries and methods of mission mobilization The evangelical missions community is expending much energy and resource trying to raise up workers for the Lord's harvest but is it helping Are the means models methods and mechanisms being applied to this end effective What does influence people to greater involvement in mission whatever they understand mission to be Furthermore what hinders it In addressing these questions Mission In Motion allows the interviewed respondents to speak for themselves in an open and frank manner Some results confirm common beliefs but others may surprise you      **BEing Jesus' WALKing and TALKing Disciple** Randy Michael Wendt,2013-12 Do you walk along the safe and shallow shoreline Or do you want to be in the deep waters where Jesus calls you Reading this book and following the Spirit's direction launch out into the deep and let down your net for a breaking catch Jesus calls equips and empowers you to be His daily disciple in ways greater than you can imagine      **A Disciple's Journal 2017** Steven W. Manskar,2016-09-01 A Disciple's Journal carefully designed and deeply Wesleyan provides a pattern of daily prayer and scripture reading for disciples who want to grow in holiness of heart and life It invites readers into a Wesleyan way of following Jesus Christ shaped by the General Rule of Discipleship To witness to

Jesus Christ in the world and to follow his teachings through acts of compassion justice worship and devotion under the guidance of the Holy Spirit The journal includes A daily lectionary that corresponds with the Revised Common Lectionary Inspirational quotes from John Wesley Excerpts from Wesley s sermons Hymns from Charles Wesley Orders for prayer in the morning and evening Prayers for each day of the week A journal for discipleship A pattern for intercessory prayer *What Is a Disciple and How Do You Make One?* Mark Swiger,2015-09 In many ways the church has become more adept at adding members than preparing true Christian disciples Author and evangelist Mark Swiger believes that bringing souls to Christ and then nurturing them to Christ like maturity requires an approach that is different from the methods often employed today Many congregations do not have a clear plan in place for seeing every believer grow to fruitfulness and spiritual maturity Adding to this problem sometimes pastors struggle with knowing how to equip others for the work of the ministry Swiger has developed a Spirit led manual for disciples and those who lead them Part I of his book is for everyone since every believer is first and foremost a disciple of Jesus Part II speaks to the particular needs of pastors and leaders who are charged with discipling others This interactive biblically based handbook is designed to help the church rediscover the eternal disciple making truths and examples found in the Scriptures God s Word still has the power to transform ordinary believers into disciples who can turn the world upside down **Are You Still a Disciple of the Lord Jesus?** Zacharias Tanee Fomum,2015-08-08 In every race the prize is awarded to those who run to the end You might have started as a disciple of the Lord Jesus That was a good beginning However I ask Are you still a disciple of the Lord Jesus The testimonies and message in this book will help you to situate yourself and by the grace of God return to being a disciple of the Lord Jesus if you have backslidden If you have never been a disciple of the Lord Jesus this book will help you to become one Even if you think that all is going well with you read the book in order to help others who may be in need May the Holy Spirit the Revealer of the Lord Jesus Christ draw close to you and help you to see things clearly as you read and to act on this message With every blessing in our Lord s wonderful name *Apples of Gold in Pictures of Silver* Dave Herr,2023-10-24 Maybe some people study prophecy for the thrill of the sensational like adrenaline addicts chasing the next sky dive rush Certainly promises given hundreds or thousands of years before their fulfillments are remarkable However sensationalism is not the intended purpose And some people may think that prophecy is an ancillary nonessential part of theology But the premise of this book is that God given prophecy has a far more profound purpose than sensationalism and plays an essential inseparable part in the gospel message Now if faith in Christ is all that is necessary for salvation why is prophecy essential The angel messenger who gave the Revelation to John answered that question The angel told John These are the true sayings of God Then John fell at the feet of the angel to worship him The angel responded See you do it not for I am your fellow servant and of your brethren who have the testimony of Jesus Worship God for the testimony of Jesus is the spirit of prophecy Rev 19 10 The angel explained that all prophecy connects to Jesus Intrinsic to Jesus is prophecy as is all scripture That which predicts or

speaks of His divine and human nature His life and miracles His death and resurrection and His earthly and heavenly kingdom are all interconnected they are all a part of His story His testimony His person Therefore Christ is the unspoken basis for this specific blessing given to readers of the Revelation Blessed are they that read and hear the words of this prophecy and keep those things which are written in it for the time is at hand Rev 1 3 Though there is rich reward in every book of the Bible no other gives the aforementioned promise of blessing     *You Are Personally Invited To... Discipleship with Jesus Christ!* Brother Michael,2005-04 Capture the same passion and commitment in your pursuit of God s Kingdom and Will for your life Encounter Brother Michael s insightful and prayerful victories as a disciple of Jesus Christ     *The Complete Book of Discipleship* Bill Hull,2014-02-27 Well organized and readily accessible The Complete Book of Discipleship pulls together into one convenient comprehensive volume relevant topics to discipleship such as Spiritual growth Transformation Spiritual disciplines Discipleship in the local church and beyond Indexed for easy reference
