The Spirit and the Song Steven Félix-Jäger, Chris E. W. Green, 2024-09-16 The Spirit and the Song Pneumatological Reflections on Popular Music explores pertinent pneumatological issues that arise in music It offers three distinct contributions first it asks what if anything music tells listeners about God's Spiritiveness Can the experience of music speak to human spiritedness the world's transcendentality or a person's own self transcendence in

ways nothing else does or can Second this book explores how the Spirit functions within and even determines culture through music Because music is a profound human expression it can find itself in a rich dialogue with the Spirit Third and finally this book explores the contested status of music in Christian spiritual traditions It deals with music as inspired by the Spirit music as participation in Spiritedness and music as temptation of the flesh As such this book also engages music's placement in Christian spiritual traditions The contributors of this book ask how Christian convictions about and experiences of the Spirit might shape the way one thinks about music

Practice for Heaven Gabriel C. Statom, 2015-02-16 Do you wonder what our worship will be like in Heaven The center of our faith is based on believing in Jesus Christ with the assurance that we will live with him and the Father for eternity God gives us a glimpse of what that will be like in heaven while we are on earth Throughout the Bible we see the pomp and circumstance that surrounds the throne of God With angels and trumpets white robes and crowns we see that God is enthroned with true worship from beings that desire to give him their undivided worship and praise The visions of heavenly worship presented throughout scripture are the most concrete images that the Bible gives the church for interpreting how we should conduct earthly worship in our corporate gatherings Practice for Heaven looks at the role of music in the bible the corporate consensus of what has been acceptable for public worship in the past and why church music should look to heaven for creating music to aid the churches ongoing worship Just as a musician practices his or her instrument all of our worship and all of our music in corporate worship is essentially practice for heaven
