Great Irish Potato Famine

Joseph R. O'Neill

Great Irish Potato Famine:

Irish Potato Famine Joseph R. O'Neill, 2009-01-01 This title examines an important historic event the Irish Potato Famine Readers will learn the history of Ireland leading up to the famine key players and happenings during the famine and the event's effect on society Color photos and informative sidebars accompany easy to read compelling text Features include a timeline facts additional resources web sites a glossary a bibliography and an index Essential Events is a series in Essential Library an imprint of ABDO Publishing Company Grades 6-9 *The Great Irish Potato Famine* James S Donnelly, 2002-11-01 In the century before the great famine of the late 1840s the Irish people and the poor especially became increasingly dependent on the potato for their food So when potato blight struck causing the tubers to rot in the ground they suffered a grievous loss Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America changing the country forever During and after this terrible human crisis the British government was bitterly accused of not averting the disaster or offering enough aid Some even believed that the Whig government's policies were tantamount to genocide against the Irish population James Donnelly's account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters and government responses to them can alter the destiny of nations [Black Potatoes](#) Susan Campbell Bartoletti, 2001 Publisher Description [The Great Irish Famine](#) Christine Kinealy, 2017-03-14 The Great Irish Famine of 1845-51 was both one of the most lethal famines in modern history and a watershed in the development of modern Ireland This book based on a wide range of little used sources demonstrates how the Famine profoundly affected many aspects of Irish life the relationship between the churches the nationalist movement and the relationship with the monarchy In addition to looking at the role of the government Kinealy shows the importance of private charity in saving lives One of the most challenging aspects of the publication is the chapter on food supply in which Kinealy concludes that despite the potato blight Ireland was still producing enough food to feed its people The long term impact of the tragedy notably the way in which it has been remembered and commemorated is also examined *The Great Famine* Charles River Charles River Editors, 2016-07-12 Includes pictures Includes accounts of the famine by Irishmen who suffered through it Includes online resources and a bibliography for further reading Includes a table of contents I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato

their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1 5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America

The Great Famine The History of the Irish Potato Famine during the Mid 19th Century looks at the history of the notorious famine and its results Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all

This Great Calamity: The Great Irish Famine Christine Kinealy, 2006-05-02 The Great Famine of 1845 52 was the most decisive event in the history of modern Ireland In a country of eight million people the Famine caused the death of approximately one million while a similar number were forced to emigrate The Irish population fell to just over four million by the beginning of the twentieth century Christine Kinealy's survey is long established as the most complete scholarly survey of the Great Famine yet produced First published in 1994 This Great Calamity remains an exhaustive and indefatigable look into the event that defined Ireland as we know it today

The People's Potato and the Great Irish Famine Tony Hills, 2008-08 The Irish Potato Famine figures as one of the most devastating occurrences in European history The suffering of the people the thousands of deaths the seeming unconcern of government bodies who could have assisted more than they did all are part of a catastrophe centred on that humblest of plants the potato Tony Hills brings new light to this old tale With sympathy and poignant detail he weaves his chronicle of the famine set in the context of the potato's history in Europe Decades perhaps centuries of contributing factors influenced the havoc wrought by the blight in the 1840s and as you will discover potatoes continue to be

found at the centre of political debate right up to the present day This book may change the way you think about the potato for ever

The Great Irish Famine Canon John O'Rourke,1989 When the great Irish famine of the years 1845 49 finally ceased it had taken a toll of the Irish nation from which it has never fully recovered More than 1 2 million people died as a result of hunger or disease In six years from 1846 1851 more than 1 8 million left the country Those who were left in a stricken motherland were sunk in misery and despair With the decimation and emigration of its users the Irish language suffered a mortal blow The nation seemed doomed to extinction This definitive work is a vivid record of this catastrophe that almost wiped out the Irish nation It also provides a history of previous famines in Ireland and gives a fascinating account of the arrival of the potato in Europe and its introduction to Ireland Also discussed is the onslaught of the blight and the puny efforts by the London government to counter its effects Publisher description

The Great Famine Ciarán Ó Murchadha,2011-08-04 An engaging and moving account of this most destructive event in Irish history

Mapping the Great Irish Famine Liam Kennedy,1999 This book represents cartographically the dramatic impact that the Great Potato Famine had on Ireland Based largely on the enormous body of statistics contained in the Database of Irish Historical Statistics at the Queen s University of Belfast the authors present a picture of Ireland before during and after the Great Famine

