You Can'T Heal a Wound by Saying It'S Not There Dr. Saundra J. Taulbee, 2017-07-07 Today men and women are running around empty trying to fill a void with addictions to work busyness alcohol drugs high debt pornography serial dead end relationships and sex without commitment My book speaks about the futility of this empty search and helps you find peace and meaning beyond yourself You Cant Heal a Wound by Saying Its Not There is about recognizing the wounds we all have from growing up that cripple us until we face them and overcome them Written in a case study format and interspersed with poignant illustrations and memoirs from the authors life this book helps people identify what they need to do to grow up and become all that God intended so that they can use their life to help someone else be better I have learned much from people who have taught me over the years in private psychotherapy practice I have also learned much from people I have served in churches and from our church systems that sometimes leave people marginalized Thus I have a passion for and am drawn to those who have been alienated for one reason or another from church and institutionalized religion With that said I am currently planting a new church with outreach to people who feel disconnected from God www.connectionscommunitychurchirvine.net

Foxglove Manor Robert Williams Buchanan,2021-05-07 Excerpt The following attempt at a tragedy in fiction a tragedy however without a tragic ending must not be construed into an attack on the English priesthood generally I have simply pictured in the Rev Charles Santley a type of man which exists and of which I have had personal experience Fortunately such men are uncommon still more fortunately the clergymen of the English Establishment are for the most part sane and healthy men too unimaginative for morbid deviations

The Flaming Forest James Oliver Curwood,2004-10 An hour ago under the marvelous canopy of the blue northern sky David Carrigan Sergeant in His Most Excellent Majesty's Royal Northwest Mounted Police had hummed softly to himself and had thanked God that he was alive He had blessed McVane superintendent of N Division at Athabasca Landing for detailing him to the mission on which he was bent He was glad that he was traveling alone and in the deep forest and that for many weeks his adventure would carry him deeper and deeper into his beloved north Making his noonday tea over a fire at the edge of the river with the green forest crowding like an inundation on three sides of him he had come to the conclusion for the hundredth time perhaps that it was a nice thing to be alone in the world for he was on what his comrades at the Landing called a bad assignment If anything happens to me Carrigan had said to McVane there isn't anybody in particular to notify I lost out in the matter of family a long time ago

Selected Works of James Oliver Curwood James Oliver Curwood, There are not many who will remember him as Thomas Jefferson Brown For ten years he had been mildly ashamed of himself and out of respect for people who were dead and for a dozen or so who were living he had the good taste to drop his last name The fact that it was only Brown didn't matter Tack Thomas Jefferson to Brown he said and you've got a name that sticks It had an aristocratic sound and Thomas Jefferson with the Brown cut off was still aristocratic when you came to count the red corpuscles in him In some sort of way he was related to two dead Presidents three dead army officers a living college professor and a few common people He was legitimately born to the purple but fate had sent him off on a curious ricochet in a game all of its own and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks
