Hazel's Kitchen Table Jeanne Larson Hyde, 1997 9 00 a m Hazel must have the coffee perking by now Jeanne and her mom head up the road to savor the first cup out of the pot part of a daily ritual One could not sit at Hazel Larson s kitchen table without laughing Appropriately Jeanne s mother Bernice Larson first met her new sister in law at that table She was taught the ways of country life by Hazel and their friendship would last a lifetime Not unexpectedly they are joined by various neighbors and friends Soon laughter is filling the room Current events are bantered about mixed in with a little gossip Stories and memories of the past are relived and remembered so they could be passed down to future generations Everyone who sat at Hazel s kitchen table left a small piece of their lives there Amid all the commotion there was always food food which remembered now brings comfort and joy The recipes include everything from Swedish Pancakes and fish boils at Nor Ski Ridge to Jeanne s mother s famous birthday cake Each recipe contains a slice of life that refuses to be forgotten Although Hazel and Jeanne s mother are no longer with us the memories are worth revisiting The little neighborhood called Appleport in Door County Wisconsin still has a special appeal The people who sat at that table will never forget the laughter wisdom and comfort experienced there Book jacket

Hazel's Century Hazel Agnes Lepine Haydel, 2010-09-21 This little book is for the future It is a time capsule for our family for Hazels descendants It is her legacy in her words some transcribed from recorded memories some composed as stories told in third person It is her message to the future about times past as she glimpsed it so that those who come after may share it I once asked myself among all the lessons I learned from the wisdom she dispensed what was it that stood out She was creative she was loving she was witty she was resilient she was honest she was intelligent she was curious she was hard working Yet the quality I want to point out is that in the course of her life nothing was ever lost She made the most of every moment of every experience of every acquaintance While she did not live on a grand scale over all those years in all those places among all the people she touched she inherently knew that this was indeed the fabric of her life and that nothing was to be wasted taken for granted or ignored Everyone she met remembered her because she was always fully present to those she encountered Throughout Mothers journey her devotion to family and friends defined her She was

intensely proud of John's accomplishments and she doted on her grandchildren Matt, Julie, and Steve. In addition to Martha, in whom she found the daughter she always wanted, many younger women were especially drawn to her. To them, she was mentor, ally, confidante, and friend. Doug Haydel, Hazel was a widow about as long as she was married, but she never loved anyone else, and not a day went by after Daddy died that she didn't miss him, think about him fondly. They fit together like two pieces in a jigsaw puzzle, with a lot of other pieces missing. Daddy was a dreamer, and Hazel was an enabler. Mother gave us a love of learning through her example. She was a constant reader and often mispronounced new words because she didn't often have a chance to exercise her vocabulary with her friends with smaller vocabularies. She constantly reminded us of the plutocracy of the Haydels in early Louisiana and made us feel sort of special at least our family was, maybe once if not now. Hazel never learned to drive, was clumsy, and never screwed lids on jars, causing lots of spilling. She often successfully depended on the kindness of strangers. She was a natural cook. She could walk into a kitchen bereft of pantry supplies and produce magical dishes. She was a beautiful woman. I once overheard his father talking to someone and he said, my wife is a beautiful woman, I want you to meet her. I felt sorry for my friends that didn't have a beautiful mother. They are both buried in the Catholic cemetery in Plaquemine. La John Haydel Chinaberries and Beyond Patricia L. Bostic, 2017-04-24 Patricia is born during WWII when racial segregation is a way of life, particularly in the South. A few years earlier, in the small cotton mill town, her father's poor judgment forces her parents and eventually their eight children to live in a crude, unpainted three-room dwelling located in an isolated area of four houses for African Americans. They have no electricity or running water, and a stone-covered spring in the woods becomes a special place for mischief. A single tree, a chinaberry, adjacent to the house serves many purposes. Home, church, and school are the Littletons' family core, while their experiences are laced with fun, humor, and mischief. However, when temperamental Hazel, an adult bully, moves next door, there are conflicts which escalate into unnerving, dangerous situations, especially with Patricia's easygoing, soft-spoken mother. Hazel ridicules Patricia, who is smart, timid, and labeled a crybaby, and stubborn in school. By high school, Patricia blossoms and becomes popular, but later her father warns her of wooden nickels. www.chinaberriesandbeyond.com **The Queen Bee and Me** Gillian McDunn, 2020-03-03 From the highly acclaimed author of *Caterpillar Summer* and *Honestly Elliott* comes a heartfelt story about the sweetness and stings of tween friendship. Meg has always found comfort in her best friend Beatrix's shadow. Self-assured Beatrix is the one who makes decisions, and the girls have been a pair since kindergarten. But starting middle school brings new changes in Beatrix, especially when Meg tries to step outside her role as sidekick. When Meg becomes fast friends with the quirky new girl Hazel, who also loves science, Beatrix is quick to stake her claim on Meg. Meg doesn't know why Beatrix is being so mean to Hazel, or why it's so difficult to stand up to her friend. And Meg starts to wonder: Is being Beatrix's best friend worth turning down the possibility of finding her own voice? This pitch-perfect exploration of middle school friendship dynamics brims with heart and hope and will resonate with readers of all ages. Acclaim for *Caterpillar*
