Great Lakes Ships We Remember Ii

Mark L. Thompson

Great Lakes Ships We Remember II:

Great Lakes Ships We Remember Marine Historical Society of Detroit, 1984 **Great Lakes Ships We Remember II** Peter J. Van der Linden, John H. Bascom, Marine Historical Society of Detroit, 1984 *Steamboats and Sailors of the Great Lakes* Mark L. Thompson, 2017-12-01 *Steamboats and Sailors of the Great Lakes* traces the evolution of the Great Lakes shipping industry over the last three centuries. The Great Lakes shipping industry can trace its lineage to 1679 with the launching on Lake Erie of the Griffon, a sixty-foot galley weighing nearly fifty tons. Built by LaSalle, a French explorer who had been commissioned to search for a passage through North America to China, it was the first sailing ship to operate on the upper lakes, signaling the dawn of the Great Lakes shipping industry as we know it today. *Steamboats and Sailors of the Great Lakes* is the most thorough and factual study of the Great Lakes shipping industry written this century. Author Mark L. Thompson tells the fascinating story of the world's most efficient bulk transportation system, describing the Great Lakes freighters, the cargoes of the great ships, and the men and women who have served as crew. He documents the dramatic changes that have taken place in the industry and looks at the critical role that Great Lakes shipping plays in the economic well-being of the U.S. and Canada, despite the fact that the size of the fleet and the amount of cargo carried have declined dramatically in recent years. Spanning more than three centuries from LaSalle's voyage in 1679 through 1975, with the mysterious sinking of the Edmund Fitzgerald to life aboard today's thousand-foot behemoths, this important volume documents the evolution of the industry through its Golden Age at the end of the nineteenth century to the present, with a downsized U.S. fleet that numbers fewer than seventy vessels. *Graveyard of the Lakes* Mark L. Thompson, 2004-04-13 A historically accurate, well-rounded picture of shipwrecks on the Great Lakes. **The Inland Steel Fleet** Raymond A. Bawal Jr., 2016-02-12 For nearly ninety years, lake freighters belonging to the Inland Steel fleet transported the raw materials necessary for the manufacture of steel at their owner's sprawling industrial complex at Indiana Harbor, Indiana. Easily distinguishable from vessels operated by other shipping companies following the incorporation of a unique color scheme in 1950, the members of the Inland Steel fleet became some of the most recognizable and popular ships to ever sail the waters of the Great Lakes. This volume traces the history of this fleet from its formation through an era of expansion that included the construction of two groundbreaking vessels and the rebuilding of its older units to its demise following the sale of the Inland Steel Company in 1998. In addition, complete factual accounts chronicle the careers of each of the ten vessels that served in this fleet over its long history. **Stories from the Wreckage** John Odin Jensen, 2019-04-19 Every shipwreck has a story that extends far beyond its tragic end. The dramatic tales of disaster, heroism, and folly become even more compelling when viewed as junction points in history, connecting to stories about the frontier, the environment, immigration, politics, technology, and industry. In *Stories from the Wreckage*, John Odin Jensen examines a selection of Great Lakes shipwrecks of the wooden age for a deeper dive into this transformative chapter of maritime history. He mines the archeological evidence

and historic record to show how their tragic ends fit in with the larger narrative of Midwestern history Featuring the underwater photography of maritime archeologist Tamara Thomsen this vibrant volume is a must have for shipping enthusiasts as well as anyone interested in the power of water to shape history **Sailing Into Disaster** Constance M. Jerlecki,2017-02-10 One of the most prominent geographical features of North America the Great Lakes played a pivotal role in the economic and industrial development of Canada and the United States While allowing the establishment of a highly efficient transportation system these freshwater seas have also proven particularly unforgiving when stirred up by the forces of nature Capable of producing some of the most treacherous conditions faced by mariners anywhere on the globe the Great Lakes have claimed thousands of vessels since the earliest days of navigation on their waters Sailing Into Disaster details the stories of ten vessels that met their demise without leaving a single survivor Ranging from early wooden schooners to steel steamships the tales included in this volume represent not only the perils faced by these vessels but also their crews prior to the advent of modern navigation equipment While a few of their number have been uncovered through concerted search efforts the majority of these lost ships remain elusively hidden in the watery depths of these landlocked oceans Among others this book includes the loss of an early Great Lakes schooner on Lake Superior the mysterious disappearance of a steel steamer that sparked tales of it becoming a wandering ghost ship the unexplained sinking of two naval trawlers a small tugboat that sailed into oblivion on Lake Erie and a self unloading bulk carrier that remains missing in the depths of Lake Michigan to this very day A lifelong resident of Michigan Constance M Jerlecki has written four books concerning the history of the state she calls home This is her first book on Great Lakes shipwrecks **Queen of the Lakes** Mark L. Thompson,2017-12-01 Queen of the Lakes is a Great Lake Books publication *Whaleback Ships and the American Steel Barge Company* C. Roger Pellett,2018-05-14 A history of the American Steel Barge Company and the vessels that it built and operated The whaleback ship reflected the experiences of its inventor Captain Alexander McDougall who decided in the 1880s that he could build an improved and easily towed barge cheaply by using the relatively unskilled labor force available in his adopted hometown of Duluth Minnesota Captain McDougall s dream resulted in the creation of the American Steel Barge Company From 1888 to 1898 the American Steel Barge Company built and operated a fleet of forty four barges and steamships on the Great Lakes and in international trade These new ships were considered revolutionary by some and nautical curiosities by others Built from what was then a high tech material steel and powered by state of the art steam machinery their creation in the remote north was a sign of industrial accomplishment In Whaleback Ships and the American Steel Barge Company Roger C Pellett explains that the construction of these ships and the industrial infrastructure required to build them was financed by a syndicate that included some of the major players active in the Golden Age of American capitalism The American Steel Barge Company operated profitably from 1889 through 1892 each year adding new vessels to its growing fleet By 1893 it had run out of cash The cash crisis worsened with the onset of the Panic of 1893 which plunged

