Nash reframes black feminism's engagement with intersectionality often celebrated as its primary intellectual and political contribution to feminist theory. Charting the institutional history and contemporary uses of intersectionality in the academy Nash outlines how women's studies has both elevated intersectionality to the discipline's primary program building initiative and cast intersectionality as a threat to feminism's coherence. As intersectionality has become a central feminist preoccupation Nash argues that black feminism has been marked by a single affect defensiveness manifested by efforts to police intersectionality's usages and circulations. Nash contends that only by letting go of this deeply alluring protectionist stance the desire to make property of

knowledge can black feminists reimagine intellectual production in ways that unleash black feminist theory's visionary world making possibilities      Witch Finder Sheri Lewis Wohl, 2023-08-15 Hereditary witch Tamsin Chaney didn't ask to be the Keeper But you don't mess with centuries of tradition Even though she'll do everything in her power to keep the Witch Finders of the Dark Faction from gaining possession of the Book of Darkness she's just fine tucked away on her farm dispensing white magic to keep her community safe and healthy Morrigan James a Witch Finder of the White Faction will stop at nothing to guard the Keeper and the sacred grimoire that holds the secrets to unleashing unstoppable evil into the world The Dark Faction grows stronger and bolder and time is growing short Tamsin is in terrible danger and Morrigan must protect her and the secrets she guards even if it costs Morrigan her life As they grow ever closer only Tamsin and Morrigan can stop the Dark Faction and fulfill the prophesy that will keep the world safe forever      Dymensional Music Jeffery Kincaid, 2006-02-01 An indispensable book for anyone on a true spiritual path Dymensional Music is the art of applying thought through exalted sound as energy to reveal the intellect of your true self It will stretch your mind like a yarrow stalk falling in all directions at once in every possible manner You will discover A truly new musicology A heightened aesthetic and new sensibilities The potential to accelerate humanity to a much higher consciousness A lifted sacred geometry in sound Specific applications in healing modalities scientific research and spiritual practice      **Secret Affairs** Alicia Hunter Pace, Lynn Crandall, Toni Jones, Peggy Bird, Dana Volney, 2018-02-19 Pssst the cat's out of the bag These five couples have successfully kept their deepest confidences locked in the dark until love comes knocking to expose their secret desires Secrets Gone South Will Garrett grew up on the wrong side of the tracks and never expected debutante Arabelle Avery to end up in his arms during an emotional moment Now she's returned to Merritt his son on her hip Will he ever be good enough to raise his son and win Arabelle's heart Secrets Casey Mitchell has always kept his identity as a were lynx secret But he's drawn to Michelle Slade and when he begins to help investigate the circumstances surrounding a mysterious disappearance the situation spins out of control Their survival depends on trusting each other with secrets better left unspoken Will these two lonely souls triumph and find true love or lose everything No Secrets in Spandex Allegations of drug use surround sexy bike racer Jacob Hunter who has come home to Colorado to train for the biggest competition of his life Reporter Ariel Hays is ready to do anything to get that story except reveal her own secrets Can they keep the fireworks exploding between them from torching their lives The Professor's Secret English professor Claudia Manchester secretly writes spicy romances under a pen name to keep her side job under wraps until she's secured tenure But when she meets historical romance writer Bradley Davis while dressed as her sexier alter ego at a conference it's clear she can't build love on lies Protecting Her Secrets Bodyguard Eddie Dever needs to clear his younger brother's name but that's an uphill climb with Special Agent Hannah Malone laser focused on putting a crime boss behind bars even at his brother's expense Things get sticky when the two go undercover as Mr and Mrs and the pretense starts to feel all too real And both Eddie and Hannah
