We Live and Cohabitate with Spirit Beings Donald Evans, 2022-01-14 We cohabitate with another race of beings a people which the world won't acknowledge These are demons which are invisible spirit beings not made of flesh and blood which the movie industry portrays as monsters These spirit persons or demons are the highest intelligent beings far more intelligent than any earthly being with all human characteristics They were once angelic sons of Jehovah God They consisted of one third of the angelic sons They conspired against their Creator God along with their leader Lucifer who was once an angelic son of God a cherub of high ranking They all were expelled and casted out of heaven down to earth They became enemies of God and the human race They became an invisible race of beings demons or spirit persons but without bodies The once angelic sons of God and Lucifer became demons Lucifer was the first to make himself a demon and then became Satan the devil the chief of demons who now walk the earth transitioning as a real human being yet spirit cohabitating with the human race as a real person The demons the other beings are also cohabitating as spirit persons just as you and I are spirit beings with bodies However they are without bodies not of flesh and blood Demons are those wicked evil spirit persons that exist throughout the world as demon spirits Satan is the only demon who possesses transitional power to transition to a visible spirit person just as you and me and transition back to spirit This I've witnessed The other one third wicked spirit persons do not possess such power however demons possess superhuman strength and the highest intelligence of any human being Yet these spirit persons or demons remain invisible to human eyes on earth They are here to steal kill and destroy human lives by any means Therefore the entire world needs to know how to defend itself against a demonic attack an attack which can't be seen but feel and see the effect of Persons by the multitudes are under attack by demonic powers and influences without any knowledge of what's going on or any knowledge of what they are up against in the spiritual world Many do not know or recognize whether it's mentally or physically Either one is as serious as the other Also multitudes aren't aware of a spirit world The world the entire world needs to know to be educated of demonology Children of God the world it can't be stressed strong enough the entire world it's imperative to be spiritually educated of demonology It is essential and imperative that all humans are made aware that they live and cohabitate amongst evil wicked spirit persons the invisible enemies that are here to hurt or harm all of mankind Age and gender are no exceptions

mistake the entire world has made in the past and present and will continue to make in the future Without Jesus Christ as Lord and Savior in one s life how can a person live coexisting with spirit beings known as demons wicked spirit persons who have inhabited the earth the entire time mankind has been on earth Yet the world lives as though we don t coexist with spirit beings and to reject or deny the only person whom these spirit beings obey is like living without a cause People the world in general it s imperative to acknowledge that demon spirits have invaded human bodies Demonic forces whom we can t see nor control are in control of multitudes of human lives which have persons in spiritual warfare with invisible demons as enemies in mankind and fighting a battle within themselves and against others like themselves These demons which are also named evil spirits are in human bodies as demon control spirits sometimes called devils as they became dominant spirit forces Demons have been assigned to us in the body of humankind to harm kill and destroy lives by any means Demons have been assigned to our children to possess as their own to harm steal or destroy lives and family livelihood The power of Jesus Christ s name provides protection for all mankind in the spirit realm believers as well as nonbelievers **The Spirit of the**

demons in my body What the world sees today and what I saw as a child is that children today throughout the entire world are more demonized or demon possessed than ever before performing all kinds of hideous heinous sinister vile and horrific acts that are all demonically controlled more than ever before even against themselves which they have no control over This book relates how children of all ages and genders how demon spirits enter their bodies without their knowledge or the world s knowledge of being demonically controlled nor their parents Some parents are in a similar condition beginning in their childhood and are still demonically controlled today This book Demons Are in Our Children also relates to spiritual revelations about how these invisible spirit persons operate internally and externally through humans of all ages and genders without discrimination This means all humans are vulnerable and susceptible to becoming demonized or demon possessed regardless of a person s Christian values or religious views It s imperative that children at young ages acknowledge that we coexist and cohabit with real live spirit persons who are smarter and highly intelligent and have the ability to enter human bodies to possess them as their own Demon spirits access avenues of entering human bodies through habits of any kind regardless of how small or large which become uncontrollable and allow them to live and perform through those they have entered to harm steal kill or destroy by any means Remember there aren t friendly demons in the world Demons are evil wicked spirit persons who want to possess human bodies to use as their own for their will and purposes and to harm steal kill or destroy lives and families

**The Ministry of the Word, Vol. 21, No. 04** Various Authors, 2017-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2016 term of the full time training in Anaheim California The general subject of this series of messages is The Failures in the Churches the Degradation of the Church the Overcomers in the Church the Recovery of the Church and the Stages of the Church This issue comprises the first three components of this fivefold subject This general subject unveils the decline of the church and illuminates our need to return to the orthodoxy of the church The term orthodoxy refers to God s way for the church as ordained by Him and revealed in His Word The practice of the church that is according to God s original intention was present in the early years of the church before degradation set in We may say that orthodoxy is the equivalent of the word normal Thus the orthodoxy of the church is the normal Christian church life The overcomers are normal Christians in a time of abnormality Moreover the

