He Won Them For Christ:

Give Them Christ Stephen Seamands, 2012-04-08 Much preaching today begins with the hearer's felt needs and then moves to how Christianity can solve those problems But this approach often results in trite Christologies that merely use Jesus as a means to an end or a vehicle for self improvement While preachers might not dispense with Christ altogether other things subtly take center stage and become more important than Christ himself Pastoral theologian Stephen Seamands issues a stirring call to rediscover the centrality of Christ in preaching Deftly blending doctrine and praxis he revitalizes preaching by focusing on five key dimensions of Jesus work his incarnation crucifixion resurrection ascension and return Seamands highlights how preaching Christ crucified and risen speaks profoundly to the deepest dimensions of human existence Addressing both the what and the so what this exposition helps church leaders declare afresh that Christ alone is supremely sufficient for Christian faith and practice Pastors and preachers will find here significant resources for their churches worship life together and mission in the world Become captivated once again by the glory of Christ and find yourself compelled to proclaim his work anew The Zondervan 2020 Pastor's Annual T.
