Great Fishing Adventures:

Great Fishing Adventures W. Horace Carter, Don Mann, 1990 *The Angler's Bucket List* John Bailey, 2023-04-11

Information packed and heavily illustrated this guide to the world's best places to fish is carefully curated and evenly split between fresh and saltwater fishing. There's something for every type of angler from fishing in streams, lakes, and ponds to the seven seas. Every angler, whatever their preferred form of fishing, has a bucket list dream fish to seek out the ones that got away, the once glimpsed fishing nirvanas. With 500 wildly different fishing experiences from around the globe, this bucket list draws on the wisdom of a host of angling writers. Opening with essential advice for travel permits and hiring local help, the book is divided into sections by continent. Each entry is labeled by location, target fish species, and best time of year to visit. In each case, there is something special beyond the thrill of the catch: the natural beauty of the location, its connection to iconic anglers, or its reputation for excellence as a fishing ground. This book includes the full spectrum of fishing scenarios: giant fish and distant locations, tracking down whispered-about shipwrecks, and returning to favorite childhood fishing holes. It's all here. Suitable for all levels of ability and packed with atmospheric and inspirational photographs, this volume is sure to fuel armchair daydreams and travel plans. **Chris Batin's 20 Great Alaska Fishing Adventures** Christopher Batin, 1991

Track your fishing adventure with details such as fishing partner, fishing rod used, weather conditions, details about your caught fish, and much more. Take photos of your catch and paste them in this journal as a memory. Remember your best fishing trips. *Trout Adventures: North America* Bob W. Willis, 2013-04-22 Author Bob Willis has documented decades of flyfishing for every salmonid species in North America in this intriguing new book. Willis' insatiable appetite for adventure keeps every trip interesting: down craggy dirt roads, miles from anywhere. The author catches over 25 species and subspecies, including Apache gila trout, arctic char, blueback trout, brooks browns, landlocked and sea-run bulls, aurora trout, Dollies, lakereids, splake, steelhead, goldens, cutthroat, all subspecies, cutbows, tigers, grayling, sunapee, they do exist, redband, whitefish, and more. Every corner of North America is fished from Iceland; part of it is considered North America to Alaska, and all fishy spots in between. Willis' personal writing style seeks to bring readers with him on each journey: waiting out cattle drives, changing flat tires, hooking surprise rod-bending fish, and up sheer mountainsides. Continent-wide. Detailed trip information is included at the end of each chapter to help you plan your trip. Whether you want to fish for the rare and common salmonids of North America or you enjoy a good flyfishing adventure, this is an exciting read and book.
