William Hope Hodgson and the Rise of the Weird Timothy S. Murphy, 2023-06-01 The first comprehensive study of the works of William Hope Hodgson one of the true innovators of Weird fiction this book examines the Weird novels and stories upon which his posthumous reputation rests his non-fantastic writing identifiable literary influences and the historical contexts in which he wrote Focusing extensively upon major works such as The House on the Borderland 1908 and The Night Land 1912 Timothy S. Murphy surveys topics including Hodgson's experiments with code switching and linguistic experimentation his depictions of racial and ethnic differences and gender and sexuality the function of space and place in his writing the adaptation of his shipboard experiences and his use of abyssal time With special attention paid to his paradoxical nihilist humanism this book explores what made Hodgson a respected precursor to later innovators such as H. P. Lovecraft and C. L. Moore and what makes him an important ancestor to 21st century writers such as China Miéville Greg Bear and Charlie Jane Anders Demonstrating how his work is both of his time and untimely Murphy recovers Hodgson as the most significant figure to precede the fantastically popular but deeply controversial Lovecraft as well as a figure whose work challenges what has thus far been accepted about the genre and the interpretive perspectives from which we view it

Elric: The Necromancer #1 Julien Blondel, Jean-Luc Cano, 2024-07-17 Cymoril he moaned his whole body throbbing Cymoril I have slain you He looked back at Imrryr and felt a tightness in his throat as he realized that he was truly rootless now a renegade and a womanslayer though involuntary the latter He had lost the only woman he had loved in his blind lust for revenge Now it was finished everything was finished He could envisage no future for his future had been bound up with his past and now effectively that past was flaming in ruins behind him Dry sobs eddied in his chest and he gripped the ship's rail yet more firmly He had caused to be destroyed the last tangible sign that the grandiose magnificent Bright Empire had ever existed He felt that most of himself was gone with it Elric looked back at Imrryr and suddenly a great sadness overwhelmed him as a tower as delicate and as beautiful as fine lace cracked and toppled with flames leaping about it He had shattered the last great monument to the earlier race his own race Men might have learned again one day to build strong slender towers like those of Imrryr but now the knowledge was dying with the thundering chaos of the fall of the Dreaming City and the fast diminishing race of Melnibon Michael Moorcock The Dreaming City Which is how Elric the last Emperor of Melnibon came to leave the Dragon Isles whose downfall he had wrought and became the White Wolf of the Young Kingdoms the pale prince of the cursed blood doomed to kill in order to sate his sword's thirst for souls in search of a peace that destiny itself refused to deliver
