This book elaborates factors of ineffective and effective healing ministry. It's a powerful key to unlock the supernatural realms of heavens. Read this book and you will be empowered to walk in the healing anointing. **Understanding Sacramental Healing** John C. Kasza, 2007

Who Heals You, **The Healing Anointing** Kenneth E. Hagin, 1998 The supernatural healing power of God will operate effectively in your life when you understand the laws that govern it. **Partners in Healing** Frank Ramirez, 2005 Healing is a gift and not a right. The prayer of faith is powerful but the most faithful prayer of power was that of Jesus in the garden of Gethsemane on the eve of his great ordeal. Father, if you are willing, remove this cup from me, yet not my will but yours be done. Luke 22:42. Anointing cannot guarantee healing. If it could, it would border on magic and would imply that we in some way control God's actions. God is in control of history and healing. It is God who invites us to join into a community of prayer through the ordinance of anointing. Excerpt from *Partners In Healing*. Though there are countless instances of anointing in the Bible, it is seldom practiced in many Christian traditions today. But this essential rite reminds us that God is the true source of restoration and healing and that he is at work in all aspects of our lives. Anointing affirms and symbolizes our partnership with God and it invites God to be part of the healing process for anyone who is sick physically, emotionally, or spiritually. *Partners In Healing* is a complete guide with all the resources you need to revive this ancient practice as part of a comprehensive ministry of healing. In addition to exploring the biblical and historical background for anointing, you'll find a wealth of practical, easy-to-use material. There's an extensive range of services and prayers as well as sermons you can use to introduce this ministry to congregations unfamiliar with it. Discussion questions and activities are also included, making this an excellent resource for small group study. Frank Ramirez is an author and pastor in the Church of the Brethren who has written numerous books, articles, and short stories. A graduate of the University of LaVerne and Bethany Theological Seminary, Ramirez has served congregations in Indiana and California and is currently pastor at Everett Church of the Brethren in Everett, Pennsylvania. His other CSS titles include *He Took A Towel*, *Gabriel's Horn*, *The Christmas Star Coming Home*, *A Call To Worship*, and *Lectionary Worship Aids*. *Evangelism and Missions* Dag Heward-Mills, 2011 A handy evaluation of workable evangelism strategies. Clear steps to achieving fruitfulness. How to attain the biblical wisdom of winning souls. A invaluable guide on how to plant churches in virgin unreached areas. Clear instructions applying the keys of persistence and shamelessness in God's work. Hints on how to break out of comfort zones in order to reach the lost. A timely discourse of the Kingdom of God. An authoritative presentation of the urgent call to evangelize the world. One night while studying in a remote
