The Dark Lady's Mask Mary Sharratt, 2016-04-19 From the author of *Ecstasy* a novel of Renaissance England s first female poet and her collaboration and love affair with William Shakespeare Aemilia Bassano Lanier is beautiful and accomplished but her societal conformity ends there She frequently cross dresses to escape her loveless marriage and to gain freedoms only men enjoy and then a chance encounter with a ragged little known poet named Shakespeare changes everything The two outsiders strike up a literary bargain they leave plague ridden London for Italy where they begin secretly writing comedies together and where Will falls in love with the beautiful country and with Aemilia his Dark Lady Their Italian idyll though cannot last Will gains fame and fortune for their plays back in London and years later publishes the sonnets mocking his former muse Not one to stand by in humiliation Aemilia takes up her own pen in her defense and in defense of all women Named One of the Best Books of the Year by the St Paul Pioneer Press An absorbing bildungsroman that grapples with strikingly contemporary issues of gender and religious identification New York Times Book Review An exquisite portrait of a Renaissance woman pursuing her artistic destiny in England and Italy who may

Movies and Methods Bill Nichols,1976 VOLUME 2 Movies and Methods Volume II captures the developments that have given history and genre studies imaginative new models and indicates how feminist structuralist and psychoanalytic approaches to film have achieved fresh valuable insights In his thoughtful introduction Nichols provides a context for the paradoxes that confront film studies today He shows how shared methods and approaches continue to stimulate much of the best writing about film points to common problems most critics and theorists have tried to resolve and describes the internal contradictions that have restricted the usefulness of post structuralism Mini introductions place each essay in a larger context and suggest its linkages with other essays in the volume A great variety of approaches and methods characterize film writing today and the final part conveys their diversity from statistical style analysis to phenomenology and from gay criticisms to neoformalism This concluding part also shows how the rigorous use of a broad range of approaches has helped remove post structuralist criticism from its position of dominance through most of the seventies and early eighties Publisher description

Tyree, Ben Walters, 2020-05-14

Ethan and Joel Coen s The Big Lebowski was released in 1998 to general bafflement A decade on it had become a cult classic and remains so over 20 years later inspiring a thriving circuit of Lebowski Fests during which costumed devotees gather at bowling alleys and guzzle White Russians Beyond its superabundance of deliciously quotable lines how has the movie inspired such remarkable affection And why does its critical stock continue to rise The film s unlikely anchor is Jeff Bridges career best performance as Jeffrey Lebowski a fully baked 1960s radical turned Venice Beach drop out known to his friends as the Dude Mistaken for an identically named grandee whose young trophy wife is in trouble the Dude finds himself embroiled in an impossibly convoluted kidnap plot involving pornographers nihilists and threats to his johnson Worst of all it conflicts with his bowling commitments In part an irreverent pastiche of Raymond Chandler s The Big Sleep as filmed by Howard Hawks The Big Lebowski is also a jukebox of film history littered with playful references to everything from Hitchcock and Altman to Busby Berkeley This riot of addled quotations reflects the film s Los Angeles setting a discombobulated world inhabited by flakes phonies and poseurs with put on identities Like many Coen films the movie plays havoc with the conventions of the crime genre and the absurdities of classical American heroism But it s also that rare thing a comedy that gets richer funnier and more affecting with each viewing Beneath its breakneck pacing and foul mouthed ribaldry the Dude s story offers disarmingly humane lessons in the value of simple things friendship laughter and bowling In

their foreword to this new edition the authors reflect on Lebowski's cult status and its contemporary resonances as a film about gentle non conformity and friendship in an increasingly polarized world The new edition also includes an interview with the Coens revealing the origins of the name Jeffrey Lebowski **The National Geographic Magazine** ,1921 Indexes kept up to date with supplements **Falconry** Louis Agassiz Fuertes,1920
