Head On Repossessed:

Head On/Repossessed Julian Cope, 2005 Julian Cope's highly acclaimed autobiography and its long awaited sequel in one extraordinary volume Contents Julian Cope shot to fame with eighties band Teardrop Explodes during the Punk era Hailed as a visionary by those people who recognise his genius and a madman by those who find him perplexing he has become a cult figure in the music world Head On has previously only been available via Head Heritage Julian's own company Repossessed picks up in 1983 where Head On ends and continues up until 1989 Written in Cope's inimitable style it is set to provoke the same kind of media excitement When Julian Cope published Head On in 1994 he received astounding reviews Visceral ballsy bitchy brutal beautifully written Book of the year Made my heart burst The Observer an enthralling saga of bitchiness betrayal and unrepentent debauchery The Sunday Times Books of the Year As a glimpse of the essentially pathetic but amusing whims and eccentricities that lie behind the screwed down hairdos of rock musicians it's equally essential reading And as a genital warts and all diary of madmen it is simply supreme entertainment N M E Cope never portrays himself as anything less than a self serving childish whining half assed failure He's wrong of course but it makes for insanelly funny reading Select Head on and Repossessed Julian Cope, 1999 In 1995 rock n roll druid Julian Cope self published his searingly honest autobiography Head On This book continues the story from the time Julian left the punk band The Teardrop Explodes *Evidence* The City Law School, 2016-08-18 Providing the student with a thorough working knowledge of the law of evidence essential for any barrister whether in the preparation of a case or in the conduct of litigation in court this manual examines the principles of evidence as well as their application in practice *The Repo* Bill Eidson, 2014-04-01 A down on his luck ex DEA agent tries to find a missing yacht and the rich couple who were aboard it The action is explosive An excellent series debut Booklist Ex DEA agent Jack Merchant is living out his precarious retirement on the docks of Charlestown Mass surrounded by the revenge minded dealers and punks he used to put away All he's got is his sloop Lila but soon enough he gets a visit from the repo man Except the repo man's a woman Sarah Ballard Her proposition They've got a week to track down a rich couple who've disappeared with their yacht Find it and Merchant can keep his boat The trouble is they're not the only ones looking A dark tale with enough kinks and twists to keep you guessing to the last page The Repo is the first book in the powerful new series of crime thrillers Publishers Weekly Eidson's dialogue has the ring of overheard conversation and we feel the breeze and smell the sea air as his characters pursue their prey The Boston Globe The boat's disappearance and the demons from the past that possess both detectives merge beautifully creating a convincing landscape of deception and self doubt The Washington Post Eidson makes Sarah Ballard's toughness and coldness inevitable and convincing There are also some unusually interesting minor players and assorted villains as well as several original and violent moments of action many at sea Chicago Tribune **Starship Repo** Patrick S.
