Going Straight Paul Karsten Fauteck,2001-02-05 A roadmap from the gutters of society to respectability and success For those seeking a straight life it describes what they must change about themselves and the hazards they must avoid For anyone interested in crime punishment and rehabilitation it provides an unprecedented look into the minds of offenders Bluntly acknowledges the existence of unfairness and hypocrisy in society but not with bitterness or self pity Rather it puts these in perspective and shows how the individual offender CAN change and build a respectable life in spite of the barriers and pitfalls The author has seen criminal justice and corrections all the way from the cold floor of a solitary cell to the courtroom as an expert witness Without mincing words and with a touch of humor he turns this experience to the service of both the offender and society as a whole Personal note Today is November 28 2010 so GOING STRAIGHT has been available for almost ten years I ve received numerous letters and emails from readers telling how they ve used it to help themselves and others Not a single one has told me that he or she considered it a waste of time and money Whatever your own situation whether you re in a cell

sweating out a parole hearing or a corrections officer or teacher or you care for someone trapped in a criminal lifestyle or an activist pushing for more rehabilitation oriented corrections or interested for any other reason I sincerely hope you also find this book helpful My main interest is not the royalties they just help offset SOME of the cost of my websites and other rehabilitation efforts My goal is to know when it s my time to leave this world that there are a few people whose lives are better because I was here PKF

What To Do If the Mind Does Not Develop Roberto Bertolini,2018-05-08 The result of three decades of psychoanalytic work with children and adolescents this book takes a fresh and empathic look on the pervasive developmental disorders in childhood and adolescence describing their many manifestations through the presentation of particularly representative clinical cases in pages of high scientific rigour but also of simple and poetic language What To Do if the Mind Does Not Develop speaks both to the specialist and researcher and to the reader who is simply interested in the topic thanks also to a glossary of the more difficult technical terms The text offers valuable psychoanalytic observations on the cognitive and emotional difficulties of these patients that may help physicians teachers and parents to develop a better and deeper understanding of their true psychology

The Top Books of the Year Going Into Therapy The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Going Into Therapy : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
