Hamilton, 2012-01-01 Beginning readers discover fun facts about trains from their history to what makes them work readers will learn how the first trains moved which kind of train carries people what a bullet train is and more Through easy to follow text readers will explore for themselves the world of this popular mode of transportation Detailed photographs give beginning readers an up close look at a variety of trains in motion

Sometime in Sorrento David M. Addison, 2007-02-28 Blundering about Sorrento and its environs in search of culture the author unwittingly resists his wife's never ending attempts to civilise him From the heights of Vesuvius to the ruins of Pompeii and Herculaneum along the beautiful Amalfi coast and of course not forgetting Sorrento itself the author's propensity to get himself into cringe making embarrassing situations reaches new heights and plunges even deeper depths as he embarks on the second week of his holiday to Italy and takes up from where the first book *An Italian Journey* stopped Ubiquitous Dutchmen domineering drivers pestilential teenage girls a mafioso maitre d not to mention a glamorous older woman these are just some of the colourful characters whom the gods send to cross the author's path and severely try his patience whilst his own bungling incompetencies result in an hilarious narrative as he attempts to extricate himself from yet another fine mess he has got himself into With a fine eye for detail and his penchant for the off beat and the peculiar the writer describes not only the people and events but also the places he visits You may have visited Sorrento before but you've never seen it quite like this

[We Go on a Subway](#) Joanne Mattern, 2019-08-01 With age appropriate text and large engaging photos young readers are shown how people go places on a subway Good to Know facts give higher level details