principle of returning to the orthodoxy is the same as that of recovery In order to be faithful to the Lord and to His word we must forsake mere tradition and return to what God originally intended for the church Concerning the actual practice of the church life three particular matters must become clear to us and real within us First we need to have a genuine vision of the church and see the church as the Lord Himself sees the church From the Scriptures that have been opened and rightly expounded to us through the ministry may we have the veil lifted from our heart receive the shining of the divine life and have the sight under the anointing Then we will begin to realize what the church is to Christ and how He views the church in its actual condition In Revelation 2 and 3 the Lord Himself addressed many matters in the church but before doing so He presented to John a vision of the church as golden lampstands In the eyes of the Lord all seven churches including Thyatira Sardis and Laodicea as actual local churches were seven golden lampstands This indicates that intrinsically these seven churches were the embodiment and expression of the Triune God Second we need Christ's view and understanding concerning the degradation of the church The Lord Jesus is absolutely clear about the degradation in the churches nevertheless it is He who regards the churches intrinsically as golden lampstands Although the churches in their history and actual practice may be degraded in various ways we need to see everything not from our natural perspective but as the Lord sees Third we need to know and carry out His way to care for the church in its condition We are able to do so because we are governed by the vision of the church and have the Lord's view and understanding of the degradation in the church We need to know how to minister life how to conquer the satanic chaos and how to present the truth The co workers in particular need to learn of the Lord how to represent Him and how to carry out His administration to establish and maintain the order in the churches We need to be one with the Lord to minister Him according to the various situations Message 1 identifies that the weaknesses and failures in the churches are due to the principle of Babylon which is hypocrisy To overcome this principle we must take Christ as our burnt offering As the burnt offering Christ is the One who is absolute for God and for His satisfaction When we take Christ as our burnt offering and consecrate ourselves to in with by and through Him as our burnt offering we become ashes The ashes of the burnt offering were handled by the priests in a very stately and dignified way by placing them on the east side of the altar The east side is the side toward the sunrise and is an allusion to resurrection By being brought into resurrection we are brought into the transformation of the Triune God to become gold pearl and precious stones which are the building materials of the New Jerusalem Hence the ashes eventually become the New Jerusalem This should be our daily experience Messages 2 through 4 show that we need to consider the degradation of the church so that we may be inoculated against the decline This divine and mystical vaccine will prevent us from repeating the failures in the churches and from falling into degradation This inoculation will bring us back to the straight way of God's economy concerning the church We need to take the straight way to be one with the persecuted Jesus by going outside the camp and bearing His reproach The straight way is for the believers to be brought into the church in the way of life and built up in this life into the

Body of Christ to bear the testimony of Jesus The Lord's recovery is for the preparation of the bride and in order for the bride to be prepared the local churches must become in reality both the Body of Christ and the one new man The Body is an organism through which the Lord can move to carry out His administration and the one new man is a corporate person who will fulfill Genesis 1:26 expressing God with His image and representing Him with His dominion In God's wise organic salvation the Body and the one new man become the bride Messages 5 through 8 consider the overcomers in the church Instead of expressing a hope that everyone in the church will suddenly become absolutely faithful to the Lord the Lord calls for overcomers The Lord Jesus Himself is the first Overcomer Rev 3:21, 5:5 and He will reproduce Himself in those who have the heart to be produced as overcomers The Reports and Announcements section of this issue contains reports from the January and February 2017 gospel trips to South Africa and Europe There is also a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe The Spirit of the Afterbirth and the After Birth of the Holy Spirit Debra G. Patterson, 2006-12 Features Debra has logged nearly 60,000 hours in her spiritual travels for this book and shared with people from various social backgrounds who are living their own lifestyles and practicing their own personal beliefs This is the beginning of another but not so ordinary journey for Debra and all spiritual travelers Her book includes short stories devotionals meditations prayers reasonings praises and salutations words that are spiritually infused with the life changing power to address current social and spiritual issues

in this world and therefore have to deal with the varying attacks temptations and deceptions which come their way from time to time in this ongoing battle      **The Spiritual Diary of Emanuel Swedenborg** Emanuel Swedenborg,1846

*Psychoanalytic Conversations with States of Spirit Possession* Shalini Masih,2023-10-16 Shalini Masih grew up in a stimulating environment of priests and healers witnessing firsthand states of spirit possession and exorcism In adulthood she revisited these experiences motivating her to extend psychoanalysis outside the clinic s realms into spaces of traditional healing The outcome of her detailed exploration acknowledges the hugely productive interface between cultural manifestations and concerns of psychoanalysis without reducing the phenomenon of spirit possession to something formulaic Instead Psychoanalytic Conversations with States of Spirit Possession Beauty in Brokenness highlights the intrinsic beauty of this complex experience illustrating relevant themes through culturally sensitive psychoanalytic conversations with participants who felt haunted and possessed by ghosts The author s journey reveals the ghosts of her own inner world She draws upon her reveries dreams and nightmares to make sense of the unconscious processes in her informant s testimonies journeys that are so often undertaken from one grotesque ghost to another until these ghastly beings reappear as broken part selves in search of the glue of spiritual meaning      **The Complete ElfQuest Volume 8: FutureQuest** Wendy
