Watchman Nee, 2009-09-26 The Bible is the inspired word of God Every child of His must know it by heart The Bible records the many things God did for us in the past and the many words He spoke It also registers the many ways by which He led people in former days It is therefore imperative for us to study the Scriptures if we would desire to know how richly and extensively God has provided for us The speaking of God to us today is based upon the words He has already spoken His speaking through us today is also built upon what He has once before uttered Hence we need to store the word of God richly in our heart before we can hear God s speaking today and before we can be used as ministers of His word The aim in our compiling this volume is to supply some prerequisites and principal methods of studying the Scriptures to those who have a

heart to know the Bible May God bless the readers as well as this book The Ten Greatest Chapters in the Bible J. C. Massee, 2008-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **A Catalogue of the Best Books in Every Department of Literature** Burrows Brothers Company, Cleveland, 1902 **The Ten Greatest Chapters in the Bible** J. C. Massee, 2013-10 This is a new release of the original 1924 edition *Illustrated Catalogue of Books, Standard and Holiday* McClurg, Firm, Booksellers, Chicago, 1902 **Job** Rudolph E Honsey, 1992-07-01 What is the book of Job about Who is Job in the Bible Job is a literary masterpiece that tells the story of a man described as blameless and upright who feared God and shunned evil Yet Job suffered horribly He lost possessions his health even his dearly loved sons and daughters In this book God reminds believers that he sometimes sends suffering to test them His faithful people patiently endure each trial and trust that God s ways are far beyond the human ability to understand Want to learn more If you re wondering what the book of Job is all about this helpful resource is for you Job is a reliable Bible commentary It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the book of Job from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Job is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House *The Ministry of the Word, Vol. 21, No. 07* Various Authors, 2017-07-01 **The Gospel According to Luke** G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person s greatness is their influence not only on his own time but on future gen erations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books Fox sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless

work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word. Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books. This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies. Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John. Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books. Near the end of his ministry in a sermon entitled *But One Thing*, Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America. No longer did the inscription say *Ne Plus Ultra* (nothing more beyond) but *Plus Ultra* (more beyond). It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture. The Morgan Trust. Richard L. Morgan, Howard C. Morgan, John C. Morgan. **Jesus Our Lord**, John Phillips, 2007-01-01. This companion volume to the best-selling *The View From Mount Calvary* shows readers how we are never far from encountering the lordship of Christ no matter where we are in our biblical reading. Respected teacher John Phillips guides readers illustrating how the Bible provides a window through which we encounter Jesus our Lord and discusses the many biblical events, stories, and prophecies that reflect his lordship. *For the Love of the World*, Edwin Zackrisson, 2021-08-04. The world can be subject to interpretations that cause Christians to disagree and even fight. Interpretations often end in startling disputes. For some that world includes the inheritance of denominational interpretations. Historically conditioned conclusions are taken out of their context. Booklets have been produced for young people that largely define the world as dancing, smoking, drugs, music, theater, and music. This book will not spend time on these parochial notions. Rather, it will deal with God's love for the world. While Christians are often warned against the world, God loved the world from a different standpoint and made the ultimate sacrifice to give this world the chance to be restored to rightness with him. *Proclaiming the Whole Counsel of God*, Steve D. Eutsler, 2025-04-24. For years the best sages have warned: Those who fail to plan, plan to fail. Experience has proven this advice to be true in the spiritual realm as well as in the secular. Without careful planning, even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths. This frequent phenomenon inspired the integrated approach in this project. Dr. Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time. Based on years of practical experience and sound scholarship, it combines an emphasis on the guidance of the Holy Spirit along with long-range planning. After exploring the unique dynamics of Pentecostal preaching, he discusses step by step how to increase their implementation on a more consistent basis. This volume will benefit both beginning and veteran students of preaching. It could easily be used personally or in a classroom setting. Those preachers who read and implement its wise counsel will improve the quality, creativity, and variety of their preaching. George O. Wood, General Superintendent of the Assemblies of God. *I Am*, Robert Aldridge, 2017-06-13. This book is a condensed

version of several of my Sunday school lessons It takes an in depth look at several biblical stories i e Jonah and the whale Noah and the flood and the beautiful love story of Ruth and Naomi Also the book includes a detailed look at the Book of Daniel and the end time This books purpose is to be used as an aid in studying the KJV of the Bible and also to bring the reader to a better understanding of the Bible It is my hope that this book will be beneficial to you in your spiritual relationship with our Lord and Savior Jesus Christ Faith at State Rick Kennedy,2002-02-28 The Annotated Bible Arno Clemens Gaebelein,1921