The Visitation of God? Austin Bourke,1993 The dramatic failure of the potato crop in mid 19th century Europe caused widespread hunger and distress In Ireland the impact was probably the greatest where a million people died and many more emigrated In this book Austin Bourke seeks to explain how from being welcomed originally as a protection against hunger the potato became the very emblem of famine The text brings together the author s papers essays and research spanning a 30 year period It places the onset of potato blight in its European and American context and reconsiders the role of English ministers and their attempt to stem the disaster

Mapping the Great Irish Famine Liam Kennedy,Paul S. Ell,L. A. Clarkson,1999 Mapping the Great Irish Famine provides the first comprehensive attempt to represent

cartographically the dramatic impact that the Great Potato Famine has had on Ireland

The Great Irish Famine Canon J. O'Rourke,1989-01-01 When the great Irish famine of the years 1845 49 finally ceased it had taken a toll of the Irish nation from which it has never fully recovered More than 1 2 million people died as a result of hunger or disease In six years from 1846 1851 more than 1 8 million left the country Those who were left in a stricken motherland were sunk in misery and despair With the decimation and emigration of its users the Irish language suffered a mortal blow The nation seemed doomed to extinction This definitive work is a vivid record of this catastrophe that almost wiped out the Irish nation It also provides a history of previous famines in Ireland and gives a fascinating account of the arrival of the potato in Europe and its introduction to Ireland Also discussed is the onslaught of the blight and the puny efforts by the London government to counter its effects Publisher description

The History of the Irish Famine Jason King,2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of

modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume breaks new ground in bringing together foundational narratives of one of Europe and North America s first refugee crises making visible their impact in shaping perceptions public opinion and patterns of memorialization of Irish forced migration It documents eyewitness impressions of suffering Irish emigrants and raises questions about what literary conventions mnemonic motifs and popular images can be found in eyewitness accounts press coverage and foundational narratives of Famine Irish forced migration These primary sources provide a model for understanding how representations of forced migration shape public opinion and policy

The Irish Potato Famine Dennis Brindell Fradin, 2012-01-15 Provides comprehensive information on the history leading up to the Irish potato famine presents accounts of narrow escapes and discusses the legacy of the event

The Irish Potato Famine Charles River Charles River Editors, 2014-11-25 Includes pictures Includes accounts of the Famine written by survivors and newspapers Includes a bibliography for further reading I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1.5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the

government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America The Irish Potato Famine looks at the history of the Great Famine and what it produced Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all *Black Potatoes* Susan Campbell Bartoletti,2001 The story of the Great Irish Famine through the eyes and memories of the Irish people Tells how they lived why their lives depended on the potato how they dreaded the workhouse and how they feared and defied the landlord who collected the rent and evicted them **The Great Irish Famine - A History in Four Lives** Enda Delaney,2012 **The Great Famine** John Gibney,2018 The Irish potato famine of the 1840s the Great Famine or An gorta mór is one of the defining events in modern Irish history Over a five year period a population of 8.2 million was reduced to 6.5 million through starvation disease and emigration The famine permanently changed one of the constituent parts of the United Kingdom as it then stood and its legacies of depopulation socio economic and cultural change political resentment and the expansion through mass emigration of an Irish diaspora in Britain North America and the British Empire still have a resonance today Now in the first installment of a new collaboration between Pen and Sword and History Ireland magazine some of the world's leading experts on the Great Famine explore the crisis from a range of perspectives From the importance of the potato in Irish history to food exports political change the provision of charity the impact of disease the role of the authorities the experience of emigration and the changing interpretation of the famine this volume explores how this seminal event in Irish British and world history still has a relevance to the globalised world of the twenty first century **The Great Irish Potato Famine** Christine Brendel Scriabine,2003-01-01 This Jackdaw chronicles the causes and catastrophic effects of

Great Irish Potato Famine Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Great Irish Potato Famine free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Great Irish Potato Famine free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Great Irish Potato Famine free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Great Irish Potato Famine. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading Great Irish Potato Famine any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Great Irish Potato Famine Books

1. Where can I buy Great Irish Potato Famine books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Great Irish Potato Famine book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Great Irish Potato Famine books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Great Irish Potato Famine audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Great Irish Potato Famine books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