the country into a depression that mostly halted the ship building industry Only one shareholder John D Rockefeller was willing and able to invest in the company to keep it afloat and by doing so he gained control When prosperity returned in 1896 the interest in huge iron ore deposits on the Mesabe Range required larger more efficient vessels In an attempt to meet this need the company built another vessel that incorporated many whaleback features but included a conventional Great Lakes steamship bow Although this new steamship compared favorably with vessels of conventional design it was the last vessel of whaleback design to be built Whaleback Ships and the American Steel Barge Company objectively examines the design of these ships using the original design drawings notes the successes and failures of the company s business strategy and highlights the men at the operating level that attempted to make this strategy work Readers interested in the maritime history of the Great Lakes and the industries that developed around them will find this book fascinating **Greenwood's and Dills' Lake Boats** ,1997 Guardian of the Great Lakes Bradley A. Rodgers,1996 Details the history of the iron hulled war steamer USS Michigan Great White Fleet John Henry,2013-05-04 The passenger steamers of the Canada Steamship Lines were known as the Great White Fleet No fewer than 51 steamers comprised the passenger fleet at the company s inception and its network of routes was awesome Nearly half a century after the last passenger boats sailed this book will provide a window into a wonderful lost way of life Historic Shipwrecks and Rescues on Lake Michigan Michael Passwater,2022 Facing the fury and danger of Lake Michigan Ever since French explorers first cast their eyes on Lake Michigan this huge inland sea has been the scene of thousands of shipwreck rescues and tragedies As mishaps and disasters proliferated a dedicated service of lifesavers arose Braving perilous conditions these servicemen pulled those aboard the merchant schooner Havanna from certain death The intrepid St Joseph Lifesavers saved the crew and passengers of the City of Duluth Sadly not all rescues ended in heroism as was the case with the doomed Arab that went down along with two other ships Author Michael Passwater captures the stories of shipwrecks and the brave men and women that risked their lives against an angry Lake Michigan **Lake Michigan Passenger Steamers** George Woodman Hilton,2002 This is the definitive account of the rise fall and extinction of steam passenger transportation on Lake Michigan from its origin in the late 1840s to the demise of the last steamers in 1970 *'Eastland'* George W. Hilton,1996-10-01 An account of the 1915 capsizing of the steamer Eastland in the Chicago River an accident that killed more than eight hundred people details the role of safety measures instituted after the sinking of the Titanic and examines the civil and criminal court proceedings which followed it *Namesakes of the 80's, Volume II* John Orville Greenwood,1984 **Haunted Lake Michigan** Frederick Stonehouse,2006 The hauntings have reached Lake Michigan The latest in the Haunted Lake series Haunted Lake Michigan features the reserach of maritime historian and accidental ghost chaser Frederick Stonehouse In this volume Stonehouse relates the tales of lost maritime spirits and cursed ships sea monsters UFOs ghostly echoes of Prohibition era murders and a deliciously horrible host of other hauntings on in and around Lake Michigan This book blends traditional

stories with previously unpublished accounts of spookiness and strange occurrences **The Nine Fleets of the
Hutchinson Family, Central Paper, Lake Ports Shipping & Navigation, Petoskey Transportation, and the Two
McLouth Fleets** John Orville Greenwood,1998 The Fleet Histories Series: The fleets of the Shenango Furnace, Cleveland
Tankers, Lakeland Tankers, Diamond Steamship, Hindman Transportation, Lakehead Transportation, Great Lakes Lumber
and Shipping, and Great Lakes Steamship Company John Orville Greenwood,1990 **The Bradley Boats** Gerald
Micketti,1995

Great Lakes Ships We Remember Ii Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Great Lakes Ships We Remember Ii free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Great Lakes Ships We Remember Ii free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Great Lakes Ships We Remember Ii free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Great Lakes Ships We Remember Ii. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Great Lakes Ships We Remember Ii any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Great Lakes Ships We Remember Ii Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Great Lakes Ships We Remember Ii is one of the best book in our library for free trial. We provide copy of Great Lakes Ships We Remember Ii in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Great Lakes Ships We Remember Ii. Where to download Great Lakes Ships We Remember Ii online for free? Are you looking for Great Lakes Ships We Remember Ii PDF? This is definitely going to save you time and cash in something you should think about.
