The Splat Conspiracy J. Joseph Higgins, 2007-02 Being a 73 year old man who was raised during the great depression I have seen enormous changes in America There has been dramatic changes in technology human rights political philosophy and engineering and social values I have written a 75000 word story about a college professor named Adam Solomon who after winning a large sum of money decides to initiate a bazaar plan designed to influence the national political agenda Adam s goal is to prevent any further erosion of wholesome morality and America s constitutional liberties To accomplish this Adam assembles a group of highly skilled and experienced assassins Their assignment is to surgically remove specific individuals who have become an unwelcome influence by endorsing ideas that are contrary to the American constitution After several dozen high profile killing s a fire storm ensues across the nation On the one hand thousands cry for justice and a stop to the mayhem Yet others the disenfranchised the poor the malcontents neo nazis and some various kooks applaud and support the activities Some want to join up with and take part in Adam s program As the story builds the situation turns into a national crisis involving all of law enforcement and the President of the United States During the crisis Adam finds himself drawn into a close relationship with the only female assassin They have a brief sexual experience but Adam finally succumbs to the charms of his beautiful young secretary A sub plot develops when a program supporter discovers the existence of an underworld child pornography ring centered in Guatemala After much persuasion Adam and his team raid the Guatemala children s camp freeing 200 enslaved children They are sent to a Christian care center and later return to a normal life Adam works through the plot with a good friend called the Captain The Captain is a veteran of Desert Storm and though he has a dirty mouth he has a good heart and great military skills Adam s other good friend is a man they call Shakespear He has a proclivity to speak using only lines that rhyme sometimes causing problems Adam becomes friends with one of the assassins code named the Jackal He s very dangerous and useful The story ends with an unusual twist Does Adam and his friends receive justice Do they get captured What will their punishment consist of Will Adam and his devoted secretary get married Could these event actually take place J Joseph Higgins John Whitaker, 2005-04-01 Imagine the worst thing you could do against God and man Then awaken one morning and realize you had done it Where and from whom would you seek redemption How would you know if you found it The Hayday Conspiracy by John Whitaker explores one man s crisis and along the way pits a young girl and her super horse against the merciless power of Washington If you ever wanted to read an adventure that defies you to predict the ending and stays with you long after it s put away this one is for you *The History of the Conspiracy of Catiline, and of the Jugurthine War. Translated by E. Peacock* Sallust, 1845 *Not Quite Us* Kevin P. Anderson, 2019-04-08 In twentieth century Canada mainline Protestants fundamentalists liberal nationalists monarchists conservative Anglophiles and left wing intellectuals had one thing in common they all subscribed to a centuries old world view that Catholicism was an authoritarian regressive untrustworthy and foreign force that did not fit into a democratic

British nation like Canada Analyzing the connections between anti Catholicism and national identity in English Canada Not Quite Us examines the consistency of anti Catholic tropes in the public and private discourses of intellectuals politicians and clergymen such as Arthur Lower Eugene Forsey Harold Innis C E Silcox F R Scott George Drew and Emily Murphy along with those of private Canadians Challenging the misconception that an allegedly secular civic and more tolerant nationalism that emerged excised its Protestant and British cast Kevin Anderson determines that this nationalist narrative was itself steeped in an exclusionary Anglo Protestant understanding of history and values He shows that over time as these ideas were dispersed through editorials cartoons correspondence literature and lectures they influenced Canadians intimate perceptions of themselves and their connection to Britain the ethno religious composition of the nation the place of religion in public life and national unity Anti Catholicism helped shape what it means to be Canadian in the twentieth century Not Quite Us documents how equating Protestantism with democracy and individualism permeated ideas of national identity and continues to define Canada into the twenty first century *Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c* ,1845
