

A person stands in silhouette on a dark, rocky outcrop, looking out over a vast body of water. In the middle distance, a large, light-colored rock formation in the water is shaped like a heart. The sky is filled with heavy, dark clouds, with a bright, hazy light source, likely the sun or moon, positioned behind the heart-shaped rock, creating a strong backlighting effect. The overall mood is contemplative and serene.

Narry F. Santos,Xenia Ling-Yee Chan,2022-07-15 Crisis is an invitation to both prophetic evaluation and new imagination In this volume Canadian missiologists and practitioners consider the past and how the past might enable the church to move forward in Christian mission in the academy agency assembly and the agora How can the Canadian church welcome different voices from the periphery What must be done to empower the next generation How can we respond in light of the injustices done to our Indigenous brothers and sisters Where does reconciliation fit into the picture How might we navigate between secularization and fundamentalisms How ought we move together in mission and in unity across denominational difference How can we equip laypeople to live their callings faithfully in the agora How can work in the marketplace be ministry And lastly how is the Spirit at work in our contexts in this day and age These questions among others onboard us into the ongoing conversation about the state of evangelical mission in Canada and each of these essays adeptly lead us into the beginnings of answers to these questions These essays address how the past informs our future and how we might answer the prophetic call with both hope and renewed vigor to participate in the mission of God REVIVAL OF ADVAITA, YOGA AND

PANTHEISM IN AMERICA Dr. George Joseph K PhD,2015-12-10 There are reasonable symptoms of the weakening of the church and Christian faith in the USA and thereby the silent death American democracy and American Empire The vacuum created in the American mind by the secular humanism anti supernatural liberal theology and godless philosophies have prepared the fertile ground for the silent take over of USA by Islam Hinduism Advaita and yoga New Age religion legitimizes almost anything in the name of religion There is an explosion of sorcery The absolutely unwise philosophies like all is one man is God etc become widely accepted among the people New age psychology rejects the supernatural and God of the Bible but accepts the paranormal miracles of devil When the people begin to love the lie and hate the truth the future is bleak A strong democratic America would guarantee a better world But what if the whole nation is hypnotized into paranormal and abnormal by secular spiritualities **Understanding Spirituality and the Sacred in Social Work Practice** Mary Jo

McVeigh,Joel Hollier,Jioji Ravulo,2025-03-31 Social work is constantly epistemically evolving and embracing diverse bodies of knowledge to inform its ontology and practice frameworks Over the years the impact of feminist post colonial and queer theory for example has broadened the social work lens and invited a welcome departure from dominant Westernised patriarchal and positivist paradigms However the separation of the spiritual realm from casework clinical community and group work traditions of social work remained steadfast The last decade or so has seen forages into the issues of social work and spirituality This examination into spirituality and social work has shown that for many service users spiritual practices be they religious or non religious are important in their lives and their way out of difficulties Concurrently relationships between socio political movements and global religions have grown increasingly complex To create a truly holistic approach to the needs of service users it is important that social work policy and practice give voice to these complexities and understand the place of spirituality within service delivery This book critically reflects upon and discusses the intersecting role of spirituality

in the lives of people who access social work services By gathering contributions from people with lived experience practitioners and academics this book will explore a comprehensive range of issues opening the area of spirituality to current critical socio political and cultural thought It will be of interest to all social work scholars students and practitioners
