God's Healing Scriptures Akili Kumasi Ed., 2014-01-01 God's Healing Scriptures from the Bible: Old Testament and New Testament Healing Promises and Examples. Gospels, Books of Acts, and the Epistles. Hundreds of scriptures listed. Does God Heal Today? Many of us often wonder if God still heals today. Many of us who believe that God does still heal today wonder when does God heal, why does God heal, and who does God heal? We also question what role we as ambassadors of God might have in the healing process. The answers to these and many more questions about God's healing promise are contained in His Word. Thus we must study God's Word. We must meditate on what God said about healing. We must pray and ask Him to give us a spirit of wisdom and revelation on this subject. Plus we must submit ourselves to the truth that He reveals to us in His Word. Even though we see clearly in God's Word from both His promise and His practice that He heals, questions about Divine healing still remain in the Church today. That is why the scriptures in this book were compiled to aid us in our quest to know the truth. This book does not attempt to address any of the theories, practices, or claims of healing from the past or present or for the future. We simply seek to present God's Word on Divine healing and let the Holy Spirit do the talking to those who will study, meditate, and pray on God's Word.

The Greatest Bible Promises for Healing and Comfort Smith Wigglesworth, 2017-04-04 A promise for every problem. God's promises are the substance of faith. The Greatest Bible Promises series represents much more than just books of Scripture arranged topically. Because the very term promise implies action, this series provides the reader with deeper understanding through accompanying insights from Smith Wigglesworth's greatest works. Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies and the God of all comfort. 2 Corinthians 1:3 Every trial is a hidden blessing. During the times when we are hard pressed through dire circumstances, there is comfort in knowing that the hardest things are just lifting places into the grace of God. He is our Deliverer. It is in those times that God wants to bring us through our needs and into the victory He has waiting for us. He wants to and will bring us healing and comfort. Perfect for reading during quiet times, for sharing with others, and so much more. Scripture selections are taken from the King James Version Easy Read Bible.

Answer: God's Covenants of Promise John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4:6 says that God's people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God's Covenants of Promise will have achieved its purpose if it can open a reader's eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God's Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God's Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth God's son

universe finds great joy and pleasure in His creation particularly in His beloved children It s a reminder that we are not just a part of God s plan we are recipients of His deep affection He will quiet you with His love This phrase paints a picture of God s love as a soothing and calming presence In moments of turmoil uncertainty or distress God s love can provide a sense of peace and security that quiets our anxieties It s a reminder that His love is a source of comfort and refuge He will rejoice over you with singing This is an incredibly intimate image God not only loves us but He also rejoices over us with singing It s as if He takes delight in expressing His joy through a beautiful melody This verse highlights the joy and celebration in heaven when even one soul is saved and reconciled to God Zep 3 17 is a powerful reminder of God s deep love and affection for His children It speaks to His desire to bring peace into our lives and to celebrate our presence in His divine plan As you meditate on this verse let it fill you with a profound sense of God s love and His delight in you Embrace His love find solace in His presence and join in the heavenly chorus of rejoicing over the wonderful relationship you have with your Heavenly Father The profound truths of Scripture often require spiritual discernment to fully grasp and appreciate They may not resonate with those who have not yet come to faith or experienced a personal relationship with God 1Co 2 14 acknowledges this concept The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness and cannot understand them because they are discerned only through the Spirit This verse highlights that spiritual understanding is a gift of the Holy Spirit and without that spiritual discernment the truths of God may seem incomprehensible or even foolish to those who are not yet believers Recognizing and acknowledging our sinful condition is a crucial step in becoming a child of God This acknowledgment is foundational to the process of salvation and reconciliation with God Here are some key elements of this process Recognizing Sin The first step is to acknowledge that we have all fallen short of God s perfect standard Ro 3 23 We must come to terms with our sinfulness and realize that it separates us from a holy and righteous God Repentance Once we recognize our sinful condition we should be moved to repentance Repentance involves a genuine sorrow for our sins and a turning away from them It s a change of heart and mind that leads us to seek forgiveness and a new way of living Faith in Jesus Christ Accepting our sinful condition is only part of the equation We also need to place our faith in Jesus Christ as our Savior and Lord It is through faith in Jesus that we receive forgiveness of sins and become children of God Joh 1 12 Confession Confessing our sins to God is an important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9 Receiving God s Grace Salvation is a gift of God s grace We cannot earn it through our efforts or good works It is by God s grace that we are saved through faith Eph 2 8 9 New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God s forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God Accepting our sinful condition is the starting point of a journey toward becoming a child of God It s an acknowledgment of

our need for a Savior and a recognition of God's abundant love and grace that provides the way for us to be reconciled to Him

"Good News" After Auschwitz? Carol Rittner, John K. Roth, 2001 Many argue that Christians must address their own culpability in the destruction of Europe's Jewry If post Holocaust Christians only lament Christianity's sin the tradition will be ultimately left with little to say and no credibility Post Holocaust Christians must emphasize positive differences that Christianity can make including Repentant honesty about Christianity's anti Jewish history New appreciation for the Jewish origins of Christianity the Jewish identity of Jesus and the continuing vitality of the Jewish people and their traditions Welcome liberation from liturgies and biblical interpretations that promote harmful Christian exclusivism
