Healing Power Of Eft And Energy Psychology:

Healing Power of EFT and Energy Psychology David Feinstein, Donna Eden, Gary Craig, 2006 This groundbreaking book explains how to tap into your body's energy not only to change your health but to change your behaviours and thought patterns as well. Your body is comprised of energy pathways and energy centres that are in constant motion interconnecting with your cells, organs, immune system, mood and thoughts. The Healing Power of EFT and Energy Psychology incorporates the concepts of Emotional Freedom Techniques (EFT) to show you how to shift these energies so you can influence your physical health, your emotional patterns and your state of mind. With this strategy, stubborn phobias often fade in minutes, the lifelong effects of an early trauma can frequently be reduced or completely eliminated, uncontrollable anger can rapidly become manageable and even elusive physical problems may respond where other treatments have failed. Here are simple step by step instructions to help you change unwanted habits and behaviours, enhance your ability to love, succeed and enjoy life, overcome fear, guilt, shame, jealousy or anger. The energy approach presented in this book is clearly illustrated and easy to follow. It will help bring about significant change in your life.
